

SAN JOAQUIN
— COUNTY —
Greatness grows here.

175th Anniversary – City of Manteca

June 3, 2025

History

"How Far We've Come" 1st Place

A. Vasquez

Artist Statement

"The clock represents the evolution of San Joaquin County throughout time, including its festivals, agriculture, engineering, and advancements in the economy. If you look closely, the clock marks 2:09 to represent our area code. I hope this logo inspires others to recognize how far we've come, and the hope of where we are going, because time never stops."

175th Commemorative Logo

175 Years of Growing
Greatness: Rooted in
the Past, Prosperity for
the Future
