Hi Kevin,

Thank you and Toshi for the discussion this morning regarding the proposed improvements at the intersection of Airport Way and Lathrop Road. In accordance with Title 16 of the Manteca Municipal Code, on behalf of my client I respectfully request the City Council to consider and approve the modified improvements we discussed this morning. I believe you thought we could be scheduled at the August Council meeting. We look forward to having the Council consider our request and if you need anything further from me/us, please just let me know. Thank you.

Joe
