CITY OF MANTECA  
FINANCE DEPARTMENT

1001 W. Center St.  
Manteca, CA 95337  
Office: 209.456.8785

---

May 22, 2025

Honorable Mayor, Members of the City Council, and Residents of Manteca:

We are pleased to submit the Annual Comprehensive Financial Report (ACFR) for the City of Manteca, California, for the fiscal year (FY) ended June 30, 2024. The City of Manteca annually publishes a complete set of financial statements, presented in conformity with Generally Accepted Accounting Principles (GAAP) and audited by an independent, certified public accounting firm.

The City's Finance Department has prepared this report. Responsibility for both the accuracy of the data and the completeness and fairness of the information, including all disclosures, rests with the City. To the best of the City staff's knowledge and belief, the enclosed data is accurate in all material respects and is reported in a manner designed to present the financial position and results of operations of various funds for the City of Manteca. All disclosures necessary to enable the reader to gain an understanding of the City's financial activities have been included. GAAP requires that statements include a Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A, and it should be read in conjunction with the MD&A, which can be found immediately following the report of the independent auditors.

#### **Reporting Entity**

The financial statements included in this ACFR present the City (the primary government) with the City funds and the Manteca Financing Authority (MFA) as a component unit. This component unit is a separate legal entity; however, the City Council sits as the Board of Commissioners and the MFA is dependent upon the City of Manteca for record keeping and financial report preparation activities.

On June 28, 2011, the State of California adopted ABX1 26, later amended by AB1484 on June 27, 2012, which suspended all new redevelopment activities except for limited specified activities as of that date and dissolved Redevelopment Agencies as of January 31, 2012. Under the provision of ABX1 26, a city that authorized the creation of a redevelopment agency may elect to serve as the successor agency. On September 20, 2011, the City made the election to become the Successor Agency to the Manteca Redevelopment Agency and on February 1, 2012, the Redevelopment Agency's non-housing related assets were distributed to, and the liabilities were assumed by the Successor Agency. The activities of the Successor Agency are subject to the review and approval of a County Oversight Board.

The activities of the Successor Agency are reported in the Successor Agency to the Redevelopment Agency Private-Purpose Trust Fund as the activities are under the control of the Oversight Board. The City provides administrative services to the Successor Agency to wind down the affairs of the former Redevelopment Agency. The activities and net position information for the Private-Purpose Trust Fund can be found in the Fiduciary Financial Statements section.

Additionally, under the provision of ABX1 26 and pursuant to Health and Safety Code Section 34176(b), the City could elect to become the Housing Successor and retain the housing assets. On February 7, 2012, the City elected to become the Housing Successor and certain housing assets were transferred to the City's Successor Agency Housing Special Revenue Fund pending State approval of the transfer, which occurred in 2012. The activities of the Housing Successor are reported in the Low and Moderate Income Housing Assets Special Revenue Fund as the City has control of the assets. These funds may be used in accordance with the low and moderate income housing provisions of the California Health and Safety Code.

## **Government Profile**

The City of Manteca is located seventy-six (76) miles due east of San Francisco in northern San Joaquin County and is situated along Highway 99 and the Highway 120 bypass that serves as a connector to Interstate 5. The city is uniquely positioned with access not only to three major freeways, but also within proximity to the Union Pacific Intermodal Yard, the Santa Fe Railroad Intermodal Yard, the Stockton Metro Airport and the Port of Stockton. Manteca's strategic location provides easy commuting to the San Francisco Bay Area, San Jose, and Sacramento. With more than 18 million consumers within 100 miles of Manteca, the city is positioned for future residential growth as well as business expansion through the location and/or relocation of manufacturing, retailing, wholesaling, and service industries.

The City of Manteca is adjacent to extensive green areas and agricultural lands in California's Central Valley. Agriculturally oriented business activities have always been an integral component of our community and continue to be an important part of Manteca's local economy. Strong land use policies lay the foundation for economic development growth and expansion as well as continued residential development. Large-scale opportunity sites that are compatible with a wide range of uses support commercial, industrial, retail and professional growth. These employment bases along with Manteca's access to transportation routes position Manteca to attract employers migrating to the Central Valley from the San Francisco Bay Area and other regions. These new businesses will join Manteca's many large employers including packaging and distribution plants, manufacturers, electronic firms, and two local hospitals.

The City of Manteca is a full-service city providing police protection, fire protection, parks and recreation, planning, building inspection, engineering, fleet maintenance, construction and maintenance of streets, public buildings, and other infrastructure, as well as solid waste, water, and wastewater utility services. The City is a general-law city incorporated under California law on May 28, 1918. The City operates under the City Council/Manager form of government. The Mayor is directly elected by the people and serves as a member of the City Council for a four-year term. Four council members are elected into districts and serve staggered four-year terms. All elections are conducted on a non-partisan basis. The City Council is also financially accountable for the Manteca Financing Authority.

## **Economic Conditions and Outlook**

Even through the uncertainty that the COVID-19 pandemic brought in March of 2020, the City of Manteca has continued to grow. The City's recovery from the Great Recession continued throughout 2020 and 2021 even when considering the pandemic. Positive indicators included increased consumer spending and continued growth in new and resale home values. Through strong economic development and bolstered consumer spending, general sales tax revenue was 4.3% higher than for the same period last year. The total property tax received of \$27.6 million included one-time payments of residual taxes due to the dissolution of the former Redevelopment Agencies. Property tax, net of the residual, was \$24.7 million or a 12.3% increase when compared to the prior year.

Despite the business restrictions brought on by the increase in interest rates, the pace of housing construction has continued relatively unabated, with 978 permits issued during FY 2023-24 from July 1, 2023, through June 30, 2024, and 1,996 permits issued during the first half of FY 2024-25 from July 1, 2024, through December 31, 2025. Building activity typically ramps up during the spring and summer of each year and the period from January 1, 2024, through December 31, 2024, averaged 384 new permits each month, and a total of 4,608 during the calendar year. Permit activity over the first half of FY2024-25 has seen considerable increases as well with 2,612 permits issued from July 1, 2024, through December 31, 2024, and a total of 4,819 permits issued during FY2023-24.

As of June 30, 2024, unemployment rates in California had continued to increase due to protective measures the state issued in response to the COVID-19 pandemic. The U.S. Bureau of Labor Statistics listed the June 2024 statewide unemployment rate at 5.4%, San Joaquin County at 6.5% and 6.1% for Manteca. Reflective of an economy that is continuing to recover from the global pandemic, unemployment rates continue to be down from June 2023 when the statewide unemployment rate was 4.7%, San Joaquin County was 6.1%, and the City of Manteca was 6.8%.

## **Budgetary Control**

By June 30 of every year, the City prepares an annual budget for the subsequent fiscal year. The City maintains budgetary controls to ensure compliance with the legal provisions embodied in the annual appropriated budget approved by the City Council. Activities of the general fund, special revenue funds, and capital projects funds are included in the annual appropriated budget. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is established at the department level for the general fund and at the fund level for all other funds. The City also applies and maintains encumbrance accounting as a technique of accomplishing budgetary control. As demonstrated by the statements and schedules included in the financial section of this report, the City continues to meet its responsibility for sound financial management.

## **Long-Term Financial Planning**

The past decade has been fiscally challenging for many cities throughout California and the nation. To navigate through the diverse and rapidly changing fiscal climate, Manteca has set the foundation for future stability through the annual City Council strategy and goal setting sessions. Through these sessions, the City develops long-term financial planning strategies designed to meet Council's goals and priorities. The City annually adopts a Capital Improvement Plan budget that supports the Council's goals and priorities. Projects are analyzed not only on the merits and benefits of the proposal, but also on the long-term financial impact on City resources resulting from anticipated maintenance.

## **Single Audit**

The City is subject to an annual single audit in compliance with provisions of the Single Audit Act as amended in 1996, and the Uniform Guidance effective December 26, 2014. Information contained in this separate report related to the single audit includes the Schedule of Expenditures of Federal Awards and the auditor's report on the Schedule along with their reports on internal controls and compliance with applicable laws and regulations.

## **Internal Controls**

City management is responsible for establishing and maintaining an internal control structure designed to ensure that assets are protected from loss, theft, or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with GAAP.

The internal control structure is designed to provide reasonable, but not absolute, assurance these objectives are met. The concept of reasonable assurance recognizes that 1) the cost of a control should not exceed the benefits likely to be derived from the control, and 2) the valuation of costs and benefits requires estimates and judgments by management. All internal control evaluations occur within the above-stated framework. We believe our internal accounting controls adequately safeguard assets and provide reasonable assurance that financial transactions are properly recorded.

## **Independent Audit**

State statutes require an annual audit of the City's accounts by an independent certified public accountant. The City of Manteca selected the accounting firm of Maze and Associates. The auditor's report on the basic financial statements is included in the financial section of this report.

**Acknowledgments**

Completion of the Annual Comprehensive Financial Report was made possible by the dedicated service of Finance Department staff, whose work has our sincere appreciation. Additional thanks are due to staff in other City Departments who spent time answering questions and providing information. Appreciation is also extended to the City's auditors Maze and Associates for their assistance.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Matt B", with a long horizontal stroke extending to the right.

## INDEPENDENT AUDITOR'S REPORT

To the Honorable Members of the City Council  
City of Manteca, California

### Report on the Audit of the Financial Statements

#### *Opinions*

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Manteca, California (City), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the Table of Contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of June 30, 2024 and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparisons listed in the Table of Contents as part of the basic financial statements for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirement relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and other Required Supplementary Information as listed in the Table of Contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying Supplementary Information, as listed in the Table of Contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### ***Other Information***

Management is responsible for the other information included in the annual report. The other information comprises the Introductory Section and Statistical Section listed in the Table of Contents, but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2025, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

A handwritten signature in cursive script that reads "Mary & Associates".

Pleasant Hill, California  
May 22, 2025

## MANAGEMENT’S DISCUSSION AND ANALYSIS

---

The Management’s Discussion and Analysis provides an overview of the City of Manteca’s financial performance for the fiscal year ended June 30, 2024. This report has been prepared in accordance with Generally Accepted Accounting Principles (GAAP) as established by the Governmental Accounting Standard Board (GASB). The City encourages readers to consider this information in conjunction with the information provided in the accompanying basic financial statements and notes thereto.

### **FINANCIAL HIGHLIGHTS**

The City’s assets and deferred outflows of resources exceeds its liabilities and deferred inflows of resources at the close of the 2023-24 fiscal year (FY) by \$969.1 million (Net Position). Of this amount \$696.8 million reflects investments in capital assets, debt service and legally segregated taxes, grants, and fees; \$249.1 million is Restricted Net Position, of which a substantial portion is associated with the City’s reserve policy; and \$23.2 million is the combined Unrestricted Net Position. The combined Unrestricted Net Position reflects the inclusion of a Net Pension Liability of \$149.4 million and a Total Other Post-Employment Benefits (OPEB) Liability of \$37.9 million in accordance with the GAAP.

- As of June 30, 2024, the governmental activities reported a total net position of \$653.7 million including: \$465.6 million net investment in capital assets, \$249.1 million in restricted net position, and a combined unrestricted balance of \$(61) million.
- Business-type activities reported a combined net position of \$315.4 million including: \$231.1 million net investment in capital assets, and \$84.3 million in unrestricted net position.
- Governmental capital assets increased by \$25.8 million in comparison to prior year assets representing additions such as land, streets, storm drainage, equipment, and construction in progress. The increase is also reflected in the governmental activities’ net investment in capital assets.
- The City’s total liabilities increased by \$10.1 million over the prior year, primarily due to increases in net pension and other post-employment benefits (OPEB). While a portion of these increases can be attributed to changes in assumptions made by the actuaries, much of the increase stems from underperforming investment returns.
- As of June 30, 2024, the fund balance for the General Fund was \$47.6 million including: \$1.1 million for *Non-Spendable* items such as deposits, prepaid assets, advances from other funds, and inventory; \$0.4 million of *Restricted*; \$30.5 million *Assigned* for items such as economic revitalization and public facilities oversizing; and \$15.6 million *Unassigned*.

### **OVERVIEW OF THE ANNUAL COMPREHENSIVE FINANCIAL REPORT**

The Management’s Discussion and Analysis is intended to serve as an introduction to the City’s basic financial statements within the Annual Comprehensive Financial Report, which is comprised of the following sections:

- 1) Introductory Section, which includes the Transmittal Letter and general information,
- 2) Management’s Discussion and Analysis,
- 3) The Basic Financial Statements, which include the Government-wide and the Fund Financial Statements, along with the Notes to these financial statements,

- 4) Required Supplemental Information,
- 5) Combining Statements for Non-major Governmental Funds and Internal Service Funds,
- 6) Statistical Information

### ***The Basic Financial Statements***

The Basic Financial Statements are comprised of the Government-wide Financial Statements and the Fund Financial Statements. These two sets of financial statements provide two different views of the City's financial activities and financial position.

### ***Government-Wide Financial Statements***

The Government-wide Financial Statements provide a longer-term view of the City's activities as a whole and are presented in a manner similar to a private-sector business. These statements are comprised of:

*Statement of Net Position* – Presents information on all City assets and deferred outflows of resources and liabilities and deferred inflows of resources, with the difference between them reported as *Net Position*. Over time, increases or decreases in Net Position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

*Statement of Activities* – Presents information reflecting any change in the government's net position during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs (regardless of the timing of related cash flows). Thus revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., earned but unused vacation and compensated time leaves), and conversely revenues and expenses not being reported for some items that have already affected cash flows (unearned revenues for unexpended grand funding).

Both Government-wide financial statements distinguish the functions of the City that are principally supported by taxes, fees and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities).

- Governmental activities - All of the City's basic services are considered to be governmental activities, including general government, community development, library, public safety, public works, parks and recreation, and streets and highways. These services are supported by general city revenues such as taxes, and by specific program revenues such as developer fees.
- Business-type activities - All of the City's enterprise activities are reported here, including golf, sewer, water, solid waste and transit. Unlike governmental services, these services are meant to be supported by charges paid by users based on the amount of the service they use.

The City's business-type activities include not only the City of Manteca but also the activities of a separate legal entity, the Manteca Financing Authority ("MFA"). The City Council serves as the governing body of this component unit and the City is financially accountable for the MFA. The activities of the MFA are reported in the business-type activities.

Pursuant to ABX1 26, approved by Governor Brown on June 28, 2011, and upheld by the California State Supreme Court on December 29, 2011, the Manteca Redevelopment Agency ("RDA") was dissolved on January 31, 2012. The former RDA is now administered under the name of Successor Agency (SA) to the Manteca Redevelopment Agency. The activities of the SA can be found in the Fiduciary Fund Section of the Financial Statements.

## ***Fund Financial Statements***

The Fund Financial Statements report the City's operations in more detail than the Government-wide Statements and focus primarily on the short-term activities for the City's General Fund and other Major Governmental Funds. The Governmental Fund Financial Statements measure only current revenues and expenditures and fund balances; they exclude capital assets, long-term debt and other long-term asset and liability amounts. Enterprise and Internal Service Fund Financial Statements are prepared on the full accrual basis and include all their assets and liabilities, current and long-term. Each Major Fund is presented individually, with all non-major Funds summarized and presented only in a single column. Subsequent schedules present the details of these non-major funds. Major Funds present the major activities of the City for the year and may change from year to year as a result of changes in the pattern of the City's activities.

A fund is a set of associated accounts that are used to capture and maintain control over resources that have been purposed for specific activities and objectives. All of the City's funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

- Governmental Funds – These funds are used to account for essentially the same functions reported as governmental activities in the Government-wide Financial Statements. Governmental Fund Financial Statements focus on near-term inflows and outflows of spendable resources and are therefore prepared on the modified accrual basis. Capital assets and other long-lived assets, along with long-term liabilities, are not presented in the Governmental Fund Financial Statements.

The City of Manteca has a variety of governmental funds of which several are considered major funds for presentation purposes. Each major fund is presented separately in the Governmental Fund Balance Sheet and the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balances. The financial information for the remaining non-major governmental funds is combined into a single, aggregated presentation.

- Proprietary Funds – The City maintains two different types of proprietary funds: Enterprise Funds and Internal Service Funds. Enterprise Funds are used to report the same functions presented as business-type activities in the Government-wide Financial Statements. Internal Service Funds account for the financial activity of the City's equipment/information technology pool, vehicle fleet pool, self-insurance/risk management, and payroll tax benefits. The revenues for Internal Service Funds are eliminated in the City-wide financial statements and any related profits or losses are returned to the activities which created them. Financial statements for proprietary funds are prepared on the full accrual basis and include all their assets and deferred outflows of resources, and liabilities and deferred inflows of resources, current and long-term.

Since the City's Internal Service Funds provide goods and services only to the City's governmental activities, their activities are reported only in total at the fund level. Internal Service Funds may not be Major Funds because their revenues are derived from other City Funds.

- Fiduciary Funds – These funds are used to account for resources held for the benefit of parties outside the government. Fiduciary Funds are not reflected in the Government-wide Financial Statements because the resources of those funds are not available to support the City's own programs. The accounting used for Fiduciary Funds is similar to that used for Proprietary Funds. With the dissolution of the RDA per ABX1 26 and AB 1484, the activities of the SA are reported as a Private Purpose Trust Fund in the Fiduciary Fund section. The City added a custodial fund to account for the Community Facilities District 2023-1 special assessment collections and debt service payments.

## Notes to the Financial Statements

The Notes provide additional information that is essential to a full understanding of the data provided in the Government-wide and Fund Financial Statements.

### Combining Statements

This section of the report includes additional detailed information about non-major governmental and internal service funds.

### Required Supplemental Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the financial activities of the City's pension and OPEB plans.

## GOVERNMENT-WIDE FINANCIAL ANALYSIS

**Net Position** – As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, combined net position (governmental and business-type activities) totaled \$969.1 million as of June 30, 2024. This is an increase of \$64.3 million from June 30, 2023.

The following table reflects the Summary of Net Position for the Fiscal Year Ended June 30, 2024 with comparative data for the Fiscal Year Ended June 30, 2023.

**Summary of Net Position as of June 30**  
(in thousands of dollars)

	Governmental Activities		Business-Type Activities		Total Government	
	2024	2023 *1	2024	2023 *1	2024	2023 *1
Cash and Other Assets	\$ 354,967	\$ 321,661	\$ 155,424	\$ 139,389	\$ 510,391	\$ 461,050

\*1 - Restated for the correction of depreciation discussed in Note 9E

The City's Government-wide Net Position as of June 30, 2024, comprised the following:

- Cash and investments comprised \$421.5 million, an increase of \$49.9 million over the prior year. Restricted cash held by fiscal agents and investments totaled \$19.1 million, a decrease of \$1 million.
- Total Governmental and Business-type receivables were comprised of \$39.4 million in current receivables and \$30.5 million of long-term receivables. Long-term receivables are related to conditional grants and loans provided by the former RDA designed to encourage the construction of or improvement to low-to-moderate-income housing, as well as leases receivable. The conditional grants and loans have varying repayment terms and interest rates.
- Net investment in capital assets of \$696.8 million includes the City's infrastructure in addition to all other City assets, net of the debt incurred to construct and/or acquire those assets. Net capital assets increased \$31 million primarily from the purchase of property at 1403 West Atherton Drive for future economic development and developer dedicated infrastructure from Cerri Unit 3 and Villa Ticino West Units 1 and 2.
- Restricted Net Position, totaling \$249.1 million, includes \$167.3 million restricted for capital projects, \$37 million restricted for redevelopment projects, and \$44.5 million restricted for other projects as specified by funding source restrictions.
- The combined Unrestricted Net Position totals \$23.2 million, which if positive, would be designated for day-to-day operations without constraints established by debt covenants or other legal requirements or restrictions. While these assets are technically unrestricted, most of these assets are committed or assigned for a specific use. The unrestricted balance reflects the inclusion of the Net Pension Liability of \$149.4 million and the Total OPEB Liability of \$37.9 million.

The Change in Net Position as expressed as the change in revenues and expenses through June 30, 2024, is further reflected in the Statement of Activities shown below.

	<b>Governmental Activities</b>		<b>Business-Type Activities</b>		<b>Total Government</b>

\*1 - Restated for the correction of depreciation discussed in Note 9E

## Revenues

Total government-wide revenues increased by \$35.6 million, or 15.6% over the prior year to a total of \$228.3 million. Governmental Activities charges for services increased by \$7.0 million compared to the prior year while operating and capital grants and contributions increased by \$6.5 million. Community Development and Public Works have seen the largest charges for services revenues increases with \$3.2 and \$2.3 million respectively.

Business-type Activities charges for services increased by \$12.3 million and operating and capital grants and contributions decreased by \$0.8 million compared to the prior year. Charges for activities can be attributed to an increase of Water and Solid Waste of \$5.6 and \$4.8 million respectively. Water saw the largest growth in debt service fees of \$2.7 million and PFIP zone 12 fees of \$2.2 million. Solid waste saw the revenue growth in Residential and Drop Box fees of \$3.5 million and \$1 million respectively.

General Revenues increased by \$12.3 million including: an increase in property taxes of \$2.0 million, an increase in gain from sales of assets of \$1.6 million from the sale of unused solar panels, an increase in interest income of \$8.2 million as interest rates increased during the fiscal year, increase in development agreements of \$0.4 million, and a decrease in other revenue of \$0.5 million.

### Expenses

Expenses for the City totaled \$199.6 million for the fiscal year ending June 30, 2024, an increase of \$36.8 million, or 22.6% over the prior year. Governmental activities incurred \$123.2 million of expenses. The largest expenses by activity were in Public Safety \$52.5 million. This was an increase of \$25 million as compared to FY 2022-23. The bulk of this increase comes from changes in actuarial assumptions along with investments related to pensions performing lower than expected with an increase of \$14.3 million. The remaining major expenditures included Public Works \$19.6 million, Community Development \$16 million, and Streets & Highways \$15.1 million.

Business-type activities incurred \$76.3 million in expenses, an increase of \$11.4 million from the previous FY. The largest expenses by activity were Sewer at \$27.9 million, an increase of \$5.5 million, and Water at \$24.6 million, an increase of \$4.1 million, for the year. In the Water Fund there was an overall increase due to rising costs related to salaries and benefits for employees, and ongoing maintenance projects.

### **Governmental Activities**

As presented in the following two graphs, the largest funding sources for governmental activities are Taxes (39.4%) and Charges for Services (17.7%). The largest uses of resources for governmental activities are Public Safety (42.6%) and Public Works (15.9%).

## Expenses by Program – Governmental Activities

## Business-type Activities

In the Statement of Revenues, Expenses, and Changes in Fund Net Position for Proprietary Funds, operating income (loss) of Business-type Activities increased by \$0.3 million. Net operating income for water increased by \$1.4 million, sewer decreased \$3.9 million, solid waste increased \$3.6 million.

## ***FUND FINANCIAL ANALYSIS***

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The focus of the City's Governmental Funds is to provide information on near-term inflows, outflows, and balances of spending resources. Such information is useful in assessing the City's financing requirements. The classification of spendable fund balances to committed, assigned, and unassigned, is intended to be helpful in measuring the resources available for spending at the end of the fiscal year. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At June 30, 2024, the City's governmental funds reported combined fund balances of \$264.2 million, which is an increase of \$39.4 million or 18.1% compared with the prior year. Governmental fund revenues were \$165 million this year, an increase of \$30.9 million, or 23.1%. The General Fund accounted for 44.3% of this revenue total. Expenditures were \$127.1 million this year. Of this total, \$71.2 million was in the General Fund, \$19.5 million was in other major funds and \$36.4 million was in non-major funds.

### ***General Fund***

General Fund revenues increased in FY 2023-24 by \$3.5 million or 5.1% as compared to FY 2022-23. Property taxes increased 7.7% and licenses and permits increased 25.8%. General Fund expenditures increased by \$6.6 million or 10.2% more than the prior year expenditures.

At June 30, 2024, the General Fund balance was comprised of \$1.1 million in non-spendable balances, \$0.4 million in restricted balances, \$30.5 million of assigned balances and \$15.6 million in unassigned balance. Fund balances have been classified in accordance with GAAP. While amounts have been categorized as unassigned, they may be informally earmarked by the City Council for specific purposes.

### ***Low and Moderate Income Housing Assets Fund***

On June 28, 2011 the State of California adopted ABx1 26, amended by AB 1484 on June 27, 2012, which dissolved redevelopment agencies as of January 31, 2012. All assets of the former RDA were transferred as prescribed by law to either the Housing Successor or to the Successor Agency.

The City of Manteca elected to become the Housing Successor and established the Low and Moderate Income Housing Assets Special Revenue Fund to account for the housing assets and activities previously provided by the Manteca Redevelopment Agency.

### ***Homeless Navigation Center Fund***

Established to account for the financing and construction activities associated with the regional low barrier emergency homeless shelter. Financing is provided by local, State, and Federal Grants.

Homeless Navigation Center Fund revenues increased by \$158 thousand or 189% as compared to FY 2022-23. Use of property and money increased by \$179 thousand and other revenue decreased by \$21 thousand. Expenses matched revenues thus leaving fund balance unchanged at June 30, 2024.

### **Recreation**

Funding for the Recreation Fund is provided through fees collected from those who participate in recreational activities offered by the city. Revenues for the Recreation Fund increased by \$27.6 thousand or 3%. While expenditures decreased by \$104.7 thousand or 6.5%. The increase in revenue is primarily due to investment earnings while the decrease in expenditures stems from lower part-time personnel costs.

### **Development Services**

Development Services Fund was established to record revenues and expenditures directly related to development services, including planning and building safety. Revenues increased by \$3.5 million or 53.7% as compared to FY 2022-23. Licenses and Permits increased by \$2.3 million or 47.7%. Charges for Services increased by \$661 thousand or 44.7%. Expenditures increased by \$953 thousand or 19.9%. \$912 thousand increase can be attributed to personnel expenditures. Due to the large increase in revenues and lower increase in expenditures, change in fund balance increased by \$4.3 million or 313%. The ending Development Services fund balance at June 30, 2024 was \$18 million.

### **Public Facilities Implementation Plan**

Development fees are collected in the areas designated by the Public Facilities Implementation Plan (PFIP) to finance the construction of future transportation and storm drainage infrastructure. The PFIP was updated in FY 2012-13 except for the transportation element which was completed in FY 2018-19. Total fund balance was \$51.5 million at year end an increase of 10.5% over the prior year. Revenues totaled \$12.8 million for the year and expenditures were \$7.9 million which includes \$7.5 million of capital outlay for construction projects in FY 2023-24.

### **State Gasoline Tax**

Established to account for the construction and maintenance of the street system in Manteca. Financing is provided by the City's share of state gasoline taxes and State of California under AB2928. The allocation from AB2928 must be spent on local streets and roads maintenance, rehabilitation and reconstruction projects according to the tax levied for that purpose by San Joaquin County.

Revenue in the State Gasoline Tax Fund remained relatively constant at \$2.5 million as compared to FY 2022-23. Expenditures increased by \$696 thousand. Streets and Highways were the major contributor to this increase at \$611 thousand. Repairs and Maintenance pavement increased \$142 thousand while salaries and benefits increased \$155 and \$168 thousand, respectively. Fund balance decreased by \$712 thousand to \$1.2 million at June 30, 2024.

### **Gas Tax SB1**

Established to account for the Road Maintenance and Rehabilitation Account that addresses deferred maintenance of the local street and road systems and is funded by the State of California. Revenues increased by \$519 thousand or 26.8%. while expenditures increased by \$1 million. This is due to the increase of capital outlay. Fund Balance at June 30, 2024 was \$7 million.

## **Enterprise Funds**

The City's Enterprise Funds provide the same type of information found in the Government-Wide Financial Statements, but in more detail. The City's Enterprise Funds are comprised of the Water Fund, the Sewer Fund, the Solid Waste Fund, the Golf Fund and the Transit Fund. Enterprise Fund net position totaled \$317 million at June 30, 2024. Enterprise operating revenues were \$75.1 million and operating expenses were \$74.0 million in fiscal year 2023-24.

### **Water Fund**

The net position of the Water Fund is \$109.1 million, consisting of \$45.9 million unrestricted funds and a net investment in capital assets of \$63.3 million at the end of the fiscal year.

Activities for the year were comprised of \$24.5 million in operating revenues for the current year and \$23.7 million in operating expenses. Charges for services showed an increase of 29.9% as compared to the prior year. Operating expenses increased by 21.7% from fiscal year 2022-23. The largest operational increase was Supplies and Other Expenses, which increased by 46.3% due primarily to supplies related to public works SSJID Surface Water and the purchase of water meters and boxes.

### **Sewer Fund**

The net position of the Sewer Fund is \$196.6 million for the current year. Of the \$196.6 million, \$154.5 million of the fund's net position is invested in capital assets with \$42.1 million unrestricted. Operating revenues for the year were \$27.8 million, an increase of 6.4% from the prior year. Operating expenses increased by \$6 million or 26.8% over the prior year. Supplies and Other Expenses, and Contractual Services experienced the largest increase year over year, a combined total increase of \$4.8 million, or 217.6%.

### **Solid Waste Fund**

Operating revenues for FY 2023-24 totaled \$21.2 million, an increase of 29.6% over the prior year. Operating expenses were \$18 million an increase of 7.4% from the prior year, leaving the fund with a net operating income of \$3.2 million for the year. Net position of the Solid Waste Fund is \$3.8 million, of which \$5.2 million is invested in capital assets and \$(1.4) million is unrestricted. Long-term liabilities total \$14.3 million, with \$9.4 million for net pension liability and \$4.6 million for total OPEB liability. These long-term liabilities result in a negative unrestricted net position.

### **Golf Fund**

The operating revenue for this fund totaled \$1.6 million as of June 30, 2024, an increase of 2.8%. Operating expenses totaled \$1.7 million, an increase of 1.1% from the prior year. Net position of the Golf Fund is \$0.3 million, of which \$2.1 million is invested in capital assets and \$(1.8) million is unrestricted. The General Fund has subsidized this fund when necessary, but there was no subsidy in fiscal year 2024.

### **Transit Fund**

The operating revenue for this fund totaled \$0.1 million as of June 30, 2024. Operating expenses totaled \$4.2 million. Net position of the Transit Fund is \$5.5 million, of which \$6.1 million is invested in capital assets and \$(0.5) million is unrestricted.

### **GENERAL FUND BUDGETARY HIGHLIGHTS**

The final amended budget for the General Fund totaled \$68.9 million in revenues, \$72.9 million in expenditures, with expenditures exceeding revenues by \$3.9 million. The difference between the original budget and the final amended budget was a decrease in revenues of \$0.1 million and an increase in expenditures of \$5.9 million. Charges for current services accounted for the decrease in revenues, while a variety of departmental charges accounted for the increase in expenditures, the largest being public safety and capital outlay.

General Fund revenues in total exceed their final budgeted forecasts by \$4.1 million. Property taxes, Sales taxes and other taxes exceeded their final budgeted forecasts by a combined total of \$2.6 million, while Fines and forfeitures were under budget forecasts by \$0.04 million. Use of money and property, charges for current services and other revenue account for the majority of the remaining variance. At the end of the fiscal year, the total actual expenditures of the General Fund were \$71.2 million which was \$1.7 million less than the total final amended budget.

## CAPITAL ASSETS

At the end of FY 2023-24, the City had \$751.4 million, net of depreciation, invested in a broad range of capital assets used in governmental and business type activities as outlined in Note 7.

	Governmental Activities		Business-Type Activities		Total Government

\*1 - Restated for the correction of depreciation discussed in Note 9E

## DEBT SERVICE ADMINISTRATION

Each of the City's debt issuances is discussed in detail in Note 8. At the end of the year, the City had zero long-term outstanding debt associated with Governmental Activities and \$53.3 million in debt associated with Business-type Activities. Debt in the Business-type Activities are related to the Sewer and Water Revenue bonds.

<b>CITY OF MANTECA</b>
------------------------

<b>STATEMENT OF NET POSITION AND STATEMENT OF ACTIVITIES</b>
--

The Statement of Net Position and the Statement of Activities summarize the entire City's financial activities and financial position.

The Statement of Net Position reports the difference between the City's total assets and deferred outflows of resources and the City's total liabilities and deferred inflows of resources, including all the City's capital assets and all its long-term debt. The Statement of Net Position summarizes the financial position of all of the City's Governmental Activities in a single column, and the financial position of all of the City's Business-type Activities in a single column; these columns are followed by a Total column that presents the financial position of the entire City.

The City's Governmental Activities include the activities of its General Fund, along with all its Special Revenue, Capital Projects and Debt Service Funds. Since the City's Internal Service Funds service these Funds, their activities are consolidated with Governmental Activities, after eliminating inter-fund transactions and balances. The City's Business-type Activities include all its Enterprise Fund activities.

The Statement of Activities reports increases and decreases in the City's net position. It is also prepared on the full accrual basis, which means it includes all the City's revenues and all its expenses, regardless of when cash changes hands. This differs from the "modified accrual" basis used in the Fund financial statements, which reflect only current assets, current liabilities, deferred outflows/inflows of resources, available revenues and measurable expenditures.

The Statement of Activities presents the City's expenses first, listed by program, followed by the expenses of its business-type activities. Program revenues—that is, revenues which are generated directly by these programs—are then deducted from program expenses to arrive at the net expense of each governmental and business-type program. The City's general revenues are then listed in the Governmental Activities or Business-type Activities column, as appropriate, and the Change in Net Position is computed and reconciled with the Statement of Net Position.

Both of these Statements include the financial activities of the City and the Manteca Financing Authority, which is legally separate but is a component unit of the City because it is controlled by the City, which is financially accountable for the activities of this entity.

CITY OF MANTECA

<b>FUND FINANCIAL STATEMENTS</b>
----------------------------------

<b>MAJOR GOVERNMENTAL FUNDS</b>
---------------------------------

The funds described below were determined to be Major Funds by the City in fiscal 2024. Individual non-major funds may be found in the Supplemental Section.

***GENERAL FUND***

The General Fund is used for all the general revenues of the City not specifically levied or collected for other City funds and the related expenditures. The General Fund accounts for all financial resources of a governmental unit which are not accounted for in another fund.

***LOW AND MODERATE INCOME HOUSING ASSETS FUND***

Established to account for revenues and expenditures as a result of the activities related to the housing assets assumed by the City as Housing Successor to the former Redevelopment Agency. The activities are governed by California redevelopment law and must be used to provide housing for people with low and moderate incomes.

***HOMELESS NAVIGATION CENTER FUND***

Established to account for the financing and construction activities associated with the regional low barrier emergency homeless shelter. Financing is provided by local, State and Federal Grants.

***RECREATION FUND***

Established to account for the operations of the City's recreation program. Funding of these programs is provided through fees collected from those who participate in recreational activities.

***DEVELOPMENT SERVICES FUND***

Established to record revenues and expenditures directly related to development services, including planning and building safety.

***PUBLIC FACILITIES IMPLEMENTATION PLAN FUND***

This fund was initially established to account for the costs incurred for the development of a Public Facilities Implementation Plan. This fund accounts for the developer impact fees collected and expended in the construction of the drainage and transportation elements of the Plan. The sewer and water developer impact fees collected and expended in connection with the Plan are accounted for in their respective Enterprise Funds.

***STATE GASOLINE TAX FUND***

Established to account for the construction and maintenance of the street system in Manteca. Financing is provided by the City's share of state gasoline taxes and State of California under AB2928. The allocations from AB2928 must be spent on local streets and roads maintenance, rehabilitation and reconstruction projects according to the tax levied for that purpose by San Joaquin County.

***GAS TAX SBI FUND***

Established to account for the Road Maintenance and Rehabilitation Account that addresses deferred maintenance of the local street and road systems and is funded by the State of California.

CITY OF MANTECA  
Reconciliation of the  
GOVERNMENTAL FUNDS-BALANCE SHEET  
with the  
GOVERNMENTAL ACTIVITIES NET POSITION  
JUNE 30, 2024

Total fund balances reported on the Governmental Funds Balance Sheet	\$264,266,682
--	---------------

Amounts reported for Governmental Activities in the Statement of Net Position are different from those reported in the Governmental Funds above because of the following:

CAPITAL ASSETS

Capital assets used in Governmental Activities are not current assets or financial resources and therefore are not reported in the Governmental Funds.	464,643,232
--	-------------

ALLOCATION OF INTERNAL SERVICE FUND NET POSITION

Internal service funds are not governmental funds. However, they are used by management to charge the costs of certain activities, such as insurance and central services and maintenance to individual governmental funds. The net current assets of the Internal Service Funds are therefore included in Governmental Activities in the following line items in the Statement of Net Position.

Cash and investments	9,274,287
Accounts receivable	18,142
Prepaid items	26,544
Capital assets, not being depreciated	1,170,740
Capital assets (net of accumulated depreciation)	1,150,227
Contracts and accounts payable	(645,794)
Accrued liabilities	(19,221)
Refundable deposits	(808)
Estimated claims liability	(1,349,587)
Net pension liability and deferred outflows/inflows related to pensions	(3,062,462)
Total OPEB liability and deferred outflows/inflows related to OPEB	(763,220)
Long-term debt	(742,412)

ACCRUAL OF NON-CURRENT REVENUES AND EXPENSES

Revenues which are unavailable on the Fund Balance Sheets because they are not available currently are taken into revenue in the Statement of Activities.	33,977,276
---	------------

LONG-TERM ASSETS AND LIABILITIES

The assets and liabilities below are not due and payable in the current period and therefore are not reported in the Funds:

Long-term debt, including leases and subscription-based information technology arrangements	(563,629)
Net pension liability and deferred outflows/inflows related to pensions	(72,379,106)
Total OPEB liability and deferred outflows/inflows related to OPEB	(26,096,337)
Compensated absences	(6,142,230)
Interest payable (accrued liabilities)	(5,164)
Contracts payable	(8,109,998)
Allowance for conditional grants	(928,323)

NET POSITION OF GOVERNMENTAL ACTIVITIES	\$653,718,839
---	---------------

CITY OF MANTECA  
Reconciliation of the  
NET CHANGE IN FUND BALANCES - GOVERNMENTAL FUNDS  
with the  
CHANGE IN NET POSITION - GOVERNMENTAL ACTIVITIES  
FOR THE YEAR ENDED JUNE 30, 2024

The schedule below reconciles the Net Change in Fund Balances reported on the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balance, which measures only changes in current assets and current liabilities on the modified accrual basis, with the Change in Net Position of Governmental Activities reported in the Statement of Activities, which is prepared on the full accrual basis.

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS \$39,430,671

Amounts reported for governmental activities in the Statement of Activities  
are different because of the following:

CAPITAL ASSETS TRANSACTIONS

Governmental Funds report capital outlays as expenditures. However,  
in the Statement of Activities the cost of those assets is capitalized and allocated over  
their estimated useful lives and reported as depreciation expense.

Capitalized expenditures are therefore added back to fund balance	24,749,717
Depreciation expense is deducted from the fund balance	
(Depreciation expense is net of internal service fund depreciation	
of \$398,862 which has already been allocated to serviced funds)	(17,986,966)
Contributions of infrastructure and improvements by developers are capitalized in the	
Statement of Activities, but are not recorded in the Fund Statements because	
no cash changed hands.	18,489,235
Retirements are deducted from fund balance	(205,039)

LONG-TERM DEBT ISSUANCE AND PAYMENTS

Bond proceeds provide current financial resources to governmental funds, but issuing debt increases  
long-term liabilities in the Statement of Net Position. Repayment of bond principal is an expenditure in the  
governmental funds, but in the Statement of Net Position the repayment reduces long-term liabilities.

Issuance of debt (subscription liabilities) is deducted from fund balance	(446,372)
Repayment of debt principal is added back to fund balance	318,346

ACCRUAL OF NON-CURRENT ITEMS

The amounts below included in the Statement of Activities do not provide (or require) the use of  
current financial resources and therefore are not reported as revenue or expenditures in  
governmental funds (net change):

Unavailable revenue	(12,751,134)
Contracts and accounts payable	2,081,423
Compensated absences	1,363,556
Interest payable	(3,372)
Allowance for conditional grants	(40,499)
Net pension liability and deferred outflows/inflows related to pensions	(6,507,127)
Total OPEB liability and deferred outflows/inflows related to OPEB	177,392

ALLOCATION OF INTERNAL SERVICE FUND ACTIVITY

Internal Service Funds are used by management to charge the costs of certain activities,  
such as equipment acquisition, maintenance, and insurance to individual funds.  
The portion of the net revenue (expense) of these Internal Service Funds arising out  
of their transactions with governmental funds is reported with governmental activities,  
because they service those activities.

Change in Net Position - All Internal Service Funds	669,201
---	---------

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	\$49,339,032

<b>MAJOR PROPRIETARY FUNDS</b>
--------------------------------

Proprietary funds account for City operations financed and operated in a manner similar to a private business enterprise. The intent of the City is that the cost of providing goods and services be financed primarily through user charges. The City has determined all of its enterprise funds to be major funds in fiscal 2024, as identified below.

***WATER FUND***

Accounts for the provision of water services to residents of the City. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance and billing and collection.

***SEWER FUND***

Accounts for the provision of sewer services to residents of the City and some residents of the County. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, financing and related debt service, and billing and collection.

***SOLID WASTE FUND***

Accounts for the provision of solid waste collection services to residents of the City. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, financing and related debt service, and billing and collection.

***GOLF FUND***

Accounts for the operations of the City's municipal golf course. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, financing and related debt service, and billing and collection.

***TRANSIT FUND***

Established to account for all funding received (federal, state, and local transportation) associated with the formation and operation of a city managed public transit system.

<b>FIDUCIARY FUNDS</b>
------------------------

***FIDUCIARY FUNDS***

These funds are used to account for assets held by the City as an agent for individuals, private organizations, and other governments. The financial activities of these funds are excluded from the City-wide financial statements, but are presented in separate Fiduciary Fund financial statements.

***SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY PRIVATE-PURPOSE TRUST FUND***

The Fund is used to account for the activities of the Successor Agency to the former Manteca Redevelopment Agency.

***CFD 2023-1 VILLA TICINO WEST CUSTODIAL FUND***

This fund is used to account for Community Facilities District 2023-1, Villa Ticino West, special assessment collections and debt service payments.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The City of Manteca was incorporated as a general law city on May 28, 1918. The City operates under the Council-Manager form of government and provides the following services: public safety (police and fire), highways and streets, sanitation, water, solid waste, culture-recreation, public improvements, planning and zoning, general administration services, and redevelopment.

**A. *Reporting Entity***

The accompanying basic financial statements of the City of Manteca include the financial activities of the City as well as the Manteca Financing Authority, which is controlled by and dependent on the City. While this is a separate legal entity, City Council serves in separate session as its governing body and its financial activities are integral to those of the City. The financial activities have been aggregated and merged (termed “blended”) with those of the City in the accompanying financial statements.

The **Manteca Financing Authority** is a separate government entity whose purpose is to assist with the financing or refinancing of certain public capital facilities within the City. The Authority has the power to purchase bonds issued by any local agency at public, or negotiated sale, and may sell such bonds to public or private purchasers at public, or negotiated sale. The Authority is controlled by the City and has the same governing body as the City, which also performs all accounting and administrative functions for the Authority. The financial activities of the Authority are included in the Sewer Enterprise Fund. Financial statements for the Manteca Financing Authority component unit may be obtained from the City of Manteca at 1001 West Center Street, Manteca, California, 95337.

The **City of Manteca Housing Authority**, formed in February 2011, is a separate government entity whose purpose is to assist with the housing for the City’s low and moderate income residents. The Housing Authority is controlled by the City and has the same governing body as the City, which also performs all accounting and administrative functions for the Housing Authority. The Housing Authority did not undertake any transactions during fiscal year 2024. Separate financial statements are not issued for the City of Manteca Housing Authority.

The financial statements of the City of Manteca Recreational Facilities, Inc. are excluded from the City’s basic financial statements because the City does not control the Corporation’s daily operations or operating budgets and because the Corporation has provided its own capital.

**B. *Basis of Presentation***

The City’s basic financial statements are prepared in conformity with accounting principles generally accepted in the United States of America. The Government Accounting Standards Board is the acknowledged standard setting body for establishing accounting and financial reporting standards followed by governmental entities in the United States of America.

These Standards require that the financial statements described below be presented.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Government-wide Statements:** The Statement of Net Position and the Statement of Activities display information about the primary government (the City and its blended component units). These statements include the financial activities of the overall City government, except for fiduciary activities. Eliminations have been made to minimize the double counting of internal activities, except for interfund services provided and used. Interfund services provided and used are not eliminated in the process of consolidation. These statements distinguish between the *governmental* and *business-type activities* of the City. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The Statement of Activities presents a comparison between direct expenses and program revenues for each segment of the business-type activities of the City and for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs, (b) grants and contributions that are restricted to meeting the operational needs of a particular program and (c) fees, grants and contributions that are restricted to financing the acquisition or construction of capital assets. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

**Fund Financial Statements:** The fund financial statements provide information about the City's funds, including fiduciary funds and blended component units. Separate statements for each fund category—*governmental*, *proprietary*, and *fiduciary*—are presented. The emphasis of fund financial statements is on major individual governmental and enterprise (proprietary) funds, each of which is displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds.

Proprietary fund *operating* revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. *Nonoperating* revenues, such as subsidies and investment earnings, result from nonexchange transactions or ancillary activities.

**C. Major Funds**

Major funds are defined as funds that have either assets and deferred outflows of resources, liabilities and deferred inflows of resources, revenues or expenditures/expenses equal to ten percent of their fund-type total and five percent of the grand total. Major governmental and business-type funds are identified and presented separately in the fund financial statements. All other funds, called non-major funds, are combined and reported in a single column, regardless of their fund-type. The General Fund is always a major fund. The City may also select other funds it believes should be presented as major funds.

The City reported the following major governmental funds in the accompanying financial statements:

**GENERAL FUND** - The General Fund is used for all the general revenues of the City not specifically levied or collected for other City funds and the related expenditures. The General Fund accounts for all financial resources of a governmental unit which are not accounted for in another fund.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**LOW AND MODERATE INCOME HOUSING ASSETS FUND** - Established to account for revenues and expenditures as a result of the activities related to the housing assets assumed by the City as Housing Successor to the former Redevelopment Agency and the revenues and expenditures related to the low and moderate income housing program. The activities are governed by California redevelopment law and must be used to provide housing for people with low and moderate incomes.

**HOMELESS NAVIGATION CENTER FUND** - Established to account for the financing and construction activities associated with the regional low barrier emergency homeless shelter. Financing is provided by local, State and Federal Grants.

**RECREATION FUND** - Established to account for the operations of the City's recreation program. Funding of these programs is provided through fees collected from those who participate in recreational activities.

**DEVELOPMENT SERVICES FUND** - Established to record revenues and expenditures directly related to development services, including planning and building safety.

**PUBLIC FACILITIES IMPLEMENTATION PLAN FUND** - Established to account for the costs incurred for the development of a Public Facilities Implementation Plan. This fund accounts for the developer impact fees collected and expended in the construction of the drainage and transportation elements of the Plan. The sewer and water developer impact fees collected and expended in connection with the Plan are accounted for in their respective Enterprise Funds.

**STATE GASOLINE TAX FUND** - Established to account for the construction and maintenance of the street system in Manteca. Financing is provided by the City's share of state gasoline taxes and State of California under AB2928. The allocations from AB2928 must be spent on local streets and roads maintenance, rehabilitation and reconstruction projects according to the tax levied for that purpose by San Joaquin County.

**GAS TAX SBI FUND** - Established to account for the Road Maintenance and Rehabilitation Account that addresses deferred maintenance of the local street and road systems and is funded by the State of California.

The City reported all its enterprise funds as major funds in the accompanying financial statements:

**WATER FUND** - Accounts for the provision of water services to residents of the City. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, billing and collection. The water developer impact fees collected and expended in connection with the Public Facilities Implementation Plan are also accounted for in this fund.

**SEWER FUND** - Accounts for the provision of sewer services to residents of the City and some residents of the County. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, financing and related debt service, billing and collection. The sewer developer impact fees collected and expended in connection with the Public Facilities Implementation Plan are also accounted for in this fund.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**SOLID WASTE FUND** - Accounts for the provision of solid waste collection services to residents of the City. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, financing and related debt service, billing and collection.

**GOLF FUND** - Accounts for the operations of the City's municipal golf course. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, capital improvements, maintenance, financing and related debt service, billing and collection.

**TRANSIT FUND** - Established to account for all funding received (federal, state, and local transportation) associated with the formation and operation of a city managed public transit system.

The City also reports the following fund types:

**Internal Service Funds.** The funds account for vehicle, equipment and insurance; all of which are provided to other departments on a cost-reimbursement basis.

**Fiduciary Funds.** Fiduciary Funds are used to account for assets held by the City as an agent for individuals, private organizations, and other governments. The Successor Agency to the Manteca Redevelopment Agency Private-Purpose Trust Fund accounts for the accumulation of resources to be used for payments at appropriate amounts and times in the future. Custodial funds are used to account for assets held by the City for the Community Facilities District 2023-1. The financial activities of these funds are excluded from the government-wide financial statements, but are presented in the separate Fiduciary Fund financial statements.

**D. Basis of Accounting**

The government-wide, proprietary fund and fiduciary fund financial statements are reported using the *economic resources measurement focus* and the full *accrual basis* of accounting. Revenues are recorded when *earned* and expenses are recorded at the time liabilities are *incurred*, regardless of when the related cash flows take place.

Governmental funds are reported using the *current financial resources* measurement focus and the *modified accrual* basis of accounting. Under this method, revenues are recognized when *measurable* and *available*. The City considers all revenues reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on long-term debt, including lease liabilities and subscription liabilities, as well as claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. Governmental capital asset acquisitions, including entering into contracts giving the City the right to use leased assets and right-to-use subscription assets, are reported as *expenditures* in governmental funds. Proceeds of governmental long-term debt and acquisitions under financing through leases are reported as *other financing sources*.

*Non-exchange transactions*, in which the City gives or receives value without directly receiving or giving equal value in exchange, include taxes, grants, entitlements, and donations. On the accrual basis, revenue from taxes is recognized in the fiscal year for which the taxes are levied or assessed. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. In addition, contributions from state and federal agencies, developers and others are recorded as revenue.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The City may fund programs with a combination of cost-reimbursement grants, categorical block grants, and general revenues. Thus, both restricted and unrestricted net position may be available to finance program expenditures. The City's policy is to first apply restricted resources to such programs, followed by general revenues if necessary.

Certain indirect costs are included in program expenses reported for individual functions and activities.

Those revenues susceptible to accrual are intergovernmental revenues, use of money and property revenue, charges for services and fines and penalties. Sales taxes collected and held by the State at year-end on behalf of the City also are recognized as revenue.

Expenditures are also generally recognized under the modified accrual basis of accounting. An exception to this rule is principal and interest on long-term debt, which is not recognized by debt service funds until it is due. Financial resources usually are appropriated in funds responsible for repaying debt for transfer to a debt service fund in the period in which maturing debt principal and interest must be paid. Thus, the liability is recognized by the fund responsible for paying the debt, not the debt service fund.

***E. Revenue Recognition for Water, Sewer and Solid Waste***

Revenues are recognized based on cycle billings rendered to customers. Revenues for services provided but not billed at the end of a fiscal period are not material and are not accrued.

***F. Property Tax***

San Joaquin County assesses properties, and it bills, collects, and distributes property taxes to the City. The County remits the entire amount levied and handles all delinquencies, retaining interest and penalties. Secured and unsecured property taxes are levied on January 1 of the preceding fiscal year.

Secured property tax is due in two installments, on November 1 and March 1, and becomes a lien on those dates. It becomes delinquent on December 10 and April 10, respectively. Unsecured property tax is due on July 1, and becomes delinquent on August 31. Collection of delinquent accounts is the responsibility of the county, which retains all penalties collected.

The term "unsecured" refers to taxes on personal property other than real estate, land and buildings. These taxes are secured by liens on the property being taxed. Property tax revenues are recognized by the City in the fiscal year they are assessed, provided they become available as defined above.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**G. *Compensated Absences***

The liability for compensated absences includes the vested portions of vacation, sick leave and compensated time off, administrative leave and furlough for Safety. For governmental funds, a liability for these amounts is recorded only if they have matured, for example, as a result of employee resignations and retirements. The remaining amounts are reported as a liability in the Statement of Net Position. Proprietary funds' liability for compensated absences is recorded in each proprietary fund. The liability for compensated absences is determined annually.

Changes in compensated absences were as follows:

Beginning Balance	\$7,505,786
Additions	4,287,429
Payments	<u>(3,751,146)</u>
Ending Balance	<u><u>\$8,042,069</u></u>
Current Portion	<u><u>\$4,825,241</u></u>

Compensated absences in enterprise funds are liquidated by the fund that has recorded the liability. The long-term portion of the governmental activities compensated absences is liquidated primarily by the General Fund.

**H. *Deferred Outflows/Inflows of Resources***

In addition to assets, the statement of net position or balance sheet reports a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has two items that qualify for reporting in this category. The City has deferred outflows of resources related to pensions and Other Post-Employment Benefits (OPEB) as discussed in Notes 10 and 11.

In addition to liabilities, the statement of net position or balance sheet reports a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets or fund balance that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The City has one item, which arises under the modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, the item, unavailable revenue, is only reported in the governmental funds balance sheet. The governmental funds report unavailable revenues from three sources: accounts receivable, notes receivable and leases. The City also has deferred inflows of resources which arise under the full accrual basis of accounting related to pensions and OPEB as discussed in Notes 10 and 11 and leases discussed in Note 14. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***I. Fair Value Measurements***

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 inputs are inputs – other than quoted prices included within level 1 – that are observable for an asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for an asset or liability.

If the fair value of an asset or liability is measured using inputs from more than one level of the fair value hierarchy, the measurement is considered to be based on the lowest priority level input that is significant to the entire measurement.

***J. Prepaids and Deposits***

Certain payments to vendors reflect costs applicable to future fiscal years and are recorded as prepaid items in both government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

Prepaids and deposits in governmental funds are equally offset by nonspendable fund balance which indicates that they do not constitute available spendable resources even though they are a component of net current assets.

***K. Estimates and Assumptions***

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

***L. New and Recategorized Funds***

The Payroll Tax Benefit Internal Service Fund was closed to the General Fund as of July 1, 2023.

The CFD 2023-1 Villa Ticino West Custodial Fund was established during fiscal year 2024 to account for Community Facilities District 2023-1, Villa Ticino West, special assessment collections and debt service payments.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 2 - BUDGETS AND BUDGETARY ACCOUNTING**

**A. *Budgeting Procedures***

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

1. The City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed expenditures and the means of financing them.
2. Public hearings are conducted to obtain taxpayer comments.
3. The budget is legally enacted through the adoption of a resolution.
4. All budget adjustments are approved by the City Council. Expenditures may not legally exceed budgeted appropriations at the Fund level for all funds.
5. Budgets are adopted for all funds other than some Fiduciary Funds.
6. Formal budgetary integration is employed as a management control device during the year in all funds.
7. Budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP).

**B. *Encumbrances***

Under encumbrance accounting, purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation. Encumbrance accounting is employed as an extension of formal budgetary integration in all budgeted funds. Encumbrances outstanding at year end are reported as a restriction, commitment or assignment of fund balances since they do not constitute expenditures or liabilities and are reappropriated in the following year. Unexpended appropriations lapse at year end and must be reappropriated in the following year.

**C. *Expenditures in Excess of Appropriations***

The following funds incurred expenditures in excess of appropriations. Sufficient resources were available within each fund to finance these excesses:

Fund	Excess of Expenditures Over Appropriations
<b>Special Revenue Funds:</b>	
Community Development Block Grant	\$28,224
Police Grants	20,753
Public Safety Sales Tax	91,788
<b>Capital Improvement Funds:</b>	
Public Facilities Implementation Plan	4,093,364
Fire Facilities Fee	1,579
Special Apportionment Streets	77,262

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 3 - CASH AND INVESTMENTS**

The City's dependence on property tax receipts, which are received semi-annually, requires it to maintain significant cash reserves to finance operations during the remainder of the year. The City pools cash from all sources and all funds except Cash with Fiscal Agents so that it can be invested at the maximum yield, consistent with safety and liquidity, while individual funds can make expenditures at any time. Investments are carried at fair value.

**A. Policies**

The City invests in individual investments and in investment pools. Individual investments are evidenced by specific identifiable pieces of paper called *securities instruments*, or by an electronic entry registering the owner in the records of the institution issuing the security, called the *book entry* system. In order to maximize security, the City employs the Trust Department of a bank as the custodian of all City managed investments, regardless of their form.

California Law requires banks and savings and loan institutions to pledge government securities with a market value of 110% of the City's cash on deposit or first trust deed mortgage notes with a value of 150% of the City's cash on deposit as collateral for these deposits. Under California Law this collateral is held in an investment pool by an independent financial institution in the City's name and places the City ahead of general creditors of the institution pledging the collateral.

The City's investments are carried at fair value, as required by generally accepted accounting principles. The City adjusts the carrying value of its investments to reflect their fair value at each fiscal year end, and it includes the effects of these adjustments in income for that fiscal year.

**B. Classification**

Cash and investments as of June 30, 2024 are classified in the financial statements as shown below, based on whether or not their use is restricted under the terms of City debt instruments or Agency agreements.

Cash and investments available for City operations	\$421,456,828
Restricted cash and investments	19,115,747
Total City cash and investments of primary government	440,572,575
Cash and investments in Fiduciary Funds	10,320,703
Restricted cash and investments in Fiduciary Funds	565,998
Total cash and investments	<u>\$451,459,276</u>

Cash and investments as of June 30, 2024 consist of the following:

Cash on hand	\$2,550
Deposits with financial institutions	131,263,640
Investments	320,193,086
Total cash and investments	<u>\$451,459,276</u>

Cash and investments are used in preparing Proprietary Fund statements of cash flows because these assets are highly liquid and are expended to liquidate liabilities arising during the year.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 3 - CASH AND INVESTMENTS (Continued)**

**C. Investments Authorized by the California Government Code and the City's Investment Policy**

The City's Investment Policy and the California Government Code allow the City to invest in the following, provided the credit ratings of the issuers are acceptable to the City, and approved percentages and maturities are not exceeded. The table below also identifies certain provisions of the California Government Code or the City's Investment Policy where it is more restrictive:

Authorized Investment Type	Maximum Maturity	Minimum Credit Quality	Maximum Percentage of Portfolio	Maximum Investment in One Issuer
United States Treasury Bills, Bonds and Notes	5 years	None	100%	No Limit
Federal Agency or United States Government-Sponsored Enterprise Obligations	5 years	None	100%	No Limit
Mortgage Pass Through Federal Agency Securities	5 years	None	20%	No Limit
California State and Local Agency Obligations	5 years	A	(1)	No Limit
Other State Obligations	5 years	A	(1)	No Limit
Bankers' Acceptances	180 days	Highest Category	40%	5% (2)
Commercial Paper	270 days	Highest Category	40%	5% (3)
Negotiable Certificates of Deposit	5 years	A	30%	5% (2)
Repurchase Agreements	90 days	None	100%	5% (2)
Local Agency Investment Fund	n/a	None	\$75 million/account	\$75 million/account
Time Certificates of Deposit	5 years	None	25%	5% (2)
Medium-Term Corporation Notes	5 years	A	30%	5% (3)
Money Market Funds	n/a	Highest Category	100%	5% (2)
Local Government Investment Pools	n/a	None	50%	5% (2)
Supranationals	5 years	AA	30%	No Limit
Asset-Backed Securities	5 years	AA	20%	No Limit

- (1) Total investments in California State and Local Agency Obligations and Other State Obligations may not exceed 30% of the City's total portfolio.
- (2) Total value invested in any one issuer may not exceed 5% of the issuer's net worth.
- (3) Total value invested in any one issuer may not exceed 5% of the outstanding commercial paper and the medium term notes of any single issuer.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 3 - CASH AND INVESTMENTS (Continued)**

***D. Investments Authorized by Debt Agreements***

The City and Successor Agency must maintain required amounts of cash and investments with trustees or fiscal agents under the terms of certain debt issues. These funds are unexpended bond proceeds or are pledged reserves to be used if the City or Successor Agency fails to meet the obligations under these debt issues. The California Government Code requires these funds to be invested in accordance with City resolutions, bond indentures or State statutes. The table below identifies the investment types and their minimum credit ratings that are authorized for investments held by fiscal agents. The bond indentures contain no limitations for the maximum investment in any one issuer or the maximum percentage of the portfolio that may be invested in any one investment- type.

Authorized Investment Type	Maximum Maturity	Minimum Credit Quality
United States Treasury Bill, Bonds, Notes	5 years	N/A
United States Government Agency Obligations	5 years	N/A
Bankers' Acceptances	30 days to 1 year	A-1
Commercial Paper	270 days to 1 year	A-1
Certificates of Deposit	30 days to 5 years	None to A
Repurchase Agreements	None to 30 days	A-1
Local Agency Investment Fund	n/a	Not rated
Money Market Funds	n/a	AA-m
Investment Agreements	None	None to AA
State and Municipal Bonds, Notes	None	Two Highest Categories

***E. Interest Rate Risk***

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Normally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The City generally manages its interest rate risk by holding investments to maturity.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 3 - CASH AND INVESTMENTS (Continued)**

Information about the sensitivity of the fair values of the City's investments (including investments held by bond trustees) to market interest rate fluctuations is provided by the following table that shows the distribution of the City's investments by maturity or earliest call date:

Investment Type	12 Months or less	13 to 24 Months	25 to 36 Months	36 to 60 Months	Total
<i>Held by City:</i>					
U.S. Treasury Notes		\$19,768,916	\$43,743,714		\$63,512,630
Mortgage Pass Through Federal Agency Securities	\$3,931,429	5,845,952	5,586,619	\$1,523,441	16,887,441
Medium Term Corporate Notes:					
Callable	5,472,590	6,458,393	7,261,757	814,095	20,006,835
Non-Callable	1,133,540	8,170,155	6,806,022		16,109,717
Negotiable Certificates of Deposit		2,865,604	3,340,288		6,205,892
California Local Agency Investment Fund	69,294,077				69,294,077
Asset-Backed Securities		1,682,570	10,326,834	16,236,327	28,245,731
Municipal Bonds	1,055,760	379,109			1,434,869
California Asset Management Program	46,549,024				46,549,024
Money Market Mutual Funds (U.S. Securities)	44,168				44,168
<i>Held by Trustees:</i>					
Money Market Mutual Funds (U.S. Securities)	51,902,702				51,902,702
Total Investments	<u>\$179,383,290</u>	<u>\$45,170,699</u>	<u>\$77,065,234</u>	<u>\$18,573,863</u>	<u>\$320,193,086</u>

The City is a participant in the Local Agency Investment Fund (LAIF) that is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. The City reports its investment in LAIF at the fair value amount provided by LAIF, which is the same as the value of the pool share. The balance is available for withdrawal on demand, and is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. Each regular LAIF account is permitted to have up to 15 transactions per month, with a minimum transaction amount of \$5,000, a maximum transaction amount of \$75 million and at least 24 hours advance notice for withdrawals of \$10 million or more. Bond proceeds accounts are subject to a one-time deposit with no cap and are set up with a monthly draw down schedule. Included in LAIF's investment portfolio are collateralized mortgage obligations, mortgage-backed securities, other asset-backed securities, loans to certain state funds, and floating rate securities issued by federal agencies, government-sponsored enterprises, United States Treasury Notes and Bills, and corporations. At June 30, 2024, these investments have an average maturity of 217 days.

The City is a participant in the California Asset Management Program (CAMP). CAMP is an investment pool offered by the California Asset Management Trust (the Trust). The Trust is a joint powers authority and public agency created by the Declaration of Trust and established under the provisions of the California Joint Exercise of Powers Act (California Government Code Sections 6500 et seq., or the "Act") for the purpose of exercising the common power of CAMP participants to invest certain proceeds of debt issues and surplus funds. CAMP investments are limited to investments permitted by subdivisions (a) to (n), inclusive, of Section 53601 of the California Government Code. The City reports its investments in CAMP at the fair value amounts provided by CAMP, which is the same as the value of the pool share in accordance with GASB 79 requirements. At June 30, 2024, the fair value was approximate to the City's cost. At June 30, 2024, these investments had an average maturity of 38 days.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 3 - CASH AND INVESTMENTS (Continued)**

The City, as a CAMP shareholder, may withdraw all or any portion of the funds in its CAMP account at any time by redeeming shares. The CAMP Declaration of Trust permits the CAMP trustee to suspend the right of withdrawal from CAMP or to postpone the date of payment of redemption proceeds if the New York Stock Exchange is closed other than for customary weekend and holiday closings, if trading on the New York Stock Exchange is restricted, or if, in the opinion of the CAMP trustees, an emergency exists such that disposal of the CAMP pool securities or determination of its net asset value is not reasonably practicable. If the right of withdrawal is suspended, the City may either withdraw its request for that withdrawal or receive payment based on the net asset value of the CAMP pool next determined after termination of the suspension of the right of withdrawal.

Money market funds are available for withdrawal on demand and at June 30, 2024, have a weighted average maturity of 6 days.

**F. Credit Risk**

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the actual rating as of June 30, 2024 for each investment type as provided by Standard and Poor's investment rating system, except as noted.

Investment Type	Standard and Poor's			Moody's			Total
	AAAm/AAA	AA+/AA/AA-	A+/A/A-	Aaa	Aa1	A1/A2/A3	
<b>Held by City:</b>							
Mortgage Pass Through Federal Agency Securities		\$16,887,441					\$16,887,441
Medium Term Corporate Notes:							
Callable		2,956,864	\$18,414,433			\$1,394,664	22,765,961
Non-Callable		5,529,564	7,197,872			623,155	13,350,591
Negotiable Certificates of Deposit		1,432,211	4,773,681				6,205,892
Asset-Backed Securities	\$19,872,413			\$8,373,318			28,245,731
Municipal Bonds		677,060			\$757,809		1,434,869
California Asset Management Program	46,549,024						46,549,024
Money Market Mutual Funds (U.S. Securities)	44,168						44,168
<b>Held by Trustees:</b>							
Money Market Mutual Funds (U.S. Securities)	51,902,702						51,902,702
Totals	\$118,368,307	\$27,483,140	\$30,385,986	\$8,373,318	\$757,809	\$2,017,819	187,386,379
<b>Not rated:</b>							
California Local Agency Investment Fund							69,294,077
<b>Exempt from credit rating disclosure:</b>							
U.S. Treasury Notes							63,512,630
Total Investments							\$320,193,086

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 3 - CASH AND INVESTMENTS (Continued)**

**G. Fair Value Hierarchy**

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure fair value of the assets. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The following is a summary of the fair value hierarchy of the fair value of investments of the City as of June 30, 2024:

	Level 1	Level 2	Total
<b>Investments by Fair Value Level:</b>			
U.S. Treasury Notes	\$63,512,630		\$63,512,630
Mortgage Pass Through Federal Agency Securities		\$16,887,441	16,887,441
Medium Term Corporate Notes		36,116,552	36,116,552
Negotiable Certificates of Deposit		6,205,892	6,205,892
Asset-Backed Securities		28,245,731	28,245,731
Municipal Bonds		1,434,869	1,434,869
	<u>\$63,512,630</u>	<u>\$88,890,485</u>	<u>152,403,115</u>
<b>Totals</b>			
<b>Investments Measured at Net Asset Value Per Share:</b>			
Held by City:			
California Asset Management Program			46,549,024
<b>Investments Measured at Amortized Cost:</b>			
Held by City:			
Money Market Mutual Funds (U.S. Securities)			44,168
Held by Trustees:			
Money Market Mutual Funds (U.S. Securities)			51,902,702
<b>Investments Exempt from Fair Value Hierarchy:</b>			
California Local Agency Investment Fund			<u>69,294,077</u>
<b>Total Investments</b>			<u><u>\$320,193,086</u></u>

Investments classified in Level 1 of the fair value hierarchy were valued using quoted prices in active markets. All investments classified in Level 2 of the fair value hierarchy were valued using matrix pricing techniques maintained by various pricing vendors. These prices were obtained from various pricing sources from our custodian bank. The California Local Agency Investment Fund is exempt from classification in the fair value hierarchy. Fair value is defined as the quoted market value on the last trading day of the period.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 4 - INTERFUND TRANSACTIONS**

**A. Transfers Between Funds**

With Council approval, resources may be transferred from one City fund to another. During the fiscal year ended June 30, 2024, the transfers were as follows:

Fund Receiving Transfers	Fund Making Transfers	Amount Transferred	Purpose
Recreation Special Revenue Fund	General Fund	\$1,400,000	A
Non-Major Governmental Funds	General Fund	680,070	A
	Non-Major Governmental Funds	273,586	A
	Water Enterprise Fund	582,557	A
	Sewer Enterprise Fund	582,557	A
Sewer Enterprise Fund	General Fund	441,696	B
Vehicle Internal Service Fund	Non-Major Governmental Funds	45,000	A
		<u>\$4,005,466</u>	

A To fund operations

B Transfer 50% of the business license tax collections to lower the PFIP Sewer Fee,  
in accordance with the 2013 Public Facilities Implementation Plan Update

In addition, the Enterprise Funds transferred the following to Governmental Activities related to the closure of the Payroll Tax Benefit Internal Service Fund to the General Fund and the movement of compensated absences from the Internal Service Fund to the Enterprise Funds:

Water Enterprise Fund	\$543,649
Sewer Enterprise Fund	588,629
Solid Waste Enterprise Fund	498,411
Golf Enterprise Fund	97,435
Transit Enterprise Fund	<u>33,247</u>
Total	<u>\$1,761,371</u>

**B. Current Interfund Balances**

Current interfund balances arise mainly due to the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made. These balances are expected to be repaid shortly after the end of the fiscal year. At June 30, 2024, interfund balances were as follows:

Due From Funds	Due To Funds	Amount
General Fund	Non-Major Governmental Funds	\$4,411,989
	Transit Proprietary Fund	<u>2,058,691</u>
	Total	<u>\$6,470,680</u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 4 - INTERFUND TRANSACTIONS (Continued)**

**C. Long-Term Interfund Advances**

At June 30, 2024, the funds below had made advances that are not expected to be repaid within the next year. These long-term interfund advances are expected to be repaid out of future developer fees.

(Asset) Fund Making Advance	(Liability) Fund Receiving Advance	Amount of Advance
General Fund	Public Facilities Implementation Plan	
	Capital Improvements Fund	\$1,081,780
Public Facilities Implementation Plan		
Capital Improvements Fund	Water Enterprise Fund	3,226,131
	Sewer Enterprise Fund	7,571,497
Water Enterprise Fund	Public Facilities Implementation Plan	
	Capital Improvements Fund	180,280
	Sewer Enterprise Fund	272,802
Sewer Enterprise Fund	Public Facilities Implementation Plan	
	Capital Improvements Fund	259,606
	Water Enterprise Fund	86,961
	Total Advances	<u>\$12,679,057</u>

*Public Facilities Implementation Plan*

Advances above in the amount of \$12,679,057 have been made between the Public Facilities Improvement Plan, General Fund, Water, and Sewer Funds in coordination with the City's adopted Public Facilities Implementation Plan. The long-term interfund advances to and from these funds were made in accordance with this Plan and are expected to be repaid out of future developer fees over the next fifteen years.

During the fiscal year 2011, the Public Facilities Implementation Plan Fund made an additional advance to the Sewer Enterprise Fund in the amount of \$5,000,000 which is included in the balance above. The advance bears interest at an annual rate of 2%.

**D. Internal Balances**

Internal balances are presented in the Entity-wide financial statements only. They represent the net interfund receivables and payables remaining after the elimination of all such balances within governmental and business-type activities.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 5 - REDEVELOPMENT AGREEMENTS AND NOTES RECEIVABLE**

The former Redevelopment Agency engaged in programs designed to encourage construction of or improvement to low-to-moderate income housing. Under these programs, grants or loans are provided under favorable terms to homeowners or developers who agree to expend these funds in accordance with the Agency's terms. With the dissolution of the Redevelopment Agency as discussed in Note 17, the City agreed to become the successor to the Redevelopment Agency's housing activities and as a result the Low and Moderate Income Housing Asset Fund assumed the loans receivable of the Redevelopment Agency's Low and Moderate Income Housing Fund. The balances of the notes receivable in the Low and Moderate Income Housing Asset Fund at June 30, 2024 are set forth below:

**A. *Summary of Notes Receivable and Unavailable Revenue***

The City has deferred the recognition of revenues from the proceeds of the Notes. At June 30, 2024, these Notes totaled:

HOPE Shelter	\$1,370,455
Habitat for Humanity	10,000
Down Payment Assistance Program	1,251,700
Residential Rehabilitation	73,458
First-Time Homebuyer Program	60,000
Mid-Peninsula Housing Coalition	3,876,096
Eden Housing Inc. - Union Court Apartments	3,165,798
Eden Housing Inc. - Senior Housing	2,803,195
Manteca Senior Housing, LLC - Affirmed Housing	1,039,683
Senior Rehabilitation Loans	17,070
Manteca Atherton Associates - Juniper Apartments	14,445,926
Total notes receivable	28,113,381
Less: Allowance for conditional grants	(928,323)
Net long-term notes receivable	<u>\$27,185,058</u>

In addition, the General Fund has recorded a loan receivable in the amount of \$472,500 as discussed in Note 16D.

Unavailable revenue at June 30, 2024 consisted of the outstanding balances of the above notes.

**B. *HOPE Shelter***

On November 16, 2010, the Agency entered into an Owner Participation and Loan Agreement with HOPE to loan \$1,243,440 to fund the construction phase of the rehabilitation of the Shelter. This loan is secured by a deed of trust and bears simple interest of one percent from the date of each disbursement of loan funds, if the new rental units are used for affordable housing for low and moderate income households for fifty-five years after completion of construction. The Agency agreed to forgive the loan after fifty-five years if the facility is used for the stated purpose.

As of June 30, 2024, HOPE had drawn down \$1,206,037 of the available loan and no further drawdowns are expected. Interest accrued on the loan totaled \$164,418 as of June 30, 2024.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 5 - REDEVELOPMENT AGREEMENTS AND NOTES RECEIVABLE (Continued)**

**C. *Habitat for Humanity***

In March 1998 the Agency loaned \$10,000 to the Habitat for Humanity, to be used toward the purchase of property to construct an affordable housing unit. Habitat has signed a promissory note secured by a deed of trust. The loan only becomes due if the property is not maintained as affordable housing. If the property is used for the stated purpose for thirty years, the City will forgive the loan.

**D. *Down Payment Assistance Program***

The Moderate Income Housing Down Payment Assistance Program was established in 2004 to provide financing for homebuyers with moderate income who are unable to qualify for a home purchase without down payment assistance. At June 30, 2024, loans related to this Program in the amount of \$1,251,700 had been extended. These loans are secured by second deeds of trust and bear no interest. These promissory notes are due if the home is sold, equity is removed, home is non-owner occupied, or after 40 years.

**E. *Residential Rehabilitation Loans***

During fiscal year 2003 the Redevelopment Agency began the Residential Rehabilitation Matching Grant Program under which it made loans to real property owners in the Redevelopment Area for the purpose of making property improvements. The Agency agreed to forgive the loans after ten years based on program provisions; the loans bear eight percent interest due from date of closing applicable only in case of default. At June 30, 2024, loans receivable under this program totaled \$73,458.

**F. *First-Time Homebuyer Loan Program***

In January 2002 the Agency engaged in a First-Time Homebuyer Down Payment Assistance Program designed to encourage home ownership among low-and-moderate-income households. Under this program, an interest free loan up to \$60,000 is provided to eligible households to be used as part of the down payment for the purchase of home in the City of Manteca. These promissory notes are secured by second deeds of trust and due forty years from the date the property was purchased. The balance of the notes receivable arising from this program at June 30, 2024 was \$60,000.

**G. *Mid-Peninsula Housing Coalition***

In March 2006, the Manteca Redevelopment Agency entered into a loan agreement with the Mid-Peninsula Housing Coalition for affordable housing. Under the terms of the agreement, the Agency loaned \$2,500,000 to partially fund the acquisition of the property to be used for the construction of affordable rental housing. The note bears interest of 3% interest. Repayment of the loan will commence on April 30 of the year after the completion of construction of the project. Principal and interest payments will be due annually and equal to 50% of residual receipts, if any, as defined in the loan agreement. The loan is due in full no later than December 31, 2065. The agreement is secured by a deed of trust. Interest accrued on the loan totaled \$1,376,096 as of June 30, 2024. Mid-Peninsula Housing Coalition is in default on the loan. The City is in negotiations to resolve the issue.

**H. *Eden Housing Inc. – Union Court Apartments***

On September 1, 2000, the Agency agreed to loan \$2,593,742 to Eden Housing Inc., for the acquisition and rehabilitation of the Union Court Apartments. The loan is secured by a second deed of trust, bears interest at one percent and is due in 2055. Interest accrued on the loan totaled \$572,056 as of June 30, 2024.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 5 - REDEVELOPMENT AGREEMENTS AND NOTES RECEIVABLE (Continued)**

***I. Eden Housing Inc. – Senior Housing (Almond Terrace)***

On June 5, 2000, the Agency agreed to loan Eden Housing Inc. up to \$900,000 at three percent interest to assist with the acquisition of two parcels and construction of fifty units of affordable rental housing for very-low-income seniors. On April 17, 2002, the Agency loaned an additional \$781,000 to increase the total amount of loan to \$1,681,000 in order to help Eden Housing Inc. complete the construction. The loan is secured by a deed of trust. If Eden Housing sells or transfers any of the parcels prior to the June 5, 2030 due date, the unpaid principal and interest on those parcels become due. As of June 30, 2024, Eden Housing had drawn down the loan in the amount of \$1,680,932. Interest accrued on the loan totaled \$1,122,263 as of June 30, 2024.

***J. Manteca Senior Housing Inc. – Affirmed Housing***

On March 22, 2007, the Agency agreed to loan Manteca Senior Housing Inc. \$750,000 along with a grant of \$2,000,000 to be used for the acquisition and development costs for the fifty-two-unit apartment complex available for low income households. The Agency agreed to forgive the loan after fifty-five years based on program provisions; the loan bears a three percent interest due from date of closing applicable only in case of default. If there are residual receipts, the developer must pay to the City fifty percent of the receipts. At June 30, 2024, \$750,000 has been drawn down from the loan, and all \$2,000,000 of the grant has been drawn down. Interest accrued on the loan totaled \$289,683 as of June 30, 2024.

***K. Senior Rehabilitation Loans***

During fiscal year 2010, the Agency began the Senior Rehabilitation Loan Program under which it made loans up to \$7,500 to senior citizens in the Redevelopment Area for the purpose of making property improvements. The terms and conditions of the loans are dependent upon the income of the applicants. At June 30, 2024, loans receivable under this program totaled \$17,070.

***L. Manteca Atherton Associates – Juniper Apartments***

On December 21, 2010, the Agency entered into an Owner Participation and Loan Agreement under which it agreed to loan \$12,250,000 to Manteca Atherton Associates to finance the construction of the Juniper Apartments, a 153-unit affordable housing complex. The Agreement was amended in March 2011 to increase the loan to \$12,750,000, payable as follows: \$4,530,644 of the loan is to pay the cost of the City development fees, \$4,301,069 is to pay for the cost of acquiring the land and construction costs, and \$3,918,287 is to be disbursed upon completion of the project to repay other sources of construction financing. The loan is secured by a deed of trust and bears simple interest of one percent from the date of each disbursement of loan funds. The loan is repayable from residual receipts, as defined in the agreement, beginning twelve months after the issuance of the certificate of occupancy, which was issued on October 10, 2012, and all unpaid principal and interest on the loan is due fifty-five years after the issuance of the certificate of occupancy.

The Agency disbursed the loan to an escrow account from which the developer drew the funds as eligible costs were incurred. The balance of the loan receivable as of June 30, 2024 is \$12,750,000. Interest accrued on the loan totaled \$1,695,925 as of June 30, 2024.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 5 - REDEVELOPMENT AGREEMENTS AND NOTES RECEIVABLE (Continued)**

**M. Conditional Grants**

The City has several programs under which it extends loans to qualifying individuals or groups for the purpose of improving the City's housing stock and/or its supply of low-and-moderate income housing. Certain of these loans provide for the eventual forgiveness of the loan balance if the borrower complies with all the terms of the loan over its full term. The City accounts for these loans as conditional grants in the Government-wide financial statements and provides a reserve against their eventual forgiveness using the straight-line method over the life of the respective loan. The balance of the allowance for conditional grants as of June 30, 2024 is \$928,323.

**NOTE 6 - EMPLOYEE NOTES RECEIVABLE**

All full-time City employees who have completed their probationary period are eligible to obtain an interest free loan of up to \$3,000 to purchase a computer. All requests for loans are subject to review by the employee's department manager and the Information Technology Department, and ultimately must be approved by the Finance Director. Repayment of these loans is handled through payroll deductions which are spread out equally over a three-year period or less. Employees must repay the outstanding balance of their loans upon ending their employment with the City. As of June 30, 2024, 31 employees had notes totaling \$41,525 due to the City.

**NOTE 7 - CAPITAL ASSETS**

Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are reported at estimated acquisition value on the date contributed. All other capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available except for intangible right to-use lease assets, the measurement of which is discussed in Note 14 below, and intangible right to use subscription assets, the measurement of which is described in Note 15 below. The City's practice is to capitalize all assets with costs exceeding the \$5,000 threshold.

Depreciation is provided using the straight-line method which means the cost of the asset is divided by its expected useful life in years and the result is charged to expense each year until the asset is fully depreciated. The City has assigned the useful lives listed below to capital assets:

Buildings and Improvements	30 years
Right-to-Use Buildings	3 years
Machinery and Equipment	5-15 years
Right-to-Use Equipment	3-5 years
Right-to-Use Software	2-7 years
Storm Drain	50 years
Streets	30 years
Parks	15-30 years
Subscription Assets	2-6 years
Sewer Lines and Improvements	50 years
Water Wells and Lines	50 years
Sewer Plant Expansion	10-20 years
Water Rights	25 years

Major outlays for capital assets and improvements are capitalized as projects are constructed.

**CITY OF MANTECA**

**NOTE 8 - LONG TERM DEBT (Continued)**

**B. Sewer Revenue Bonds**

On May 27, 2009 the Manteca Financing Authority issued the Sewer Revenue Bonds Series 2009 in the amount of \$19,000,000 to finance the City's expansion and upgrade of its Wastewater Quality Control Facility. The 2009 Revenue Bonds are secured on parity with the 2003 Sewer Revenue Bonds Series 2003A and 2003B, by installment payments payable by the City of Manteca under the Installment Sales Agreement dated December 1, 2003 as amended by Amendment 1 dated June 1, 2009. The installment payments are special limited obligations of the City and are secured by a pledge of and lien on the net revenues of the City's sewer system.

On December 11, 2012, the City issued Sewer Revenue Refunding Bonds, Series 2012 in the original principal amount of \$22,690,000 at interest rates that range from 2.00-5.00% to provide for a refunding of the Manteca Financing Authority's outstanding 2003A and 2003B Sewer Revenue Bonds. During fiscal year 2014, the 2003A and 2003B bonds were called and fully retired. Principal payments are due annually on December 1, with interest payments payable semi-annually on December 1 and June 1 through December 1, 2033. Repayment of these bonds is from a pledge of revenue from the Sewer Enterprise Fund.

The City has pledged future sewer revenues, net of specified operating expenses, to repay the 2009 and 2012 Sewer Revenue Bonds through 2036. Projected net customer revenues are expected to provide coverage over debt service of at least 125% over the life of the bonds. The Sewer Enterprise Fund's total principal and interest remaining to be paid on the bonds is \$37,605,941. The Sewer Enterprise Fund's principal and interest paid for the current year and total customer net revenues were \$3,286,016 and \$8,570,356, respectively.

The 2009 and 2012 Bonds contain a provision that in an event of default, the Trustee may declare the principal of the bonds, together with all accrued interest at the date of default, immediately due and payable, or exercise any and all rights and remedies available to it under applicable law, including the right to enforce from the City all payments due on the 2009 and 2012 Bonds, and the City will pay all reasonable fees and expenses incurred by the Trustee and those of its attorneys.

On March 8, 2021, Moody's Investors Service downgraded its underlying rating of the 2012 Bonds from "Aa3" to "A1". On July 5, 2023, Moody's withdrew the City's issuer rating and also withdrew its ratings of the 2009 and 2012 Bonds, due to the City's delay in issuing the audited financial statements. In addition, on April 20, 2023, Fitch Ratings withdrew its AA- rating for the 2009 Bonds for the same reason.

**C. Water Revenue Bonds**

On December 11, 2012, the City issued Water Revenue Refunding Bonds, Series 2012 in the original principal amount of \$35,840,000 at interest rates that range from 2.00-5.00% to provide for a refunding of the Manteca Financing Authority's outstanding 2003A Water Revenue Bonds. During fiscal year 2014, the 2003 Water Revenue Bonds were called and fully retired. Principal payments are due annually on July 1, with interest payments payable semi-annually on July 1 and January 1 through July 1, 2033. Repayment of these bonds is from a pledge of revenue from the Water Enterprise Fund.

The City has pledged future water customer revenues, net of specified operating expenses, to repay the Water Revenue Bonds through 2033. Annual principal and interest payments on the bonds are expected to require less than 125% of net water revenues. The Water Enterprise Fund's total principal and interest remaining to be paid on the bonds is \$27,344,750. The Water Enterprise Fund's principal and interest paid for the current year and total customer net revenues were \$2,747,250 and \$7,157,855, respectively.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 8 – LONG TERM DEBT (Continued)**

The 2012 Bonds contain a provision that in an event of default, the Trustee may declare the principal of the bonds, together with all accrued interest at the date of default, immediately due and payable, or exercise any and all rights and remedies available to it under applicable law, including the right to enforce from the City all payments due on the 2012 Bonds, and the City will pay all reasonable fees and expenses incurred by the Trustee and those of its attorneys.

As noted in Note 8B above, on July 5, 2023, Moody's withdrew the City's issuer rating and also withdrew its rating of the 2012 Bonds, due to the City's delay in issuing the audited financial statements.

**D. Debt Service Requirements**

Annual debt service requirements are shown below for all long-term debt:

For the Year Ending June 30	Business-type Activities	
	Principal	Interest
2025	\$2,910,000	\$2,347,740
2026	3,110,000	2,205,546
2027	3,300,000	2,061,071
2028	3,505,000	1,905,945
2029	3,725,000	1,734,944
2030-2034	21,560,000	5,663,366
2035-2037	10,035,000	887,079
Total	48,145,000	\$16,805,691
Plus: Bond Premiums	5,131,675	
Gross Long Term Debt	\$53,276,675	

**E. Bond Issuance Costs, Original Issue Discounts and Premiums and Deferred Charge on Refunding**

For proprietary fund types, bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Any differences between proprietary refunded debt and the debt issued to refund it is amortized over the remaining life of either the refunded debt or the refunding debt, whichever is shorter.

**F. Special Assessment District Bonds**

Special Assessment Districts (Districts) within the City have issued debt under the Mello-Roos Community Facilities Act of 1982 to finance infrastructure improvements and facilities within the boundaries of the Districts. The City is the collecting and paying agent for the debt issued by the Districts but has no direct or contingent liability or moral obligation for the payment of the debt. Therefore, debt issued by the Districts is not included in long term debt of the City.

The outstanding balance of the issues at June 30, 2024 is:

Special Assessment Debt with no Governmental Commitment	Issue Year	Maturity Year	Outstanding at June 30, 2024
Villa Ticino West Community Facilities District No. 2023-1, Series 2024	2024	2055	\$5,825,000

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES**

**A. Net Position**

Net Position is the excess of all the City's assets and deferred outflows over all its liabilities and deferred inflows, regardless of fund. Net Position is divided into three captions on the Statement of Net Position. These captions apply only to Net Position, which is determined only at the Government-wide level, and are described below:

*Net Investment in Capital Assets* describes the portion of Net Position which is represented by the current net book value of the City's capital assets, less the outstanding balance of any debt issued to finance these assets.

*Restricted* describes the portion of Net Position which is restricted to use by the terms and conditions of agreements with outside parties, governmental regulations, laws, or other restrictions which the City cannot unilaterally alter. These principally include developer fees received for use on capital projects, debt service requirements, and redevelopment funds restricted to low-and-moderate-income purposes.

*Unrestricted* describes the portion of Net Position which is not restricted to use.

**B. Fund Balance**

Governmental fund balances represent the net current assets of each fund. Net current assets generally represent a fund's cash and receivables, less its liabilities.

The City's fund balances are classified based on spending constraints imposed on the use of resources. For programs with multiple funding sources, the City prioritizes and expends funds in the following order: Restricted, Committed, Assigned, and Unassigned. Each category in the following hierarchy is ranked according to the degree of spending constraint:

*Nonspendable* represents balances set aside to indicate items do not represent available, spendable resources even though they are a component of assets. Fund balances required to be maintained intact, such as Permanent Funds, and assets not expected to be converted to cash, such as prepaids, notes receivable, and land held for redevelopment are included. However, if proceeds realized from the sale or collection of nonspendable assets are restricted, committed or assigned, then Nonspendable amounts are required to be presented as a component of the applicable category.

*Restricted* fund balances have external restrictions imposed by creditors, grantors, contributors, laws, regulations, or enabling legislation which requires the resources to be used only for a specific purpose. Encumbrances and nonspendable amounts subject to restrictions are included along with spendable resources.

*Committed* fund balances have constraints imposed by formal action of the City Council which may be altered only by formal action of the City Council. The highest level of formal action of the City Council is an Ordinance. Encumbrances and nonspendable amounts subject to council commitments are included along with spendable resources.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

*Assigned* fund balances are amounts constrained by the City's intent to be used for a specific purpose, but are neither restricted nor committed. Intent is expressed by the City Council or its designee, the Finance Director, and may be changed at the discretion of the City Council or its designee. This category includes encumbrances; nonspendables, when it is the City's intent to use proceeds or collections for a specific purpose, and residual fund balances, if any, of Special Revenue, Capital Projects and Debt Service Funds which have not been restricted or committed.

*Unassigned* fund balance represents residual amounts that have not been restricted, committed, or assigned. This includes the residual general fund balance and residual fund deficits, if any, of other governmental funds.

Detailed classifications of the City's Fund Balances, as of June 30, 2024, are below:

Fund Balance Classifications	General Fund	Special Revenue			
		Low and Moderate Income Housing Assets	Homeless Navigation Center	Recreation	Development Services
<b>Nonspendable:</b>					
Items not in spendable form:

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

**C. Minimum Fund Balance Policies and Stabilization and Contingency Arrangements**

The objective of the City's Fund Balance Reserve Policy (Resolution 2020-111, adopted by Council action on June 16, 2020) is to establish adequate levels of fund balance reserve that will provide the City the resources necessary for financial stabilization, particularly during times of unforeseen emergencies and economic downturns. Industry best practices were used in establishing fund balance reserve levels including a target range for General Fund Operating Reserves and Emergency Reserves (Unassigned Fund Balance) of a combined total of no less than 17% of expenditures and up to 25%, depending upon identified risk factors. The fund balance reserve level should be set such that the fund balance reserve can withstand at least two negative budgetary events. The goal of the Policy is to maintain reserves at or near the 25% reserve. A planned draw down of the unassigned fund balance should not exceed 3% of the budgeted revenues unless determined necessary by the City Manager and approved by a vote of the Council. Fund balance reserves should be funded at 100% at June 30th each year if sufficient funds are available. If sufficient funds are not available, a plan to replenish the reserves back to the minimum required amount within five years, shall be presented to the City Council, by the following year's budget adoption.

For Enterprise Funds, the target for working capital was established at baseline of 90 days working capital or 25% of operating expenses.

The Reserve Policy created six types of General Fund reserves in order of priority as follows:

*Fiscal Stability Reserve:* The City will strive to maintain an unrestricted fund balance of at least 25% of operating expenditures in the General Fund based upon the annual adopted budget.

This fund balance reserve is set up to provide for adequately addressing:

- Revenue source stability, local disasters and other financial hardships or downturns in the local or national economy.
- Contingencies for unseen operating or capital needs.
- Dependency of other funds on the General Fund.
- Cash flow requirements.

The target of at least 25% of operating expenses will be determined in conjunction with the City's budget process and will be established based on the annual adopted budget.

This committed fund balance reserve is limited for use under currently budgeted operations and should not be used to fund new programs or new positions added outside of the current fiscal year budget.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

Circumstances where taking reserves below policy levels would be appropriate include responding to the risks that reserves are intended to mitigate, such as:

- One-time uses in meeting cash-flow needs; closing a projected *short-term* revenue-expenditure gap; responding to unexpected expenditure requirements or revenue shortfalls; natural disasters and liability reductions, revenue base improvements, productivity improvements and other strategies that will strengthen City revenues or reduce future costs.

However, reserves should not be used to fund ongoing costs or projected systemic “gaps.” Stated simply, reserves should only be used once, so the use should be restricted to one-time (or short-term) uses.

In accordance with generally accepted accounting principles, when the unrestricted balance at fiscal year-end meets or is less than this target, the amount will be shown as “assigned” in the City’s audited financial statements.

*Pension Stabilization Reserve:* The purpose of this reserve is to mitigate the operational impact of employer contribution rate volatility, as well as to set aside funding for strategic opportunities to reduce the City’s pension liability. The City will strive to maintain an assigned fund balance of at least 5% of operating expenditures in the General Fund. This assigned fund balance shall serve as a source of funding for situations included but not limited to:

- Mitigating the impact of a significant year-over-year increase in employer contribution rates due to actions outside of the City’s control, such as low investment returns in the CalPERS portfolio and or changes to actuarial assumptions.
- Take advantage of opportunities to make non-recurring payments to CalPERS that will reduce the City’s Pension liabilities, such as paying down or paying off unfunded liabilities earlier than scheduled.

In addition to the Pension Stabilization Reserve, any un-used pension benefits, as a result of vacant positions, budgeted for each fiscal year, will be used to make a one-time payment to pay down the City’s unfunded liability.

*Economic Development Reserve:* Due to the dissolution of redevelopment agencies, enterprise zones and other incentives in the state, locally designated funds for economic development purposes are needed to promote the development job creation, downtown revitalization, city-wide marketing and other strategies to stimulate the local economy.

The funds for this reserve assignment will come from a pro-rata portion of residual property tax generated from the former redevelopment project areas in excess of State-approved Enforceable Obligations.

At June 30th each year any Economic Development Reserve balance in excess of \$2,500,000 will be transferred to the General Fund Unassigned Reserve.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

*Public Facilities Oversizing Reserve:* In June 1994, the City Council adopted Ordinance No. 998, imposing a Business License Tax on the Business of Constructing Residential Dwelling Units in the City. While the revenues generated from this tax are general in nature, the tax was adopted in conjunction with the City's Public Facilities Implementation Plan (PFIP) to fund required public facilities oversizing in the central and "core" areas of the City.

In February 2013, Council approved the updated PFIP. Per Section 2 (H)(3) of the adopted plan, 50% of the revenue received from this tax is to be transferred to the PFIP Sewer Fund to help lower the PFIP Sewer Fee. The remaining 50% of the revenue received will be assigned to Public Facilities Oversizing Reserve. The use of these funds shall be restricted to projects identified in the City's adopted Capital Improvement Plan.

*Capital Facilities Reserve:* The City will pre-fund anticipated capital needs for General Fund Departments by establishing a dedicated assigned fund balance for major capital improvements for City-owned or operated buildings such as roofs, HVAC, parks, irrigation wells and improvements needed to comply with the Americans with Disabilities Act (ADA). This policy is primarily intended for facility capital repairs. Planning for new City facilities shall be governed by the policies set forth in the City's Government Building Facilities Fee study.

The City will establish an amount of 3% of General Fund operating expenditures based on the subsequent year's budget to be used exclusively for capital items described within the Reserve Policy, with a maximum reserve of \$1,500,000.

*Technology Reserve:* The City will pre-fund major anticipated capital needs for Technology replacement and upgrade needs by establishing a dedicated assigned fund balance reserve to be funded through annual budget appropriations. Major capital needs may include, but are not limited to, Enterprise Resource Planning (ERP) software replacement, Virtual Storage Upgrades/Replacement and Fiber Optic deployment.

The City will establish an amount of 3% of General Fund operating expenditures based upon the subsequent year's budget to be used exclusively for major hardware and software items described within the Reserve Policy, with a maximum reserve of \$1,500,000.

The reserve target and the actual balance of each reserve for the year ended June 30, 2024, which are reported within the assigned fund balance of the General Fund follows:

	Minimum or Maximum Reserve	Reserve as of June 30, 2024
<b>General Fund:</b>		
Assigned Fund Balance:		
Fiscal Stability	\$18,231,755	\$18,231,755
Pension Stabilization	3,646,351	3,646,351
Economic Development	2,500,000	2,500,000
Public Facilities Oversizing	3,164,815	3,164,815
Capital Facilities	1,500,000	1,500,000
Technology	1,500,000	1,500,000
Total Assigned Fund Balance		<u>\$30,542,921</u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

In addition to the General Fund Reserves, the Reserve Policy also established the following:

*Public Safety Sales Tax Fund* - The City will strive to maintain a fund balance of at least 25% of operating expenditures in the Public Safety Sales Tax Fund (revised from 50% to 25% in March 2023 with Resolution 2023-27) consistent with the risk assessment methodology for setting reserve levels developed by the Government Finance Officers Association inadequately addressing:

- a) Higher levels of fund balance may be needed if significant revenue sources are subject to instability and downturns in the local or national economy.
- b) Dependency of the Public Safety Sales Tax Fund on the General Fund.

This committed fund balance reserve is limited for use under currently budgeted operations and should not be used to fund new programs or new positions added outside of the current fiscal year budget.

Circumstances where taking reserves below policy levels would be appropriate include responding to the risks that reserves are intended to mitigate, such as one-time uses in meeting cash-flow needs; closing a projected short-term revenue-expenditure gap; responding to unexpected revenue shortfalls.

*Self Insurance Fund* - The City will strive to maintain a fund balance of at least 50% of operating expenditures in the Self Insurance Fund consistent with the risk assessment methodology for setting reserve levels developed by the Government Finance Officers Association in adequately addressing:

- a) Higher levels of fund balance may be needed if significant operating expenditures are highly volatile or have unpredictable fluctuations.
- b) Dependency of the Self Insurance Fund on the General Fund.

This committed fund balance reserve is limited for use under currently budgeted operations and should not be used to fund new programs or new positions added outside of the current fiscal year budget.

Circumstances where taking reserves below policy levels would be appropriate include mitigating the impact of a significant year-over-year increase in insurance premiums, unanticipated legal expenses due to negotiated settlements, and short-term revenue-expenditure gaps.

The City also established a separate reserve policy for the Development Services Special Revenue Fund:

*Development Services Fund* - The target maximum reserve level for the Fund's Restricted Reserve balance is based on six months of currently budgeted expenditures for both the planning and engineering programs and twelve months of budgeted expenditures for the building safety program. The goal is to maintain reserves at or near the maximum end of the range. After the reserve amount has been reached, if the fund balances reserve falls below 50% of the reserve amount, then the plan to replenish the fund to the reserve amount shall be structured over a period not to exceed a three- to five-year period.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

**D. Deficit Fund Balances and Accumulated Deficits**

At June 30 2024, the Homeless Navigation Center Special Revenue Fund and the Community Development Block Grant Special Revenue Fund, had deficit fund balances of \$83,820, \$94,103, respectively, and Successor Agency to the Redevelopment Agency Private-Purpose Trust Fund and the Equipment Internal Service Fund had deficit net position of \$77,896,407 and \$299,603, respectively.

**E. Adjustments and Restatements**

Adjustments to and Restatements of Beginning Balances during fiscal year 2024, changes to or within the financial reporting entity, and an error correction, resulted in adjustments to and restatements of beginning net position and fund net position, as follows:

	June 30, 2023 As Previously Reported	Change to or within the Financial Reporting Entity (Major Funds)	Change to or within the Financial Reporting Entity (Fund Change)	Change in Accounting Principle (OPEB Allocation)	Change in Accounting Principle (Loans Receivable)	Error Correction (Depreciation)	June 30, 2023 As Restated

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 9 – NET POSITION AND FUND BALANCES (Continued)**

In addition to the changes within the financial reporting entity to move certain funds from non-major funds to major funds and from major funds to nonmajor funds noted above, the City made the following adjustments and restatements:

***Change Within the Financial Reporting Entity – Fund Change*** – The City closed the Payroll Tax Benefit Internal Service Fund to the General Fund as of July 1, 2023. Although the fund's net position was a deficit of \$554,604 as of June 30, 2023, with that change, compensated absences of \$7,505,786 were transferred to governmental activities, and the remaining assets and liabilities netting to \$6,951,182 were transferred to the General Fund. The change in accounting policy was recorded as a restatement of fund balance in the General Fund as of July 1, 2023.

***Change in Accounting Principle – OPEB Allocation*** – During fiscal year 2024, the City changed its accounting policy related to the allocation of Other Post-Employment Benefits (OPEB) related balances. Effective July 1, 2023, the OPEB-related balances in the Governmental Activities, Enterprise Funds and the Equipment and Insurance Internal Service Funds were adjusted. The change in accounting policy was recorded as a restatement as of July 1, 2023 in the statement of net position.

***Change in Accounting Principle – Loans Receivable*** – During fiscal year 2024, the City also changed its accounting policy related to the accounting for long-term loans receivable in governmental funds. Effective July 1, 2023, accrued interest receivable on all long-term loans receivable has been recorded and is offset with unavailable revenue. As a result of the change in accounting policy, the City established unavailable revenue of \$4,923,451 in the Low and Moderate Income Housing Assets Special Revenue Fund. The change in accounting policy was recorded as a restatement as of July 1, 2023 in the statement of net position.

***Error Correction*** – During fiscal year 2024, the City discovered that the prior year transfer of capital assets in the amount of \$331,655 from Governmental Activities to the Transit Enterprise Fund should have included depreciation expense and accumulated depreciation in that same amount. The correction has been recorded as a restatement of net position as of July 1, 2023 in the statements of net position.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS**

**A. Plan Descriptions and Summary of Balances by Plan**

The City has three defined benefit pension plans, a Miscellaneous Plan, a Safety (Police and Fire) Plan, and a Retirement Enhancement Plan. The Miscellaneous Plan is an Agent-Multiple Employer Plan and the Safety Plan is a Cost-Sharing Multiple Employer Plan, both of which are administered by the California Public Employees' Retirement System (CalPERS). The Retirement Enhancement Plan is an Agent-Multiple Employer Plan administered by the Public Agency Retirement System (PARS). Benefit provisions under the Plans are established by State statute and City Ordinance. The PARS Plan is closed to new participants.

All qualified permanent and probationary employees are eligible to participate in the separate Safety (police and fire) Plan, a cost-sharing multiple employer defined benefit pension plan administered by CalPERS and Miscellaneous (all other) Plan, an agent multiple-employer defined benefit pension plan administered by CalPERS, which acts as a common investment and administrative agent for its participating member employers. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website. PARS issues publicly available reports that may be requested from PARS via email at [info@pars.org](mailto:info@pars.org).

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Miscellaneous and Safety Plans and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by the CalPERS Financial Office or PARS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms. Investments are reported at fair value.

For the year ended June 30, 2024, total pension expense for the Miscellaneous, Safety and PARS Retirement Enhancement plans amounted to \$23,926,026.

Below is a summary of the deferred outflows of resources, net pension liabilities and deferred inflows of resources by Plan:

Plan	Deferred Outflows of Resources	Net Pension Liability/ Proportionate Share of Net Pension Liability	Deferred Inflows of Resources
CalPERS Plans:			
Miscellaneous	\$21,593,520	\$71,470,740	
Safety - Police and Fire	31,483,285	77,124,746	\$2,098,627
PARS Retirement Enhancement Plan	454,474	813,259	
Total	<u>\$53,531,279</u>	<u>\$149,408,745</u>	<u>\$2,098,627</u>

Pension liabilities are liquidated by the funds that have recorded the liability. The long-term portion of the governmental activities pension liabilities are liquidated primarily by the General Fund.

Each Plan is discussed in detail below.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

**B. CalPERS Miscellaneous Plan**

**Benefits Provided** – CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law. The Pension Reform Act of 2013 (PEPRA), Assembly Bill 340, is applicable to employees new to CalPERS and hired after December 31, 2012.

The Plan's provisions and benefits in effect at June 30, 2024, are summarized as follows:

	Miscellaneous		
	Tier I	Tier II	PEPRA
Hire date	Prior to April 3, 2012	After April 3, 2012	On or after January 1, 2013
Benefit formula	2.7% @ 55	2.0% @ 60	2.0% @ 62
Benefit vesting schedule	5 years of service	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life	Monthly for life
Retirement age	50 - 55	50 - 63	52 - 67
Monthly benefits, as a % of eligible compensation	2.0% - 2.7%	1.092% - 2.418%	1.0% - 2.5%
Required employee contribution rates	8.00%	7.00%	7.75%
Required employer contribution rates	12.360%	12.360%	12.360%
Required UAL Contribution		\$5,848,910	

Beginning in fiscal year 2016, CalPERS collects employer contributions for the Plan as a percentage of payroll for the normal cost portion as noted in the rates above and as a dollar amount for contributions toward the unfunded liability (UAL). The dollar amounts are billed on a monthly basis or the City can elect a lump sum payment option. The City's required contribution for the unfunded liability was \$5,848,910 in fiscal year 2024, which was made under the lump sum payment option.

**Employees Covered** – The following employees were covered by the benefit terms for each Plan as of the most recent actuarial valuation date of June 30, 2022 and as of the measurement date of June 30, 2023:

	Miscellaneous	
	June 30, 2022	June 30, 2023
Inactive employees or beneficiaries currently receiving benefits	314	328
Inactive employees entitled to but not yet receiving benefits	292	328
Active employees	306	308
Total	912	964

As of June 30, 2024, the City had 329 active employees in the Miscellaneous Plan.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

**Contributions** – Section 20814(c) of the California Public Employees’ Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. Employer contribution rates may change if plan contracts are amended. Payments made by the employer to satisfy contribution requirements that are identified by the pension plan terms as plan member contribution requirements are classified as plan member contributions.

**Net Pension Liability** - The City’s net pension liability for the Miscellaneous Plan is measured as the total pension liability, less the pension plan’s fiduciary net position. The net pension liability of the Plan is measured as of June 30, 2023, using an annual actuarial valuation as of June 30, 2022, rolled forward to June 30, 2023 using standard update procedures. A summary of principal assumptions and methods used to determine the net pension liability is shown below.

**Changes in the Net Pension Liability** - The changes in the Net Pension Liability for the Miscellaneous Plan follows:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
<b>Balance at June 30, 2022 (Measurement Date)</b>	<u>\$214,925,723</u>	<u>\$145,994,035</u>	<u>\$68,931,688</u>
<b>Changes in the year:</b>			
Service cost	4,559,169		4,559,169
Interest on the total pension liability	14,813,753		14,813,753
Differences between actual and expected experience	2,496,481		2,496,481
Changes in assumptions			
Changes in benefit terms	231,820		231,820
Net Plan to Plan Resource Movement			
Contribution - employer		8,681,655	(8,681,655)
Contribution - employees		1,861,766	(1,861,766)
Net investment income		9,126,107	(9,126,107)
Administrative expenses		(107,357)	107,357
Benefit payments, including refunds of employee contributions	(10,483,075)	(10,483,075)	
Other Miscellaneous Income/ (Expense)			
<b>Net changes</b>	<u>11,618,148</u>	<u>9,079,096</u>	<u>2,539,052</u>
<b>Balance at June 30, 2023 (Measurement Date)</b>	<u><u>\$226,543,871</u></u>	<u><u>\$155,073,131</u></u>	<u><u>\$71,470,740</u></u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

***Sensitivity of the Net Pension Liability to Changes in the Discount Rate*** – The following presents the net pension liability of the City for the Plan, calculated using the discount rate for the Plan, as well as what the City’s net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	<u>Miscellaneous</u>
1% Decrease	5.90%
Net Pension Liability	\$102,650,466
Current Discount Rate	6.90%
Net Pension Liability	\$71,470,740
1% Increase	7.90%
Net Pension Liability	\$45,894,171

***Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions*** - For the year ended June 30, 2024, the City recognized pension expense of \$12,427,803. At June 30, 2024, the City reported deferred outflows of resources and deferred inflows of resources related to pensions for the Plan from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Pension contributions subsequent to measurement date	\$9,070,568	
Differences between actual and expected experience	2,188,185	
Changes in assumptions	3,401,110	
Net differences between projected and actual earnings on plan investments	6,933,657	
Total	<u>\$21,593,520</u>	<u>\$0</u>

The Miscellaneous Plan reported \$9,070,568 as deferred outflows of resources related to contributions subsequent to the measurement date, which will be recognized as a reduction of the net pension liability in the year ended June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

<u>Year Ended June 30</u>	<u>Annual Amortization</u>
2025	\$4,027,471
2026	2,940,317
2027	5,367,286
2028	187,878

Actuarial assumptions and information regarding the discount rate are discussed in Note 10D below.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

**C. CalPERS Safety Plan**

The City's Safety Plan is part of the public agency cost-sharing multiple-employer defined benefit pension plan (PERF C), which is administered by CalPERS. PERF C consists of a miscellaneous pool and a safety pool (also referred to as "risk pools"), which are comprised of individual employer miscellaneous and safety rate plans, respectively. Individual employers may sponsor more than one miscellaneous and safety rate plan. The employer participates in one cost-sharing multiple-employer defined benefit pension plan regardless of the number of rate plans the employer sponsors. The City sponsors five rate plans (two fire and three police) within the safety risk pool.

**Benefits Provided** – CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law. The Pension Reform Act of 2013 (PEPRA), Assembly Bill 340, is applicable to employees new to CalPERS and hired after December 31, 2012.

The Safety Plan's provisions and benefits in effect at June 30, 2024, are summarized as follows:

	Safety		
	Police		
	First Tier	Second Tier	PEPRA
	Prior to	After	On or after
Hire date	April 3, 2012	April 3, 2012	January 1, 2013
Benefit formula	3% @ 50	3% @ 55	2.7% @ 57
Benefit vesting schedule	5 years of service	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life	Monthly for life
Retirement age	50	50 - 55	50 - 57
Monthly benefits, as a % of eligible compensation	3%	2.4% - 3.0%	2.0% - 2.7%
Required employee contribution rates	9%	9%	13.75%
Required employer contribution rates	29.090%	24.790%	14.500%
Required UAL Contribution	\$3,163,795	\$0	\$0

	Fire	
	First Tier	PEPRA
	Prior to /After	On or after
Hire date	April 3, 2012	January 1, 2013
Benefit formula	3% @ 55	2.7% @ 57
Benefit vesting schedule	5 years of service	5 years of service
Public	Monthly for life	Monthly for life
Retirement age	50 - 55	50 - 57
Monthly benefits, as a % of eligible compensation	2.4% - 3.0%	2.0% - 2.7%
Required employee contribution rates	9%	14.50%
Required employer contribution rates	26.110%	14.500%
Required UAL Contribution	\$2,145,054	\$0

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

Beginning in fiscal year 2016, CalPERS collects employer contributions for the cost-sharing plan as a percentage of payroll for the normal cost portion as noted in the rates above and as a dollar amount for contributions toward the unfunded liability (UAL) as noted in the table above. The dollar amounts are billed on a monthly basis or can be paid in a lump sum at a reduced amount. The City elected to make the lump sum contributions and the required contribution for the unfunded liability was \$5,308,849 in fiscal year 2024, as shown in the table above.

**Contributions** – Section 20814(c) of the California Public Employees’ Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for the Plan are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. Employer contribution rates may change if plan contracts are amended. Payments made by the employer to satisfy contribution requirements that are identified by the pension plan terms as plan member contribution requirements are classified as plan member contributions.

For the year ended June 30, 2024, the contributions to the Safety Plan were as follows:

Contributions - employer	\$8,917,736
--------------------------	-------------

**Pension Liability, Pension Expense and Deferred Outflows/Inflows of Resources Related to Pensions** - For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Plans and additions to/deductions from the Plans’ fiduciary net position have been determined on the same basis as they are reported by the CalPERS Financial Office. For this purpose, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms. Investments are reported at fair value.

As of June 30, 2024, the City reported a net pension liability for its proportionate shares of the net pension liability of the Plan in the amount of \$77,124,746.

The City’s net pension liability for the Plan is measured as the proportionate share of the net pension liability. The net pension liability for the Plans is measured as of June 30, 2023, and the total pension liability for the Plan used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2022, rolled forward to June 30, 2023 using standard update procedures. The City’s proportion of the net pension liability was based on a projection of the City’s long-term share of contributions to the pension plans relative to the projected contributions of all participating employers, actuarially determined. The City’s proportionate share of the net pension liability for the Plan as of June 30, 2022 and 2023 was as follows:

	<u>Total</u>
Proportion - June 30, 2022	1.05081%
Proportion - June 30, 2023	1.03178%
Change - Increase (Decrease)	<u>-0.01903%</u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

For the year ended June 30, 2024, the City recognized pension expense of \$11,443,795 for the Safety Plan. At June 30, 2024, the City reported deferred outflows of resources and deferred inflows of resources related to pensions for the Safety Plan from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Pension contributions subsequent to measurement date	\$8,917,736	
Differences between actual and expected experience	5,662,378	(\$484,759)
Changes in assumptions	4,501,103	
Net differences between projected and actual earnings on plan investments	10,554,501	
Change in proportion and differences between actual contributions and proportionate share of contributions	1,847,567	(1,613,868)
Total	<u>\$31,483,285</u>	<u>(\$2,098,627)</u>

The Safety Plan reported \$8,917,736 as deferred outflows of resources related to contributions subsequent to the measurement date, which will be recognized as a reduction of the net pension liability in the year ended June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year Ended June 30	Annual Amortization
2025	\$6,505,191
2026	4,705,214
2027	8,961,921
2028	294,596

***Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate –***

The following presents the City's proportionate share of the net pension liability for each Plan as of the measurement date, calculated using the discount rate for each Plan, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	Total
1% decrease	5.90%
Net Pension Liability	\$108,390,423
Current Discount Rate	6.90%
Net Pension Liability	\$77,124,746
1% Increase	7.90%
Net Pension Liability	\$51,562,830

Actuarial assumptions and information regarding the discount rate are discussed in Note 10D below.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

**D. Information Common to the Miscellaneous and Safety Plans**

**Actuarial Assumptions** – For the measurement period ended June 30, 2023, the total pension liabilities were determined by rolling forward the June 30, 2022 total pension liability. The June 30, 2022 total pension liabilities were based on the following actuarial methods and assumptions:

	Miscellaneous and Safety (Fire and Police)
Valuation Date	June 30, 2022
Measurement Date	June 30, 2023
Actuarial Cost Method	Entry-Age Normal Cost Method
Actuarial Assumptions:	
Discount Rate	6.90%
Inflation	2.30%
Payroll Growth	2.80%
Projected Salary Increase	Varies by Entry Age and Service (1)
Investment Rate of Return	6.90% (2)
Mortality Rate Table	Derived using CalPERS Membership Data for all Funds (3)
Post Retirement Benefit Increase	The lesser of contract COLA or 2.30% until Purchasing Power Protection Allowance floor on purchasing power applies, 2.30% thereafter

(1) Depending on age, service, and type of employment

(2) Net of pension plan investment and administrative expenses, including inflation

(3) The mortality table used was developed based on CalPERS' specific data.

The probabilities of mortality are based on the 2021 CalPERS Experience Study for the period from 2001 to 2019. Pre-retirement and post-retirement mortality rates include generational mortality improvement using 80% of Scale MP-2020 published by the Society of Actuaries. For more details on this table, please refer to the CalPERS Experience Study and Review of Actuarial Assumptions report from November 2021 that can be found on the CALPERS Website.

The underlying mortality assumptions and all other actuarial assumptions used in the June 30, 2022 valuation were based on the results of a November 2021 actuarial experience study for the period 2001 to 2019. Further details of the Experience Study can be found on the CalPERS website.

**Discount Rate** – The discount rate used to measure the total pension liability for each Plan was 6.90%. The projection of cash flows used to determine the discount rate for the Plan assumed that contributions from all plan members in the Public Employees Retirement Fund (PERF) will be made at the current member contribution rates and that contributions from employers will be made at statutorily required rates, actuarially determined. Based on those assumptions, each Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total pension liability for each Plan.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations. Using historical returns of all the funds' asset classes, expected compound (geometric) returns were calculated over the next 20 years using a building-block approach. The expected rate of return was then adjusted to account for assumed administrative expenses of 10 basis points.

The expected real rates of return by asset class are as follows:

Asset Class (a)	Assumed Asset Allocation	Real Return Years 11+ (a,b)
Global Equity - Cap-weighted	30.0%	4.54%
Global Equity - Non-Cap-weighted	12.0%	3.84%
Private Equity	13.0%	7.28%
Treasury	5.0%	0.27%
Mortgage-backed Securities	5.0%	0.50%
Investment Grade Corporates	10.0%	1.56%
High Yield	5.0%	2.27%
Emerging Market Debt	5.0%	2.48%
Private Debt	5.0%	3.57%
Real Assets	15.0%	3.21%
Leverage	-5.0%	-0.59%
Total	100.0%	

(a) An expected inflation of 2.30% used for this period.

(b) Figures are based on the 2021 Asset Liability Management study.

***Pension Plan Fiduciary Net Position*** – Detailed information about each pension plan's fiduciary net position is available in the separately issued CalPERS financial reports.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

**E. PARS Supplemental Retirement Plan**

**Benefits Provided** - Effective October 1, 2001, the City contracted with the Public Agency Retirement System (PARS), to sponsor a supplemental Retirement Enhancement Plan created in accordance with IRC Section 401(a), which is a qualified agent multiple-employer defined benefit pension plan covering all eligible employees of the City. All eligible employees covered by this plan are fully vested. The Plan is closed to new participants. Eligibility requirements are shown in the table below:

Eligibility	Tier I	Tier II	Tier III	Tier IV
City Manager prior to December 31, 2004	X			
Department Head prior to December 31, 2004		X		
City Manager on or after December 31, 2004			X	
Department Head on or after December 31, 2004				X
At least 55 years of age	X	X	X	X
5 years of continuous service	X		X	
10 years of continuous service		X		X
Terminated with City and concurrently retired under CalPERS under a regular service retirement on or after October 1, 2002	X	X	X	X

The retirement benefit for each Tier is as follows:

Retirement Benefit	Tier I	Tier II	Tier III	Tier IV
Full-time City service: 3%@55 less CalPERS 2.7%@55	X	X		
Full-time non-City service: 3%@55 less CalPERS 2%@55	X	X		
3%@55 less CalPERS 2.7%@55			X	X
Full-time City service			X	X

Also, effective October 1, 2001, the City contracted with PARS to sponsor an Excess Benefit Plan, created in accordance with the IRC Section 415(m), which is a qualified governmental excess benefit arrangement covering all employees participating in the Retirement Enhancement Plan. Benefits are paid in the same form, time, and periods as under the Retirement Enhancement Plan. All eligible employees covered by this plan are fully vested. The Plan is also closed to new participants.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

The Plan provides a monthly benefit equal to one-twelfth of the difference between the number of credited service years multiplied by the PARS Benefit Factor and the number of credited service years multiplied by the PERS Benefit Factor. The PARS Benefit Factor is dependent upon the retirement age as shown in the chart below. The PERS Benefit Factor also depends upon the retirement age as discussed in Notes 10B and 10C above. The monthly benefits are also subject to a 2% annual cost of living increase.

PARS Benefit Factor	
Age at Retirement	Age Factor
52	2.640%
53	2.760%
54	2.880%
55+	3.000%

These Plan assets are held by a Trust for the exclusive benefits of plan participants as their beneficiaries. Assets held under this plan are not the City's property and are not subject to claims by general creditors of the City.

**Employees Covered** – As of the June 30, 2023 measurement- date, the following employees were covered by the benefit terms for the Plan:

	PARS
Inactive employees or beneficiaries currently receiving benefits	8
Inactive employees entitled to but not yet receiving benefits	0
Active employees	0
Total	8

All Plan participants were retired as of June 30, 2024.

**Contributions** - The City makes all contributions necessary to fund the benefits available under the Plan. Employees are not permitted to make any contributions.

The City contributed \$338,000 to the Plan during the fiscal year ended June 30, 2024.

**Net Pension Liability** - The City's net pension liability for the Plan is measured as the total pension liability, less the pension plan's fiduciary net position. The net pension liability of the Plan is measured as of June 30, 2023. A summary of principal assumptions and methods used to determine the net pension liability is shown below.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

**Actuarial Assumptions** – For the measurement period ended June 30, 2023, the total pension liability was determined using an actuarial valuation as of June 30, 2022, rolled forward to June 30, 2023 using standard update procedures. The June 30, 2022 total pension liability was based on the following actuarial methods and assumptions:

	PARS Plans
Valuation Date	June 30, 2022
Measurement Date	June 30, 2023
Actuarial Cost Method	Entry-Age Normal, Level % of pay
Amortization method	Level dollar amount
Amortization period	5-year fixed period for 2023/24
Actuarial Assumptions:	
Discount Rate	3.20% at June 30, 2022 and 3.20% at June 30, 2023
Inflation	2.50%
Investment Rate of Return	3.20% at June 30, 2022 and 3.20% at June 30, 2023
Mortality, Retirement, Disability, Termination	CalPERS 2000-2019 Experience Study
Mortality Improvement Scale	Post - retirement mortality projected fully generational with Scale MP-2021

**Discount Rate** - The discount rate used to measure the total pension liability for the Plan was 3.20%. The Plan's long-term expected rate of return was determined by adding expected inflation to expected long-term real returns and reflecting expected volatility and correlation based upon the investment of all assets in PARS' diversified Moderately Conservative portfolio.

The table below reflects the expected real rates of return by asset class.

Asset Class Component	Target Allocation Qualified and Non- Qualified Assets (a)	Expected Real Rate of Return
Global Equity	10.0%	4.56%
Fixed Income	22.0%	0.78%
Cash	68.0%	-0.05%
Assumed Long-Term Rate of Inflation		2.50%
Expected Long-Term Net Rate of Return, Rounded		3.20%

(a) Qualified assets invested in PARS-Moderately Conservative Trust. Non-Qualified assets in cash. Rate of return developed based on qualified and non-qualified assets.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

***Changes in the Net Pension Liability*** - The changes in the Net Pension Liability for the Plan as of the June 30, 2023 Measurement Date follows:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
<b>Balance at June 30, 2022 (Measurement Date)</b>	\$2,988,676	\$1,880,221	\$1,108,455
<b>Changes in the year:</b>			
Service cost			
Interest on the total pension liability	92,912		92,912
Differences between actual and expected experience			
Changes in assumptions			
Changes in benefit terms			
Contribution - employer		330,000	(330,000)
Contribution - employee			
Net investment income		66,640	(66,640)
Administrative expenses		(8,532)	8,532
Benefit payments, including refunds of employee contributions	(170,363)	(170,363)	
<b>Net changes</b>	<b>(77,451)</b>	<b>217,745</b>	<b>(295,196)</b>
<b>Balance at June 30, 2023 (Measurement Date)</b>	<b>\$2,911,225</b>	<b>\$2,097,966</b>	<b>\$813,259</b>

***Sensitivity of the Net Pension Liability to Changes in the Discount Rate*** – The following presents the net pension liability of the City for the Plan, calculated using the discount rate for the Plan, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	PARS
1% Decrease	2.20%
Net Pension Liability	\$1,162,002
Current Discount Rate	3.20%
Net Pension Liability	\$813,259
1% Increase	4.20%
Net Pension Liability	\$521,848

***Pension Plan Fiduciary Net Position*** – Detailed information about the pension plan's fiduciary net position is available in the separately issued PARS financial report.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 10 – PENSION PLANS (Continued)**

***Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions*** - For the year ended June 30, 2024, the City recognized pension expense of \$54,428 for the Plan. At June 30, 2024, the City reported deferred outflows of resources and deferred inflows of resources related to pensions for the Plan from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Pension contributions subsequent to measurement date	\$338,000	
Differences between actual and expected experience	116,474	
Changes in assumptions		
Net differences between projected and actual earnings on plan investments		
	<hr/>	<hr/>
Total	<u>\$454,474</u>	<u>\$0</u>

The Plan reported \$338,000 as deferred outflows of resources related to contributions subsequent to the measurement date, that will be recognized as a reduction of the net pension liability in the year ended June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

PARS	
Year Ended June 30	Annual Amortization
2025	\$26,560
2026	31,709
2027	58,732
2028	(527)

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 11 – OTHER POST-EMPLOYMENT HEALTHCARE BENEFITS**

**A. General Information about the City's Other Post Employment Benefit (OPEB) Plan**

**Plan Description** – The City's Other Post Employment Benefit Plan is a single-employer defined benefit OPEB plan. No assets are accumulated in a trust that meets the criteria in paragraph 4 of Governmental Accounting Standards Board Statement No. 75.

The City provides postretirement health care benefits to employees who retire in good standing from the City after attaining the age of 50 and to certain employees who retire due to disability. As of June 30, 2024, there were 228 participants receiving these health care benefits.

**Benefits Provided** – In order to qualify for postemployment medical and dental benefits an employee must retire from the City and maintain enrollment in one of the City's eligible health plans. In addition, there are eligibility rules and contribution requirements defined in the Memorandum of Understanding (MOU) with each employee group. For all retirements effective as of January 1, 2012 through June 30, 2012, the City-paid contribution for retiree health will be equal to the Minimum Employer Contribution (MEC) as set by CALPERS. For retirements effective on or prior to December 31, 2011, the benefit is set at the amount the employee or retiree was receiving as of December 31, 2011 for health benefits. The eligibility, rules, and Plan Benefits for each MOU and associated benefits are summarized below as of June 30, 2024:

Benefit Types Provided	Manteca Police Officers Association Medical only	Fire Medical only	Manteca Police Employees Association Medical only	Technical Support Services Medical only	General Services Medical only	Management Medical only
Duration of Benefits	Lifetime	Lifetime	Lifetime	Lifetime	Lifetime	Lifetime
Required Service: Basic Supplemental	Retirement under CALPERS					
Minimum Age	50	50	50	50	50	50
Dependent Coverage	Yes	Yes	Yes	Yes	Yes	Yes
City Contribution 100%	100%	100%	100%	100%	100%	100%
City Contribution Cap per Month (Basic) retirement on or prior to 12/31/2011	\$630 for single \$1,170 for two party \$1,440 for family	\$631 for single \$1,165 for two party \$1,490 for family	\$640 for single \$1,165 for two party \$1,515 for family	\$725 for single \$1,390 for two party \$1,800 for family	\$725 for single \$1,165 for two party \$1,875 for family	\$683 for single \$1,361 for two party \$1,810 for family
City Contribution Cap per Month (Basic) retirement after 12/31/2011, but hired on or before 12/31/2011	\$675	\$675	\$675	\$675	\$675	\$675
City Contribution Cap per Month (Basic) hired after 12/31/2011	\$157	\$157	\$157	\$157	\$157	\$157

The City elected to establish a Health Reimbursement Arrangement for Retirees to provide a funding mechanism for the pay-as-you go OPEB benefit during fiscal year 2012. This Health Reimbursement Arrangement is not a trust and is not considered a component unit of the City and has been excluded from these financial statements.

For the year ended June 30, 2024, the City's contributions to the Plan were \$2,002,773.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 11 – OTHER POST-EMPLOYMENT HEALTHCARE BENEFITS (Continued)**

**Employees Covered by Benefit Terms** – Membership in the plan consisted of the following at the measurement date of June 30, 2023:

Active employees	452
Inactive employees or beneficiaries currently receiving benefit payments	227
Inactive employees entitled to but not yet receiving benefit payments	56
Total	<u>735</u>

**B. Total OPEB Liability**

**Actuarial Methods and Assumptions** – The City’s total OPEB liability was measured as of June 30, 2023 and the total OPEB liability was determined by an actuarial valuation dated June 30, 2022, rolled forward to June 30, 2023 using standard update procedures, based on the following actuarial methods and assumptions:

	Actuarial Assumptions	
Valuation Date		June 30, 2022
Measurement Date		June 30, 2023
Actuarial Assumptions:		
Discount Rate	3.65% at June 30, 2023 and 3.54% at June 30, 2022 (1)	
Inflation		2.50%
Payroll Growth		2.75% (2)
PEMHCA Minimum Increases		3.50%
Contribution Policy		No pre-funding
Cap Increases		None beyond amounts specified
Mortality Rate	CalPERS 2000 -2019 Experience Study (3)	
Healthcare Trend Rates	Non-Medicare - 8.5% for 2025, decreasing to an ultimate rate of 3.45% in 2076; Medicare (Non-Kaiser) - 7.5% for 2025, decreasing to an ultimate rate of 3.45% in 2076- Medicare (Kaiser) - 6.25% for 2025, decreasing to an ultimate rate of 3.45% in 2076	
Participation at Retirement	Eligible for portion of projected premium covered by cap in retirement year: 90% in 2016, decreasing to an ultimate rate of 50% in 2048 and later years; Eligible for PEMHCA minimum only: 50%	

(1) Bond Buyer 20-Bond Index

(2) Merit - Tables from CalPERS 2000-2019 Experience Study

(3) Post-retirement mortality projected fully generational with Scale MP-2021

The underlying mortality assumptions were based on the CalPERS 2000-2019 Experience Study and all other actuarial assumptions used in the June 30, 2022 valuation were based on the results of an actuarial experience study for the period 2000-2019.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 11 – OTHER POST-EMPLOYMENT HEALTHCARE BENEFITS (Continued)**

***Change in Assumptions*** – The discount rate increased from 3.54% at June 30, 2022, to 3.65% at June 30, 2023, based on the municipal bond rate as of the measurement date.

**C. Changes in Total OPEB Liability**

The changes in the total OPEB liability follows:

	<b>Total OPEB Liability</b>
<b>Balance at June 30, 2022 Measurement Date</b>	<b>\$37,857,264</b>
Changes Recognized for the Measurement Period:	
Service cost	1,126,902
Interest on the total OPEB liability	1,345,035
Changes of assumptions	(474,103)
Actual vs. expected experience	0
Benefit payments *	(1,977,631)
Net changes	20,203
<b>Balance at June 30, 2023 Measurement Date</b>	<b>\$37,877,467</b>

\* Includes \$1,468,631 cash benefit payments and \$509,000 implied subsidy benefit payments by the City.

**D. Sensitivity of the Total OPEB Liability to Changes in the Discount Rate and Healthcare Cost Trend Rates**

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current discount rate:

Total OPEB Liability/(Asset)		
Current		
Discount Rate -1%	Discount Rate	Discount Rate +1%
(2.65%)	(3.65%)	(4.65%)
\$42,574,467	\$37,877,467	\$33,977,418

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower or 1-percentage-point higher than the current healthcare cost trend rates:

Total OPEB Liability/(Asset)		
Healthcare Cost Trend Rates		
1% Decrease	Current Trend	1% Increase
\$36,413,461	\$37,877,467	\$39,887,672

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 11 – OTHER POST-EMPLOYMENT HEALTHCARE BENEFITS (Continued)**

**E. OPEB Expenses and Deferred Outflows/Inflows of Resources Related to OPEB**

For the year ended June 30, 2024, the City recognized OPEB expense of \$2,440,035. At June 30, 2024, the City reported deferred outflows and inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Employer contributions made subsequent to the measurement date	\$2,002,773	
Differences between actual and expected experience	1,025,398	(\$56,633)
Changes of assumptions	3,535,282	(6,621,975)
Total	<u>\$6,563,453</u>	<u>(\$6,678,608)</u>

\$2,002,773 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the OPEB liability in the year ended June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized as part of OPEB expense as follows:

Year Ended June 30	Annual Amortization
2025	(\$39,205)
2026	23,452
2027	110,311
2028	(290,906)
2029	(911,316)
Thereafter	(1,010,264)

**NOTE 12 – DEFERRED COMPENSATION PLAN**

City employees may defer a portion of their compensation under a City sponsored Deferred Compensation Plans created in accordance with Internal Revenue Code Sections 401 and 457. Under the Plan, participants are not taxed on the deferred portion of their compensation until distributed to them; distributions may be made only at termination, retirement, and death or in an emergency as defined by the Plans.

The Plans are part of the public agency agent multiple-employer defined contribution plans that are administered by Mission Square Retirement (formerly ICMA RC) and, Newport Retirement Services (Newport). Benefit provisions under the Plans are established by City resolution. The City has no liability for any losses incurred by the Plans and does not participate in any gains, but does have the duty of due care that would be required of an ordinary prudent investor. The City has a contract with Mission Square and Newport to manage and invest the assets of the Plans. The administrator pools the assets of the Plan with those of other participants and does not make separate investments for the City. The assets in the Plans are the sole property of the participants or their beneficiaries. Since the assets held under the Plans are not the City's property and are not subject to claims by general creditors of the City, they have been excluded from these financial statements. The Plans require investments to be stated at fair market value and it requires all gains and losses on Plan investments to accrue directly to participant accounts. A summary of eligibility and employer contribution requirements for the City's Plans are shown below by bargaining unit:

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 12 – DEFERRED COMPENSATION PLAN (Continued)**

**Fire**

The City will contribute \$20.00 per month to the deferred compensation plan.

If employee chooses to decline health insurance coverage, the City will contribute \$350 to their deferred compensation account or cash in lieu of deferred compensation each month through June 30, 2023. Effective July 1, 2023, the potential monthly contribution increases to \$600.

**Manteca Mid-Manager Association**

Employees receive a non-PERSable stipend equal to 2% of their base salary. The 2% stipend can be cashed out or placed into a deferred compensation account. This option can occur anytime during the fiscal year. The stipend will be forfeited at separation. Any unused stipend will be automatically cashed out on June 30. An employee hired after July 1, will receive a prorated stipend in the fiscal year in which they were hired.

If employee chooses to decline health insurance coverage, the City will contribute \$450 to their deferred compensation account or cash in lieu of deferred compensation each month through June 30, 2023. Effective July 1, 2023, the potential monthly contribution increases to \$600.

**Manteca Police Employees' Association**

The City will contribute 4% of base salary per month to the deferred compensation plan.

If an employee chooses to decline health insurance coverage, the City will contribute to the employee's deferred compensation account or cash in lieu of deferred compensation of \$425 each month through June 30, 2023. Effective July 1, 2023, the potential monthly contribution increases to \$600.

**Manteca Police Officers' Association**

The City will contribute 1% of base salary per month to the deferred compensation plan.

If a member chooses to decline health insurance coverage, the City will issue a non-PERS stipend of \$530 in lieu of medical coverage, provided proof of coverage is obtained through June 30, 2023. Effective July 1, 2023, the potential monthly stipend increases to \$600. If a member chooses the stipend in lieu of coverage, the stipend can be used toward deferred compensation or taken as a cash payment.

**Manteca Public Safety Management Association**

Employees will receive a non-PERSable stipend equal to 6% of their base salary. The 6% stipend can be cashed out or placed into a deferred compensation account. This option can occur anytime during the fiscal year. The stipend will be forfeited at separation or on June 30th each year if not cashed out or placed into a deferred compensation account. An employee hired after July 1, will receive a prorated stipend in the fiscal year in which they were hired.

If an employee chooses to decline health insurance coverage, the City will contribute to the employee's deferred compensation account or cash in lieu of deferred compensation of \$450 each month through June 30, 2023. Effective July 1, 2023, the potential monthly contribution increases to \$600.

**Operating Engineers Local Union Unit 3**

The City will contribute 5% of base salary per month to the deferred compensation plan.

If employee chooses to decline health insurance coverage, the City will contribute \$475 to their deferred compensation account or cash in lieu of deferred compensation each month through June 30, 2023. Effective July 1, 2023, the potential monthly contribution increases to \$600.

**Manteca Technical and Support Services Association**

The City will contribute 2% of base salary per month to the deferred compensation plan.

If employee chooses to decline health insurance coverage, the City will contribute \$465 to their deferred compensation account or cash in lieu of deferred compensation each month through June 30, 2023. Effective July 1, 2023, the potential monthly contribution increases to \$600.

**Confidential Employees Unit**

Benefits mirror the designated units for each employee identified in this MOU.

**Executive Management**

Employees will receive a non-PERSable stipend equal to 6% of their base salary. The 6% stipend can be cashed out or placed into a deferred compensation account. This option can occur anytime during the fiscal year. The stipend will be forfeited at separation or on June 30 each year, if not cashed out or placed into a deferred compensation account. An employee hired after July 1, will receive a prorated stipend in the fiscal year in which they were hired.

The City will also contribute 5% per month to the deferred compensation plan.

If employee chooses to decline health insurance coverage, the City will contribute \$600 to their deferred compensation account or cash in lieu of deferred compensation each month

The City's required contributions for the year ended June 30, 2024 totaled \$950,849.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 13 – RISK MANAGEMENT**

**A. Coverage**

On June 1, 2002 the City joined the Municipal Pooling Authority's workers' compensation program. The City joined the Authority's general liability program on January 1, 1998. The Authority provides coverage against the following types of loss risks under the terms of a joint-powers agreement with the City and several other cities and governmental agencies as follows:

Type of Coverage (Deductible)	Coverage Limits
Liability (\$100,000)	\$34,500,000
All Risk Fire and Property:	
Property (\$25,000 all risk, \$5,000 fine art, \$10,000 water claims)	1,000,000,000
Flood*	25,000,000
Boiler and Machinery (\$10,000)	100,000,000
Vehicle Physical Damage (\$3,000 police; \$2,000 others)	250,000
Cyber Liability (\$50,000)	4,000,000
Public Entity Pollution Liability (\$250,000)	2,000,000
Government Crime (\$2,500)	5,000,000
Workers' Compensation (\$0)	Statutory Limit
Employment Liability (\$50,000)	2,000,000

\* \$100,000 minimum deductible per occurrence, except Zone A and V, which are subject to a \$250,000 deductible per occurrence

The Authority is governed by a Board consisting of representatives from member municipalities. The Board controls the operations of the Authority, including selection of management and approval of operating budgets, independent of any influence by member municipalities beyond their representation on the Board.

The City's deposits with the Authority are in accordance with formulas established by the Authority. Actual surpluses or losses are shared according to a formula developed from overall loss costs and spread to member entities on a percentage basis after a retrospective rating.

Audited financial statements can be obtained from Municipal Pooling Authority, 1911 San Miguel Drive #100, Walnut Creek, CA 94596.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 13 – RISK MANAGEMENT (Continued)**

**B. Liability for Uninsured Claims**

The City provides for the uninsured portion of claims and judgments in the Insurance Internal Service Fund. Claims and judgments, including a provision for claims incurred but not reported, are recorded when a loss is deemed probable of assertion and the amount of the loss is reasonably determinable. As discussed, above, the City has coverage for such claims, but it has retained the risk for the deductible, or uninsured portion of these claims.

The City's liability for uninsured claims was estimated by management based on prior years' claims experience as follows:

	Workers' Compensation Claims	General Liability Claims	Total
Balance June 30, 2022	\$639,568	\$869,534	\$1,509,102
Net change in:			
Liability for current fiscal year claims		83,968	83,968
Liability for prior fiscal years' claims and claims incurred but not reported (IBNR)	142,022	200,158	342,180
Claims paid	(5,040)	(314,568)	(319,608)
Balance June 30, 2023	776,550	839,092	1,615,642
Net change in:			
Liability for current fiscal year claims		93,880	93,880
Liability for prior years' claims and claims incurred but not reported (IBNR)	(21,055)	179,189	158,134
Claims paid	(21,127)	(496,942)	(518,069)
Balance June 30, 2024	\$734,368	\$615,219	\$1,349,587
Claims liability, due within one year	\$687,702	\$615,219	\$1,302,921

For the fiscal years ended June 30, 2024, 2023, and 2022 the amount of settlements did not exceed insurance coverage.

**NOTE 14 – LEASES**

**A. Policies**

A lease is defined as a contract that conveys control of the right to use another entity's nonfinancial asset (the underlying asset) as specified in the contract for a period of time in an exchange or exchange-like transaction. Examples of nonfinancial assets include buildings, land, vehicles, and equipment. The City recognizes lease receivables or liabilities with an initial, individual value of \$5,000 or more.

**Lessor** - The City is a lessor for noncancellable leases of buildings and facilities. The City recognizes a lease receivable and a deferred inflow of resources in the government-wide and fund financial statements.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 14 – LEASES (Continued)**

At the commencement of a lease, the City initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments include how the City determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts as follows:

- The City uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease.
- Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The City monitors changes in circumstances that would require a remeasurement of its lease, and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

**Lessee** - The City is a lessee for a noncancellable leases of buildings and equipment. The City recognizes a lease liability and an intangible right-to-use lease asset (lease asset) in the government-wide and proprietary fund financial statements.

At the commencement of a lease, the City initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized on a straight-line basis over its useful life.

Key estimates and judgments related to leases include how the City determines (1) the discount rate it uses to discount the expected lease payments to present value, (2) lease term, and (3) lease payments as follows:

- The City uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the City generally uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease.
- Lease payments included in the measurement of the lease liability are composed of fixed payments and purchase option price that the City is reasonably certain to exercise.

The City monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

Lease assets are reported with other capital assets and lease liabilities are reported with long-term debt on the statement of net position.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 14 – LEASES (Continued)**

**B. Leases Receivable**

The balances related to leases receivable and deferred inflows of resources as of June 30, 2024 were:

	Lease Receivable	Deferred Inflows of Resources
<b>Governmental Activities</b>		
Leases Receivable (Lessor)		
Communication Site Leases	\$575,079	\$547,201
<b>Business-Type Activities</b>		
Leases Receivable (Lessor)		
Building Leases	2,256,276	2,273,705
Total Leases Receivable	<u>\$2,831,355</u>	<u>\$2,820,906</u>

**Communication Site Leases** – The City leases various locations to third parties for the provisions of cable/mobile/wireless communications services. During the year ended June 30, 2024, the City had five leases, with original lease terms ranging from ten to twenty-five years, including the optional extension periods, and as of June 30, 2024, the leases had 1 to 13 years remaining. The City recognized \$81,342 in lease revenue and \$1,253 in interest revenue during the current fiscal year related to these leases. Also, the City has deferred inflows of resources associated with these leases that will be recognized as revenue over the lease term.

**Municipal Golf Course Leases** – The City leases buildings to a third party for the purpose of providing banquet facilities and a snack bar at the City’s municipal golf course. During the year ended June 30, 2024, the City had four leases, with original lease terms of ten to twenty years, including the optional extension periods. The City recognized \$83,342 in lease revenue and \$0 in interest revenue during the current fiscal year related to these leases.

**NOTE 14 – LEASES (Continued)**

**C. Leases Payable**

A summary of lease transactions for the fiscal year ended June 30, 2024, are as follows:

	Balance June 30, 2023	Deductions	Balance June 30, 2024	Current Portion
<b><i>Governmental Activities:</i></b>				
Building - Hensley	\$321,188	\$165,039	\$156,149	\$156,148
Equipment	15,741	8,517	7,224	5,643
Total Governmental Activities	<u>\$336,929</u>	<u>\$173,556</u>	<u>\$163,373</u>	<u>\$161,791</u>
<b><i>Business-Type Activities:</i></b>				
Building - Mobile Modular	\$8,548	\$7,325	\$1,223	\$1,223
Equipment	14,153	4,692	9,461	4,718
Total Business-Type Activities	<u>\$22,701</u>	<u>\$12,017</u>	<u>\$10,684</u>	<u>\$5,941</u>
Total Leases Payable	<u>\$359,630</u>	<u>\$185,573</u>	<u>\$174,057</u>	<u>\$167,732</u>

**Building Lease - Hensley** – The City entered into a five-year lease agreement with Hensley Properties, as lessee for the use of office space that commenced in May 2020. An initial lease liability was recorded in the amount of \$634,944 during fiscal year 2022 and as of June 30, 2024, the value of the lease liability was \$156,149. The City is required to make monthly principal and interest payments of \$13,020. The lease bears the City’s incremental borrowing rate of 4.57%. The value of the right-to-use asset as of the end of the current fiscal year was \$634,944 and had accumulated amortization of \$486,342.

**Equipment Leases** – The City entered into two three-year lease agreement with Konica Minolta, as lessee for the use of office equipment in February 2022. An initial lease liability was recorded in the amount of \$20,831 during fiscal year 2022 and as of June 30, 2024, the value of the lease liability was \$4,070. The City is required to make monthly principal and interest payments of \$6,987. The leases bear the City’s incremental borrowing rate of 4.26%. The value of the right-to-use assets as of the end of the current fiscal year was \$20,831 and had accumulated amortization of \$16,578.

The City entered into a five-year lease agreement with Pitney Bowes, as lessee for the use of office equipment that commenced in August 2021. An initial lease liability was recorded in the amount of \$31,317 during fiscal year 2022 and as of June 30, 2024, the value of the lease liability was \$12,617. The City is required to make monthly principal and interest payments of \$6,349. The lease bears the City’s incremental borrowing rate of 5.77%. The value of the right-to-use asset as of the end of the current fiscal year was \$31,317 and had accumulated amortization of \$17,832.

**Building Lease – Mobile Modular** – The City entered into a five-year lease agreement with Mobile Modular Management Corporation, as lessee for the use of office space that commenced in August 2021. An initial lease liability was recorded in the amount of \$21,922 during fiscal year 2022. As of June 30, 2024, the value of the lease liability was \$1,223. The City is required to make monthly principal and interest payments of \$7,341. The lease bears the City’s incremental borrowing rate of 3.15%. The value of the right-to-use asset as of the end of the current fiscal year was \$21,922 and had accumulated amortization of \$20,704.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 14 – LEASES (Continued)**

The future principal and interest lease payments as of June 30, 2024, were as follows:

Year Ending June 30	Governmental Activities			Business-Type Activities		
	Principal Payments	Interest Payments	Total	Principal Payments	Interest Payments	Total
2025	\$161,791	\$378	\$162,169	\$5,941	\$44	\$5,985
2026	1,582	6	1,588	4,743	17	4,760
	<u>\$163,373</u>	<u>\$384</u>	<u>\$163,757</u>	<u>\$10,684</u>	<u>\$61</u>	<u>\$10,745</u>

**D. Shopping Center Parking Lease Agreement**

In fiscal year 2007, the City entered into a lease agreement to lease public parking at a local shopping center. The lease became effective in fiscal year 2012 and the City is to make annual lease payments by September 1 of each year equal to 55% of the previous fiscal year's actual local sales taxes generated from the shopping center. Although the lease payments are based on the sales taxes collected, they can be made from any source of legally available funds. If the local sales taxes are insufficient in one year for the City to make the full scheduled lease payment, the shortfall carries to the next year without interest. Payments in excess of the scheduled annual lease payments are credited first to any outstanding shortfall and then against the total amount due under the lease. The total amount of lease payments to be made under the agreement is \$61,704,140; however, the agreement terminates in 2047, regardless of whether this amount has been paid to the developer. Therefore, the City has not recorded a liability for the lease, since the payments are contingent upon the collection of sales taxes. During fiscal year 2024, payments made to the developer under the agreement were \$327,246 and payments to date total \$4,651,821.

**NOTE 15 – SUBSCRIPTION-BASED INFORMATION TECHNOLOGY ARRANGEMENTS**

A Subscription-Based Information Technology Arrangement (SBITA) is a contract that conveys control of the right to use another party's (a SBITA vendor's) IT software, alone or in combination with tangible capital assets (the underlying IT assets), as specified in the contract for a period of time in an exchange or exchange-like transaction. The City recognizes SBITA assets/liabilities with an initial, individual value of \$5,000 or more.

At the commencement of a SBITA, the City initially measures the subscription liability at the present value of payments expected to be made during the contract term. Subsequently, the subscription liability is reduced by the principal portion of payments made. The subscription asset is initially measured as the initial amount of the subscription liability, adjusted for payments made at or before the SBITA commencement date, plus certain initial direct costs. Subsequently, the subscription asset is amortized on a straight-line basis over shorter of the subscription term or the useful life of the underlying IT assets.

Key estimates and judgments related to SBITAs include how the City determines (1) the discount rate it uses to discount the expected subscription payments to present value, (2) subscription term, and (3) subscription payments as follows:

- The City uses the interest rate charged by the IT vendor as the discount rate. When the interest rate charged by the IT vendor is not provided, the City generally uses its estimated incremental borrowing rate as the discount rate for subscription liabilities.
- The subscription term includes the noncancellable period of the subscription.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 15 – SUBSCRIPTION-BASED INFORMATION TECHNOLOGY ARRANGEMENTS (Continued)**

The City monitors changes in circumstances that would require a remeasurement of its subscription and will remeasure the subscription asset and liability if certain changes occur that are expected to significantly affect the amount of the subscription liability.

Subscription assets are reported with other capital assets and subscription liabilities are reported as long-term debt on the statement of net position.

A summary of governmental activities SBITA transactions for the fiscal year ended June 30, 2024, are as follows:

	Balance June 30, 2023	Additions	Deductions	Balance June 30, 2024	Current Portion
<b>Governmental Activities:</b>					
Subscription Liabilities					
FloQast	\$22,997		\$22,997		
Axon	33,841	\$417,321	104,175	\$346,987	\$96,687
LCT Applications and Platforms	46,554		11,175	35,379	11,479
DebtBook SaaS Application		29,051	8,000	21,051	9,389
Microsoft Enterprise	921,074		221,745	699,329	227,333
NextRequest	47,327		7,405	39,922	7,592
Total Subscription Liabilities	<u>\$1,071,793</u>	<u>\$446,372</u>	<u>\$375,497</u>	<u>\$1,142,668</u>	<u>\$352,480</u>

As of June 30, 2024, the City had six active subscriptions. The subscriptions have annual payments that range from \$7,592 to \$244,956 and interest rates that range from 2.1843% to 3.2380%. As of June 30, 2024, the total combined value of the subscription liability was \$1,142,668. The combined value of the right to use subscription assets as of the end of the current fiscal year was \$1,810,085 and had accumulated amortization of \$569,335. In addition, the City had two subscriptions in process that is effective in fiscal year 2025 and the costs incurred to date on that agreement have been recorded as subscription assets in progress in the amount of \$1,064,912 as of June 30, 2024.

The future principal and interest subscription liability payments as of June 30, 2024 for the active subscriptions, were as follows:

Year Ending June 30	Governmental Activities		
	Principal Payments	Interest Payments	Total
2025	\$352,480	\$28,454	\$380,934
2026	345,766	19,337	365,103
2027	342,441	11,003	353,444
2028	93,594	2,460	96,054
2029	8,387	211	8,598
	<u>\$1,142,668</u>	<u>\$61,465</u>	<u>\$1,204,133</u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 16 – COMMITMENTS AND CONTINGENCIES**

**A.     *Litigation***

The City is subject to litigation arising in the normal course of business. In the opinion of the City Attorney there is no pending litigation which is likely to have a material adverse effect on the financial position of the City.

**B.     *Federal and State Grant Programs***

The City participates in Federal and State grant programs. These programs have been audited by the City's independent accountants in accordance with the provisions of the Federal Single Audit Act as amended and applicable State requirements. No cost disallowances were proposed as a result of these audits. However, these programs are still subject to further examination by the grantors and the amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time. The City expects such amounts, if any, to be immaterial.

**C.     *Public Facilities Implementation Plan***

The City has developed a Public Facilities Implementation Plan (PFIP) to ensure that public facilities are adequate and constructed in accordance with the adopted master plans for water, sewer, storm drainage and traffic as the City grows and develops in accordance with its General Plan. Development Impact Fees are collected at or near the time of development and are used wherever practical to finance the expansion of infrastructure necessary to accommodate the demand for new capacity. In certain cases, developers may construct public improvements that are in the PFIP and enter into reimbursement agreements with the City. Developers are then granted credit against the fees owed or are reimbursed any remaining amounts owed to the developer by the City when sufficient funds are available from future development impact fees paid by subsequent development that benefit from the available improvements. As of June 30, 2024, the City had outstanding reimbursement commitments totaling \$28,588,039.

**D.     *Transient Occupancy Tax Sharing Agreement***

In fiscal April 2018, the City entered into a Disposition and Development Agreement (DDA) with a Developer to construct a destination resort (Project). Under the terms of the agreement, the City is to convey land to the Developer for \$675,000 in exchange for an agreement to develop the Project on the property. The sales price of the land is to be paid solely using transient occupancy tax revenue (TOT) generated by the Project. Escrow closed on the land in August 2018 and construction of the Project began in fiscal year 2019. Upon the close of escrow, the City will give the Developer a ten-year option to purchase an adjacent property at the fair market value at the time of purchase. For eighteen years following the issuance of a certificate of occupancy for the Project, the City may not provide financial incentives to any other entities for development of a similar project larger than 5,000 square feet.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 16 – COMMITMENTS AND CONTINGENCIES (Continued)**

In connection with the DDA, the City also entered into a Development Agreement (DA) with the Developer. Under the terms of the DA, beginning when TOT revenue is first received from the Project and continuing for 25 years thereafter, the City will allocate TOT revenue received on a quarterly basis in the following priority:

- (1) Pay \$2 million each year to the Developer, without interest.
- (2) Pay the Developer and the City pro-rata for reimbursable fees, amortized over two years, without interest, including any reimbursable fee shortfalls from prior years. Any reimbursable fee shortfalls remaining after two years will roll over to future years until paid in full. Reimbursable fees are any development fees paid by the City or Developer in cash or fee credit to any Non-City Agency in connection with the Project and any development fees paid by the Developer to planning/inspection consultants or to the City, up to \$500,000.
- (3) Pay the City for the property purchase price, amortized over 10 years, without interest, including any purchase price shortfalls from prior years. Any shortfalls remaining after 10 years will roll over to future years until paid in full.
- (4) Pay the City for deferred City fees, amortized over 20 years, without interest, including any shortfalls from prior years. Any shortfalls remaining after 20 years will roll over until paid in full. Deferred City fees are fees owed by the Developer to the City in connection with the Project and fees paid by the City to planning/inspection consultants in connection with the Project in excess of the \$500,000 paid by the Developer in (2) above.
- (5) Pay the Developer 75% of the remaining TOT revenue for the first 10 years and 50% for the following 15 years.

Finally, under the terms of the DDA, the City Council may not increase the transient occupancy tax rate applicable to the Project to a rate greater than (a) 12% for 10 years following the issuance of a certificate of occupancy for the Project, or (b) the regional average transient occupancy tax beginning in the 11th year following the issuance of a certificate of occupancy for the Project.

The grand opening of the Project was held in June 2021.

The City began collecting TOT revenue related to the Project during fiscal year 2022 and \$3,154,377 was paid to the Developer during fiscal year 2024 and \$10,121,092 has been paid to date. As of June 30, 2024, the deferred fees due from the developer total \$7,633,809, which have been recorded as accounts receivable in the applicable governmental and enterprise funds, which will be paid as the General Fund collects the TOT revenue, as noted above. In addition, the General Fund has recorded a loan receivable in the amount of \$472,500 as of June 30, 2024.

**E. Sales Tax Sharing Agreement – Furniture Retailer**

In June 2018, the City entered into a sales tax sharing agreement with a furniture retailer in the amount of \$3,000,000. The agreement became effective in June 2018 and the City is to make semi-annual payments each year equal to 50% of the total sales tax generated by the retailer and received by the City. Although the payments are based on the sales taxes collected, they can be made from any source of legally available funds. The agreement terminates on the date that the City has paid \$3,000,000 or ten years from the retail store opening, regardless of the unpaid balance. Construction of the retail furniture store was delayed due to the COVID-19 emergency; however, the project was fully permitted in July 2020 and construction began immediately following. The store opened in June 2021. During fiscal year 2024, payments made to the developer under the agreement were \$147,372 and payments to date total \$455,943.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 16 – COMMITMENTS AND CONTINGENCIES (Continued)**

**F. Construction Commitments**

The City has the outstanding construction commitments totaling \$17,829,269 as of June 30, 2024.

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**

**A. Redevelopment Dissolution**

In an effort to balance its budget, the State of California adopted ABx1 26 on June 28, 2011, amended by AB1484 on June 27, 2012, which suspended all new redevelopment activities except for limited specified activities as of that date and dissolved redevelopment agencies on January 31, 2012.

The suspension provisions prohibited all redevelopment agencies from a wide range of activities, including incurring new indebtedness or obligations, entering into or modifying agreements or contracts, acquiring or disposing of real property, taking actions to adopt or amend redevelopment plans and other similar actions, except actions required by law or to carry out existing enforceable obligations, as defined in ABx1 26.

ABx1 26 and AB1484 created three regulatory authorities, the Successor Agency Oversight Board, State Controller and Department of Finance (DOF), to review former Agency's asset transfer, obligation payments and wind down activities. ABx1 26 specifically directs the State Controller to review the activities of all redevelopment agencies to determine whether an asset transfer between an agency and any public agency occurred on or after January 1, 2011. If an asset transfer did occur and the public agency that received the asset is not contractually committed to a third party for the expenditure or encumbrance of the asset, the legislation purports to require the State Controller to order the asset returned to the Redevelopment Agency or, on or after February 1, 2012, to the Successor Agency.

In fiscal 2011 and 2012, the former Redevelopment Agency transferred \$58,959,477 of assets to the City. ABx1 26 and AB 1484 contain provisions that such transfers are subject to a review by the State Controller's Office. According to Health and Safety Code 34167.5, if such an asset transfer did occur during that period and the government agency that received the assets is not contractually committed to a third party for the expenditure or encumbrance of those assets, to the extent not prohibited by state and federal law, the Controller shall order the available assets to be returned to the former Redevelopment Agency or, on or after February 1, 2012, to the Successor Agency. As of June 30, 2012, assets totaling \$44,129,682, comprised of current assets of \$43,670,205 and capital assets of \$459,477, were held by the City. During fiscal year 2013, the City returned the current assets of \$43,670,205 to the Successor Agency and only the capital assets of \$459,477 were held by the City. The City received the results of the State Controller's asset transfer review in February 2015 that indicates the City is to return the capital assets in the amount of \$459,477 to the Successor Agency. Concurrent with the finalization of the asset transfer review, the City began working with the California Department of Finance (DOF) on the Agency's Long Range Property Management Plan (LRPMP). On December 17, 2015 the DOF approved the revised LRPMP and the Agency's use or disposition of all properties listed on the plan. This included the retention by the City of the \$459,477 capital asset previously identified in the State Controller's asset transfer review. Based on this approval, the identified asset will not be returned to the Agency.

Based on the passage of Senate Bill 107, the Agency amended the LRPMP to allow for the retention of one parcel that constituted a lot dedicated solely to public parking. The Oversight Board approved the amended LRPMP on June 29, 2016 and the revised LRPMP was submitted to the DOF for final approval. The final approval was received from the DOF during fiscal year 2017 and the identified parcel was transferred to the City during that fiscal year.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**  
**(Continued)**

Effective January 31, 2012, the Redevelopment Agency was dissolved. Certain assets of the Redevelopment Agency Low and Moderate Income Housing Fund were distributed to a Housing Successor; and the remaining Redevelopment Agency assets and liabilities were distributed to a Successor Agency.

Under the provisions of AB 1484, the City can elect to become the Housing Successor and retain the housing assets. The City elected to become the Housing Successor and on February 1, 2012, certain housing assets were transferred to the City's Low and Moderate Income Housing Asset Special Revenue Fund.

The activities of the Housing Successor are reported in the Low and Moderate Income Housing Assets Special Revenue Fund as the City has control of those assets, which may be used in accordance with the low and moderate income housing provisions of California Redevelopment Law.

The City also elected to become the Successor Agency and on February 1, 2012 the Redevelopment Agency's remaining assets were distributed to and liabilities were assumed by the Successor Agency. ABx1 26 requires the establishment of an Oversight Board to oversee the activities of the Successor Agency and one was established in April 2012. The activities of the Successor Agency are subject to review and approval of the Oversight Board, which was comprised of seven members, including one member of City Council and one former Redevelopment Agency employee appointed by the Mayor. On July 1, 2018, the duties of the Manteca Oversight Board transferred to a new San Joaquin Countywide Consolidated Oversight Board, which will now be responsible for overseeing the winddown affairs of all Successor Agencies in San Joaquin County, including the Manteca Successor Agency.

The activities of the Successor Agency are reported in the Successor Agency to the Redevelopment Agency Private-Purpose Trust Fund as the activities are under the control of the Oversight Board. The City provides administrative services to the Successor Agency to wind down the affairs of the former Redevelopment Agency.

AB1484 required the Successor Agency to complete two due diligence reviews – one for the low and moderate income housing assets of the Successor Agency (Housing DDR), and a second for all other balances of the Successor Agency (Non-housing DDR). The due diligence reviews are to calculate the balance of unencumbered balances as of June 30, 2012 available to be remitted to the County for disbursement to taxing entities. The Successor Agency submitted both due diligence reviews to the State Department of Finance for review and approval. The Department of Finance approved the Housing DDR in December 2012, which indicated that no funds were available for distribution. The Department of Finance did not initially approve the Non-housing DDR, which indicated that the Successor Agency had an unencumbered balance of \$1, and the State made adjustments to the Non-housing DDR and instead made a demand for the return of funds totaling \$10,161,469, which was remitted to the County in May 2013. The Successor Agency received its Finding of Completion in May 2013 which means it can now utilize bond proceeds for projects consistent with the original bond covenants.

In addition to the above transactions, the Non-housing DDR indicated that the City was to return unspent bond proceeds held by the Special Apportionment Streets Capital Improvement Fund totaling \$43,670,205 to the Successor Agency. The City made the transfer during fiscal year 2013.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**  
**(Continued)**

On October 22, 2013 the Oversight Board approved Bond Proceeds Funding Agreements (Agreements) between the Successor Agency and the City of Manteca in relation to specific bond projects associated with the \$43,670,205 in bond proceeds transferred back to the Successor Agency in Fiscal Year 2012-13. The DOF approved the Agreements on November 8, 2013 and December 9, 2013. The Agency included the requests for expenditure of the associated funds on the 2013-14B Recognized Obligation Payment Schedule (ROPS). Proceeds in the amount of \$12,009,030 were transferred from the Successor Agency to the City as of June 30, 2013 and were recorded in the Redevelopment Bonds Project Fund. An additional \$500,000 was approved for transfer on the Agency's 2014-15A ROPS and \$1,500,000 was approved for transfer on the Agency's 2015-15B ROPS. One of the eligible bond projects listed on the DOF approved 2013-14B ROPS was the reimbursement to the City of Manteca in the amount of \$3,864,030 for the land purchased in association with the proposed South County Courthouse and Administration Complex (APN 222-250-060). The original source of funding for the land purchase was the Development Mitigation Fund. During 2016 the Development Mitigation Fund was reimbursed the final land cost in the amount \$3,811,408 via an operating transfer from the Redevelopment Bonds Project Fund.

On February 24, 2015 the Oversight Board approved a Consolidated Non-Housing Bond Proceeds Funding Agreement (Agreement) between the Successor Agency and the City of Manteca. This final agreement approved the transfer of all remaining bond proceeds to the City for use on bond qualified expenditures. The remaining bond proceeds was included for approval in the Agency's 2015-16A ROPS. The DOF approved both the Agreement and the transfer of the remaining bond proceeds as listed on the 2015-16A ROPS on April 15, 2015. All remaining bond proceeds and interest totaling \$29,671,675 was transferred from the Agency to the City as of June 30, 2016.

Cash and investments of the Successor Agency as of June 30, 2024 are discussed in Note 3. Information presented in the following footnotes represents other assets and liabilities of the Successor Agency as of June 30, 2024.

***B. Redevelopment Agreements and Notes Receivable***

The Successor Agency assumed the non-housing loans receivable of the Redevelopment Agency as of February 1, 2012. The Redevelopment Agency engaged in programs designed to encourage economic development. Under these programs, grants or loans were provided under favorable terms to developers who agreed to expend these funds in accordance with the Agency's terms. The balances of the notes receivable arising from these programs at June 30, 2024 are set forth below:

AKF Development, LLC	\$54,080
Cabral Western Motors	338,040
Total notes receivable	<u>392,120</u>
Less: Allowance for conditional grants	<u>(392,120)</u>
Net long-term notes receivable	<u><u>\$0</u></u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**  
**(Continued)**

***AKF Development, LLC (Spreckels Park)***

On April 8, 2003 the Agency loaned an additional \$54,080 to AKF Development, LLC, of which \$54,080 was for assistance from the Agency's Fee Reduction Program. This additional loan was to partially finance the construction costs of Sexton Chevrolet Property in order to assist in the elimination of blight in an adjacent to the Project Area and will enhance the viability of the Project Area. The loan bears interest at five percent annual interest, and was due the earliest of the sixth anniversary of the opening of the automobile dealership or August 1, 2009. AKF signed a promissory note secured by a deed of trust. The Agency will forgive repayment of the loan if certain provisions regarding completion of public improvements, job creation, continued business for five years, and sales tax generation are met. As of June 30, 2024, the developer had not met all of the forgiveness provisions of the loan agreement, but the Agency had not yet required repayment of the loan and the principal balance outstanding was \$54,080.

***Cabral Western Motors***

On May 14, 2002 the Agency agreed to loan Cabral Western Motors \$338,040 at three percent interest to assist with the expansion of its facility, which includes a \$311,000 Forgivable Business Development Loan and a \$27,040 Development Fee Reduction Loan. The loans are secured by a second and third deed of trust, respectively. As of June 30, 2024, the principal balance outstanding was \$338,040.

***Conditional Grants***

The Agency has several programs under which it extends loans to qualifying individuals or groups for the purpose of improving the Agency's housing stock and/or its supply of low-and-moderate income housing. Certain of these loans provide for the eventual forgiveness of the loan balance if the borrower complies with all the terms of the loan over its full term. The Agency accounts for these loans as conditional grants in the Fiduciary fund financial statements, and provides a reserve against their eventual forgiveness using the straight-line method over the life of the respective loan.

**C. *Capital Assets***

The Successor Agency assumed the non-housing capital assets of the Redevelopment Agency as of February 1, 2012. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Contributed capital assets are valued at their estimated acquisition value on the date contributed. The Successor Agency's policy is to capitalize all assets with costs exceeding certain minimum thresholds and with useful lives exceeding two years.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase is reflected in the capitalized value of the assets constructed, net of interest earned on the invested proceeds over the same period.

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**  
**(Continued)**

Capital assets recorded as of June 30, 2024 comprise:

	Balance at June 30, 2023	Additions	Balance at June 30, 2024
Capital assets not being depreciated:			
Land	\$726,026		\$726,026
Capital assets being depreciated:			
Buildings and improvements	3,788,211		3,788,211
Less accumulated depreciation	(2,173,502)	(\$125,619)	(2,299,121)
Net capital assets being depreciated	1,614,709	(125,619)	1,489,090
Capital assets, net	<u>\$2,340,735</u>	<u>(\$125,619)</u>	<u>\$2,215,116</u>

**D. Long-Term Debt**

The Successor Agency assumed the long-term debt and interest-rate swap agreement of the Redevelopment Agency as of February 1, 2012.

**1. Current Year Transactions and Balances**

All of the long-term debt of the Successor Agency is comprised of Tax Allocation Bonds issued by the Redevelopment Agency. The Bonds are special obligations of the Agency and are secured only by the Agency's tax increment revenues. Tax Allocation Bond transactions were as follows:

	Balance June 30, 2023	Retirements	Balance June 30, 2024	Current Portion
<b>Redevelopment Agency Tax</b>				
<b>Allocation Bonds -</b>				
Tax Allocation Refunding Bonds Series 2020A and 2020B				
Subordinated Tax Allocation Bonds 1.590-4.0%	\$87,500,000	\$4,315,000	\$83,185,000	\$4,385,000
Plus: Unamortized Bond Premium	4,586,619	235,211	4,351,408	
<b>Total Successor Agency Debt</b>	<u>\$92,086,619</u>	<u>\$4,550,211</u>	<u>\$87,536,408</u>	<u>\$4,385,000</u>

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**  
**(Continued)**

**2. *Redevelopment Agency Tax Allocation Bonds***

The 2020 Bonds contain a provision that in an event of default, the Trustee may declare the principal of the bonds, together with all accrued interest at the date of default, immediately due and payable, or exercise any and all rights and remedies available to it under applicable law, including the right to enforce from the Successor Agency all payments due on the 2020 Bonds, and the Successor Agency will pay all reasonable fees and expenses incurred by the Trustee and those of its attorneys.

The Successor Agency has pledged all future tax increment revenues, for the repayment of the 2020 Tax Allocation Refunding Bonds. The pledge of all future tax increment revenues end upon repayment of the remaining debt service of \$111,267,136 for the Bonds, which is scheduled to occur in 2042.

With the dissolution of the Redevelopment Agency discussed above, Tax Increment is no longer distributed, and instead the Successor Agency receives payments from the County's Redevelopment Property Tax Trust Fund (RPTTF) that are to be used to fund debt service on the Bonds, with no distinction between housing and non-housing revenues. In addition, under the provisions of the laws dissolving the Redevelopment Agency, the Successor Agency only receives the funds necessary to fulfill its approved obligations. Total property taxes available for distribution to the Successor Agency and other taxing entities for fiscal year 2024 calculated by the County Auditor-Controller was \$26,041,599 and the total received by the Successor Agency for fiscal year 2024 debt service was \$5,861,798, which the Agency used, along with cash on hand, to pay the \$6,866,099 of fiscal year debt service.

**3. *Debt Service Requirements***

Annual debt service requirements, are shown below:

For the Year Ending June 30	Principal	Interest
2025	\$4,385,000	\$2,458,104
2026	4,450,000	2,360,709
2027	4,530,000	2,256,328
2028	4,610,000	2,137,456
2029	4,725,000	2,005,452
2030-2034	25,595,000	6,566,512
2035-2039	22,345,000	4,161,570
2040-2043	12,545,000	3,714,272
Total	83,185,000	\$25,660,403
Plus Bond Premium	4,351,408	
Gross Long Term Debt	\$87,536,408	

**CITY OF MANTECA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES**  
**(Continued)**

***E. Commitments and Contingencies***

**Payable to San Joaquin County**

When the Successor Agency sells capital assets, the net proceeds from the sale are to be remitted to the County Auditor-Controller for distribution to the taxing entities in the affected redevelopment area. During the year ended June 30, 2023, the Successor Agency sold a parcel of land to the City and the net proceeds of \$1,760,625 were due and payable to the County as of June 30, 2024.

**State Approval of Enforceable Obligations**

The Successor Agency prepares a Recognized Obligation Payment Schedule (ROPS) semi-annually that contains all proposed expenditures for the subsequent six-month period. The ROPS is subject to the review and approval of the Oversight Board as well as the State Department of Finance. Although the State Department of Finance may not question items included on the ROPS in one period, they may question the same items in a future period and disallow associated activities. The amount, if any, of current obligations that may be denied by the State Department of Finance cannot be determined at this time. The City expects such amounts, if any, to be immaterial.

#### Notes to Schedule:

**Benefit changes.** The figures above do not include any liability impact that may have resulted from plan changes which occurred after June 30. This applied for voluntary benefit changes as well as any offers of Two Years Additional Service Credit (a.k.a. Golden Handshakes).

**Changes in assumptions.** GASB 68, paragraph 68 states that the long-term expected rate of return should be determined net of pension plan investment expense, but without reduction for pension plan administrative expense. In 2016, 2018, 2019, 2020, 2021 and 2023 there were no changes. In 2022, the accounting discount rate reduced from 7.15% to 6.90%. In 2017, the accounting discount rate was reduced from 7.65 percent to 7.15 percent. In 2015, amounts reported reflect an adjustment of the discount rate from 7.5 percent (net of administrative expense) to 7.65 percent (without a reduction for pension plan administrative expense.) In 2014, amounts reported were based on the 7.5 percent discount rate.

#### Notes to Schedule

Valuation date:	6/30/2022
Methods and assumptions used to determine contribution rates:	
Actuarial cost method	Entry Age Normal
Amortization method	Level percentage of payroll, closed
Average remaining amortization period	15 years as of Valuation Date
Asset valuation method	Market Value of Assets
Inflation	2.75% for 2015 to 2019, 2.625% for 2020, 2.50% for 2021 and 2022, and 2.30% for 2023 and 2024
Salary increases	Varies by Entry Age and Service
Investment rate of return	7.50% for 2015 to 2018, 7.375% for 2019, 7.25% for 2020, 7.00% for 2021 and 2022 and 6.80% for 2023 and 2024, net of administrative expenses, including inflation
Retirement age	The probabilities of Retirement are based on the CalPERS Experience Study.
Mortality Rate Table	The probabilities of mortality are based on the CalPERS Experience Study. Pre-retirement and Post-retirement mortality rates include 20 years of projected mortality improvement using Scale AA published by the Society of Actuaries for 2015 to 2018. For 2019, 2020, 2021, and 2022, pre-retirement and post-retirement mortality rates include 15 years of projected mortality improvement using 90% of Scale MP-2016 published by the Society of Actuaries. For 2023 and 2024, pre-retirement and post-retirement mortality rates include generational mortality improvement using 80% of Scale MP-2020 published by the Society of Actuaries.

<b>MAJOR GOVERNMENTAL FUNDS, OTHER THAN GENERAL FUND AND SPECIAL REVENUE FUNDS</b>
--

**PUBLIC FACILITIES IMPLEMENTATION PLAN FUND** - This fund was initially established to account for the costs incurred for the development of a Public Facilities Implementation Plan. This fund accounts for the developer impact fees collected and expended in the construction of the Drainage and Transportation elements of the Plan. The Sewer and Water developer impact fees collected and expended in connection with the Plan are accounted for in their respective Enterprise Funds.

**STATE GASOLINE TAX FUND** - Established to account for the construction and maintenance of the street system in Manteca. Financing is provided by the City's share of state gasoline taxes and State of California under AB2928. The allocations from AB2928 must be spent on local streets and roads maintenance, rehabilitation and reconstruction projects according to the tax levied for that purpose by San Joaquin County.

**GAS TAX SB1 FUND** - Established to account for the Road Maintenance and Rehabilitation Account that addresses deferred maintenance of the local street and road systems and is funded by the State of California.

<b>NON-MAJOR GOVERNMENTAL FUNDS</b>
-------------------------------------

**SPECIAL REVENUE FUNDS:****COMMUNITY DEVELOPMENT BLOCK GRANT**

Established to account for projects financed by the Federal Housing and Urban Development Department through San Joaquin County.

**POLICE GRANTS**

Established to account for the City's various Police grants. The U.S. Department of Justice Universal Hiring Grants are used to hire additional Patrol officers as well as to provide officers to each of the City's high school attendance areas for the school's Resource Officer Program. The Federal Local Law Enforcement Block Grants are used to supplement communications and equipment needs. State grants are used for specific equipment and personnel costs incurred in the implementation of the grant specific programs.

**SUPPLEMENTAL LAW ENFORCEMENT SERVICES**

Established to account for the Citizens Option for Public Safety (COPS) appropriation pursuant to Assembly Bill 3229. The Manteca police department is using these funds for front-line law enforcement programs.

**STREET IMPROVEMENTS**

Established to account for financing of the City's traffic signal installations and highway interchange. Financing is provided by specific traffic signal installation and highway interchange fees imposed on developments.

**MAJOR EQUIPMENT PURCHASE FEE**

Established to account for financing of major equipment utilization by City departments. Financing is provided by specific major equipment purchase fees imposed on developments.

**LANDSCAPE AND LIGHTING MAINTENANCE DISTRICT**

Established to account for the financing of lighting and landscape maintenance districts formed pursuant to the Landscaping and Lighting Act of 1972 and benefit assessment districts formed pursuant to the Benefit Assessment Act of 1982. The City currently has twenty five approved districts.

**DEVELOPMENT MITIGATION**

Established to account for the collection and use of fees collected as part of negotiated development agreements. These fees include a Development Agreement Fee, and Economic Development Fee, a Public Facilities Fee, a Development Services Fee, a Public Safety Endowment Fee, and a Recreational Amenities Fee.

<b>NON-MAJOR GOVERNMENTAL FUNDS (Continued)</b>
---

**COMMUNITY FACILITIES DISTRICTS**

The Community Facilities Districts Fund (CFD) was established to account for the monies collected and special taxes levied in association with the formation of and services associated with Community Facilities Districts.

**FIRE GRANTS**

The Fire Grants Fund was established to account for the fire grants received by the City. Federal grants are used for specific equipment and personnel costs incurred in the implementation of the grant programs.

**PUBLIC SAFETY SALES TAX**

Established to account for all proceeds collected from the levying of the Gang and Drug Prevention, 9-1-1 Emergency and Public Safety Improvement Transactions and Use Tax. Taxes received are to be used solely for the public safety services set forth in the Program Guidelines and Public Safety Expenditure Plan. The Public Safety Expenditure Plan may be amended from time to time by a majority vote of the City Council, so long as the funds are utilized for public safety, police and fire protection services.

**INNOVATION AND TECHNOLOGY**

Established during the year ended June 30, 2021 to account for the creation, expansion, and maintenance of a fiber conduit network and future “Smart City” technology initiatives and infrastructure projects throughout the City.

**ENGINEERING SERVICES**

Established to account for developer fees used to oversee planning, design, and construction for new capital projects.

**COVID RELIEF**

Established to account for federal grant funding and expenditures dedicated to support the City’s response to COVID-19.

**CAPITAL IMPROVEMENT FUNDS:****REGIONAL TRANSPORTATION IMPACT FEES**

Established to account for fees collected in association with the Regional Transportation Impact Fee Program (RTIF). The RTIF Program is a County-wide program administered by the San Joaquin Council of Governments as part of a regional effort to mitigate traffic congestion. Improvements to the Regional Transportation Network have been identified in the RTIF Capital Project list. This program collects fees from future residential and non-residential development. Fees collected are used exclusively on identified projects locally and within the region.

<b>NON-MAJOR GOVERNMENTAL FUNDS (Continued)</b>
---

**MEASURE K**

Established to account for the construction and maintenance of the street system in Manteca financed with a 1/2 cent sales tax levied for that purpose by San Joaquin County. The tax was established in 1999, renewed in 2006 and sunsets in 2036.

**PARKS**

Established to account for the construction and maintenance of all City owned parks. Financing is provided by a special parks improvement fee imposed on developments.

**FLOOD PROTECTION**

Established to account for permit payments that are collected for the two-hundred-year flood.

**REDEVELOPMENT BONDS PROJECTS**

This fund was established to account for the financing and construction activities funded with the tax-exempt proceeds from the issuance of the former Manteca Redevelopment Agency's long-term debt.

**FIRE FACILITIES FEE**

Established to account for financing and construction activities related to Fire Facilities. Financing is provided by fees imposed on developments.

**NEIGHBORHOOD PARKS IN LIEU FEE**

Established to account for fees paid by developers in-lieu of building and dedicating a park when a development is determined to be too small to develop their own neighborhood park.

**GOVERNMENT BUILDING FACILITIES FUND**

Established to account for the financing and construction activities of the Civic Center expansion and other City facilities, as well as fire sprinkler fees. Financing is provided by government building facilities fees and fire fees imposed on developments.

**SPECIAL APPORTIONMENT STREETS FUND**

Established to account for the construction and maintenance of the street system in Manteca. Financing is provided through local transportation funds and State and Federal grants.

<b>INTERNAL SERVICE FUNDS</b>
-------------------------------

Internal Service Funds are used to finance and account for special activities and services performed by a designated department for other departments in the City on a cost reimbursement basis.

For the Statement of Activities, the net revenues or expenses of each internal service fund are eliminated by netting them against the operations of the other City departments which generated them. The remaining balance sheet items are consolidated with these same funds in the Statement of Net Position.

However, internal service funds are still presented separately in the Fund financial statements, including the funds below.

**VEHICLE**

Established to account for the purchase and replacement of vehicles utilized by City departments.

**EQUIPMENT**

Established to account for the purchase and replacement of equipment (including Information Systems equipment) utilized by City departments.

**INSURANCE**

Established to account for the self-insured portion of the City's workers' compensation and liability insurance programs.

## STATISTICAL SECTION

This part of the City's Annual Comprehensive Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health. In contrast to the financial section, the statistical section information is not subject to independent audit.

### ***Financial Trends***

These schedules contain trend information to help the reader understand how the City's financial performance and wellbeing have changed over time:

1. Net Position by Component
2. Changes in Net Position
3. Fund Balance of Governmental Funds
4. Changes in Fund Balances of Governmental Funds
5. General Revenues by Source
6. General Expenditures by Function

### ***Revenue Capacity***

These schedules contain information to help the reader assess the City's most significant local revenue source, the property tax:

1. Assessed and Estimated Value of Taxable Property
2. Direct and Overlapping Property Tax Rates
3. Principal Property Taxpayers
4. Property Tax Levies and Collections
5. Manteca Redevelopment Project Area No. 1 – Top Twenty Assessed Values
6. Manteca Redevelopment Project Area No. 2 – Top Twenty Assessed Values
7. Manteca Redevelopment Merged Project Area (2005 Merged Project Amended Area) – Top Twenty Assessed Values
8. Manteca Redevelopment Amended Merged Project Area (2004 Amended Area) – Top Twenty Assessed Values
9. Taxable Sales by Category
10. Direct and Overlapping Sales Tax Rates
11. Principal Sales Tax Payers

### ***Debt Capacity***

These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future:

1. Ratio of Outstanding Debt by Type
2. Computation of Direct and Overlapping Debt
3. Computation of Legal Bonded Debt Margin
4. Revenue Bond Coverage – Water Revenue Bonds
5. Revenue Bond Coverage – Sewer Revenue Bonds
6. Bonded Debt Pledged Revenue Coverage -- Redevelopment Agency Tax Allocation Bonds

<b>STATISTICAL SECTION (Continued)</b>
--

***Demographic and Economic Information***

These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place:

1. Demographic and Economic Statistics
2. Principal Employers

***Operating Information***

These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs:

1. Full-Time Equivalent City Government Employees by Function
2. Operating Indicators and Capital Assets Statistics by Function/Program

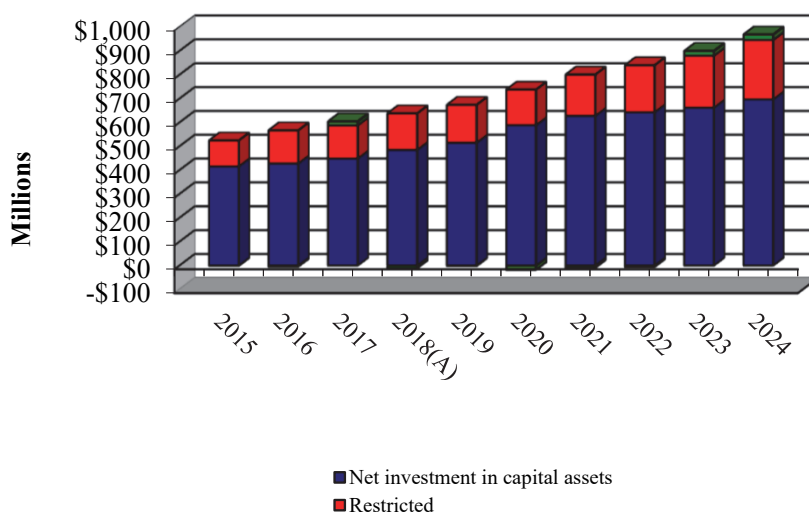

***Sources***

Unless otherwise noted, the information in these schedules is derived from the Annual Comprehensive Financial Reports for the relevant year.

- (a) The State Constitution requires property to be assessed at one hundred percent of the most recent purchase price, plus an increment of no more than two percent annually, plus any local over-rides. These values are considered to be full market values.
- (b) California cities do not set their own direct tax rate. The state constitution establishes the rate at 1% and allocates a portion of that amount, by an annual calculation, to all the taxing entities within a tax rate area. The City of Manteca encompasses more than 15 tax rate areas.

**Notes:**

(1) In 1978, California voters passed Proposition 13 which set the property tax rate at 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of any voter approved bonds.

(2) Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all property owners.

(3) City's share of 1% Levy is based on the City's share of the general fund tax rate area with the largest net taxable value within the City. The ERAF portion of the City's Levy has been subtracted where know.

(4) Total Direct Rate is the weighted average of all individual direct rates applied by the City/Agency preparing the statistical section information and excludes revenues derived from aircraft. Beginning in 2013/14 the Total Direct Rate no longer includes revenue generated from the former redevelopment tax rate areas. Challenges to recognized enforceable obligations are assumed to have been resolved during 2012/13. For the purposes of this report, residual revenue is assumed to be distributed to the City/Agency in the same proportions as general fund revenue.

The ratios are expressed as dollars assessed per \$100 of assessed valuation

Source: City of Manteca Records

NOTE: Current tax collections beginning in 1993 have been reduced by a mandatory tax reallocation imposed by the State of California

(a) During fiscal year 1995, the County began providing the City 100% of its tax levy under an agreement which allows the County to keep all interest and delinquency charges collected.

(b) Includes State Mandated Vehicle License Fee in lieu of property taxes

NOTE:

- (a) California Government Code, Section 43605 sets the debt limit at 15%. The Code section was enacted prior to the change in basing assessed value to full market value when it was previously 25% of market value. Thus, the limit shown as 3.75% is one-fourth the limit to account for the adjustment of showing assessed valuation at full cash value.

Note: (a) The Redevelopment Agency was dissolved effective January 31, 2012, and its liabilities were assumed by a Successor Agency. Amounts reported here include tax revenue and debt service of both the former Redevelopment Agency and the Successor Agency.

(b) Beginning in fiscal year 2012, tax increment reported in this table is the amount calculated by the County Auditor-Controller. Under the provisions of the laws dissolving the Redevelopment Agency, the Successor Agency only receives the funds necessary to fulfill its approved obligations.

(c) Excludes the letter of credit and remarketing fees on the 2005 Tax Allocation Bonds.

(d) Excludes principal retirements related to the issuance of the Series 2020A and 2020B Refunding Bonds.

## INDEPENDENT AUDITOR'S REPORT

To the Honorable Members of the  
Board of Directors of the Manteca Financing Authority  
Manteca, California

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of the 2009 Sewer Revenue Bonds Fund (Fund) of the Manteca Financing Authority (Authority), a component unit of the City of Manteca (City), California, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the Table of Contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the 2009 Sewer Revenue Bonds Fund of the Authority, as of June 30, 2024, and the change in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirement relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by this missing information.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 22, 2025, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

A handwritten signature in cursive script that reads "Mary & Associates".

<b>MANTECA FINANCING AUTHORITY</b>
------------------------------------

<b>STATEMENT OF NET POSITION AND STATEMENT OF REVENUES AND CHANGES IN NET POSITION</b>
--

The purpose of The Statement of Net Position and the Statement of Revenues and Changes in Net Position is to summarize the entire Authority's financial activities and financial position. They are prepared on the same basis as is used by most businesses, which means they include all the Authority's assets and deferred outflows of resources and all its liabilities and deferred inflows of resources, as well as all its revenues and expenses.

The Statement of Net Position reports the difference between the Authority's total assets and deferred outflows of resources and the Authority's total liabilities and deferred inflows of resources, including all the Authority's long-term debt. The Statement of Net Position summarizes the financial position of all the Authority's activities in a single column.

The Statement of Revenues, Expenses, and Changes in Net Position reports increases and decreases in the Authority's net position. It is also prepared on the full accrual basis, which means it includes all the Authority's revenues and all its expenses, regardless of when cash changes hands.

<p style="text-align: center;"><b>MANTECA FINANCING AUTHORITY</b> <b>NOTES TO BASIC COMPONENT UNIT FINANCIAL STATEMENTS</b> <b>For the Year Ended June 30, 2024</b></p>
---

<p><b>NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</b></p>
---

**A. *Organization and Purpose***

The Manteca Financing Authority (Authority) is a Joint Powers Authority organized by the City of Manteca (City) and the Manteca Redevelopment Agency (Agency) on May 1, 1991 under the laws of the State of California. The Authority was organized to provide assistance to the City and Agency in financing public improvements for the benefit of the residents of the City and surrounding areas. Administrative and related normal business expenses incurred in the day-to-day operations of the Authority are provided by the City and are not included in the accompanying financial statements. Such expenses are insignificant to the Authority's operations.

The Authority is an integral part of the City and the accompanying financial statements are included as a component of the basic financial statements prepared by the City. A component unit is a separate governmental unit, agency, or nonprofit corporation which, when combined with all other component units, constitutes the reporting entity as defined in the City's basic financial statements.

**B. *Basis of Presentation***

The Authority's Basic Component Unit Financial Statements are prepared in conformity with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board is the acknowledged standard setting body for establishing accounting and financial reporting standards followed by governmental entities in the U.S.A.

These Standards require that the financial statements described below be presented.

**Fund Financial Statements:** The fund financial statements provide information about the Authority's funds. The emphasis of fund financial statements is on major individual funds, each of which is displayed in a separate column. The Authority considers its only fund to be a major fund.

**C. *Basis of Accounting***

The Authority accounts for all transactions in a single enterprise fund (proprietary fund type). A fund is an accounting entity with a self-balancing set of accounts established to record the financial position and results of operations of a specific governmental activity. The activities of enterprise funds closely resemble those of the private sector in which the purpose is to conserve and add to economic resources. Enterprise funds account for operations that provide services on a continuous basis and are substantially financed by revenues derived from user charges.

The financial statements are reported using the economic resources measurement focus and the full accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place.

**D. *Major Fund***

The Authority's only fund is required to be identified as a major fund and presented in the fund financial statements. Major funds are defined as funds that have either assets and deferred outflows of resources, liabilities and deferred inflows of resources, revenues or expenses equal to ten percent of their fund-type total and five percent of the grand total.

**MANTECA FINANCING AUTHORITY**  
**NOTES TO BASIC COMPONENT UNIT FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The Authority reported its only fund, the 2009 Sewer Revenue Bonds Enterprise Fund, as a major enterprise fund in the accompanying financial statements, and the fund is used to account for Bond transactions.

**E. Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Authority categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 inputs are inputs – other than quoted prices included within level 1 – that are observable for an asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for an asset or liability.

If the fair value of an asset or liability is measured using inputs from more than one level of the fair value hierarchy, the measurement is considered to be based on the lowest priority level input that is significant to the entire measurement.

**F. Estimates and Assumptions**

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 2 - INVESTMENTS HELD BY TRUSTEE**

The Authority invests in individual investments and in investment pools. Individual investments are evidenced by specific identifiable pieces of paper called *securities instruments*, or by an electronic entry registering the owner in the records of the institution issuing the security, called the *book entry* system.

The Authority's investments are carried at fair value, as required by generally accepted accounting principles. The Authority adjusts the carrying value of its investments to reflect their fair value at each fiscal year end, and it includes the effects of these adjustments in income for that fiscal year.

**MANTECA FINANCING AUTHORITY**  
**NOTES TO BASIC COMPONENT UNIT FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 2 - INVESTMENTS HELD BY TRUSTEE (Continued)**

**A. Investments Authorized by Debt Agreements**

In accordance with the Lease Revenue Bond Indenture of Trust, a Trustee holds the portion of Bond proceeds established as reserves for debt service on these Bonds. The California Government Code requires these funds to be invested in accordance with bond indentures or State statutes. The table below identifies the investment types and their minimum credit ratings that are authorized for investments held by trustee and certain provisions of the debt agreement. The bond indenture contains no limitations for the maximum investment in any one issuer or the maximum percentage of the portfolio that may be invested in any one investment type.

Authorized Investment Type	Maximum Maturity	Minimum Credit Quality
United States Treasury Bill, Bonds, Notes	5 years	N/A
United States Government Agency Obligations	5 years	N/A
Bankers' Acceptances	30 days to 1 year	A-1
Commercial Paper	270 days to 1 year	A-1
Certificates of Deposit	30 days to 5 years	None to A
Repurchase Agreements	None to 30 days	A-1
Local Agency Investment Fund	n/a	Not rated
Money Market Funds	n/a	AA-m
Investment Agreements	None	None to AA
State and Municipal Bonds, Notes	None	Two Highest Categories

**B. Interest Rate Risk**

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates.

Information about the sensitivity of the fair values of the Authority's investments to market interest rate fluctuations is provided by the following table that shows the distribution of the Authority's investments by maturity:

Investment Type	12 Months or Less
<b>Held by Trustees:</b>	
Money Market Funds (U.S. Securities)	<u>\$2,007,187</u>

**C. Credit Risk**

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The actual rating as of June 30, 2024, for the Money Market Funds was AAAM as provided by Standard & Poor's investment rating system. Money market funds are available for withdrawal on demand and at June 30, 2024, have an average maturity of 6 days.

**MANTECA FINANCING AUTHORITY**  
**NOTES TO BASIC COMPONENT UNIT FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 2 - INVESTMENTS HELD BY TRUSTEE (Continued)**

**D. Fair Value Hierarchy**

The Authority categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure fair value of the assets. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. The Authority's money market funds are measured at amortized cost as of June 30, 2024.

**NOTE 3 - RECEIVABLE FROM THE CITY OF MANTECA**

The Authority used the proceeds from its Bond issues to finance capital improvements throughout the City. The City leases these improvements from the Authority under the terms of the lease agreement that expires in 2037.

Anticipated receipts of the base rental payments, net of cash and investments held by trustee, capitalized interest proceeds and interest expense net of anticipated interest earned on the investments, are as follows:

Year ending June 30	Principal	Interest	Total
2025	\$560,000	\$948,871	\$1,508,871
2026	640,000	919,221	1,559,221
2027	720,000	885,221	1,605,221
2028	810,000	846,465	1,656,465
2029	905,000	801,953	1,706,953
2030-2034	5,330,000	3,184,536	8,514,536
2035-2037	10,035,000	405,874	10,440,874
	<u>\$19,000,000</u>	<u>\$7,992,141</u>	26,992,141
	<u>Less:</u>		
	Investments held by trustee		2,007,187
	Amount representing interest		<u>7,992,141</u>
Receivable from the City of Manteca June 30, 2024			<u><u>\$16,992,813</u></u>

**MANTECA FINANCING AUTHORITY**  
**NOTES TO BASIC COMPONENT UNIT FINANCIAL STATEMENTS**  
**For the Year Ended June 30, 2024**

**NOTE 4 - LONG TERM DEBT**

On May 27, 2009 the Authority issued the Sewer Revenue Bonds Series 2009 in the amount of \$19,000,000 to finance the City's expansion and upgrade of its Wastewater Quality Control Facility. The 2009 Revenue Bonds are secured by installment payments payable by the City of Manteca under the Installment Sales Agreement dated December 1, 2003, as amended by Amendment 1 dated June 1, 2009. The installment payments are special limited obligations of the City and are secured by a pledge of and lien on the net revenues of the City's sewer system.

On July 5, 2023, Moody's Investors Service withdrew the City's issuer rating and also withdrew its rating of the 2009 Revenue Bonds, due to the City's delay in issuing the audited financial statements. In addition, Fitch Ratings withdrew its AA- rating for the 2009 Revenue Bonds for the same reason.

Annual debt service requirements are shown below for the long-term debt:

Year	Principal	Interest	Total
2025	\$560,000	\$1,045,112	\$1,605,112
2026	640,000	1,015,462	1,655,462
2027	720,000	981,462	1,701,462
2028	810,000	942,706	1,752,706
2029	905,000	898,194	1,803,194
2030-2034	5,330,000	3,665,741	8,995,741
2035-2037	10,035,000	887,079	10,922,079
Total	<u>\$19,000,000</u>	<u>\$9,435,756</u>	<u>\$28,435,756</u>
