**Re: Renewal Option in Cooperation Agreement**

Dear Ms. Palomares:

The Manteca City Council at its June 16, 2026 meeting authorized me to send a letter to the County exercising the City's renewal option in the Cooperation Agreement with the County of San Joaquin for the CDBG and HOME programs through Fiscal Year 2026 - 28.

This letter hereby serves as the City's notice to exercise the option to the Cooperation Agreement.

Thank you for the assistance you have provided the City of Manteca in the past with these two programs. We look forward to a continued successful working relationship.

Sincerely,

Toni Lundgren  
City Manager  
City of Manteca
