CONSULTANT'S STATE LICENSE CLASSIFICATION & NUMBER (if required)
hereinafter referred to as "Consultant".

WITNESSETH:

A. WHEREAS, CITY desires to enter into this Agreement for services for Technology Modernization and Service Delivery Support.

B. WHEREAS, CITY desires to retain CONSULTANT to provide these services by reason of its qualifications, applicable license(s), and experience for performing such services, and CONSULTANT has offered to provide the required services on the terms and in the manner set forth herein.

NOW, THEREFORE, in consideration of their mutual covenants, the parties hereto agree as follows:

AGREEMENT**1. SCOPE OF SERVICES:**

A. Consultant shall do all work, attend all meetings, produce all reports and carry out all activities necessary to completion of the services described in **Exhibit "A"**. This Contract and its exhibits shall be known as the "Contract Documents." Terms set forth in any Contract Document shall be deemed to be incorporated in all Contract Documents as if set forth in full therein. In the event of conflict between terms contained in these Contract Documents, the more specific term shall control. If any portion of the Contract Documents shall be in conflict with any other portion, provisions contained in the Contract shall govern over conflicting provisions contained in the exhibits to the Contract. To eliminate doubt, in the case of conflict

between Consultant's proposal or Consultant's attachments and the City's Contract and attachments, the City's Contract and attachments shall take precedence over Consultant's proposal and attachments.

B. Consultant enters into this Contract as an independent contractor and not as an employee of the City. The Consultant shall have no power or authority by this Contract to bind the City in any respect. Nothing in this Contract shall be construed to be inconsistent with this relationship or status. All employees, agents, contractors or subcontractors hired or retained by the Consultant are employees, agents, contractors or subcontractors of the Consultant and not of the City. The City shall not be obligated in any way to pay any wage claims or other claims made against Consultant by any such employees, agents, contractors or subcontractors, or any other person resulting from performance of this Contract.

C. The Consultant agrees it has satisfied itself by its own investigation and research regarding the conditions affecting the work to be done and labor and materials needed, and that its decision to execute this Contract is based on such independent investigation and research.

2. TERM OF CONTRACT

A. The services of Consultant are to commence upon execution of this Agreement and shall be completed and this Contract terminated on Tuesday, June 30, 2026, unless otherwise extended in writing by the mutual agreement of both parties.

B. The City Manager or his or her designee may, by written instrument signed by the Parties, extend the duration of this Contract in the manner provided in Section 5, provided that the extension does not require the payment of compensation in excess of the maximum compensation set forth in Section 3, Compensation.

3. COMPENSATION:

A. The Consultant shall be paid in accordance to the attached Payment Schedule in **Exhibit "C"**. Consultant charges separately for certain costs incurred in the representation, as well as for any disbursements to third parties made on City's behalf. Such costs and disbursements include, for example, the following: mileage (at the IRS rate in effect at the time the travel occurs), overnight delivery and messenger services. Consultant shall be reimbursed for expenses related to travel, for example (flights, hotels, meals). However, Consultant shall not make travel arrangements or incur costs on behalf of City without prior written authorization to incur said expenses and in no event shall total compensation under this Contract exceed Seventy Five Thousand Dollars and Zero Cents (\$75,000.00) without City's prior written approval.

B. Said amount shall be paid upon submittal of monthly billings showing completion of the tasks that month. Consultant shall furnish City with invoices for all expenses as well as for all materials authorized by this Contract. The invoices shall be submitted with the monthly billings.

C. If the work is halted at the request of the City, compensation shall be based upon the proportion that the work performed bears to the total work required by this Contract, subject to Section 4.

4. TERMINATION:

A. This Contract may be terminated by either party, provided that the other party is given not less than thirty (30) calendar days' written notice (delivered by registered mail) of intent to terminate.

B. The City may temporarily suspend this Contract, at no additional cost to City, provided that the Consultant is given written notice (delivered by certified mail, return receipt requested) of temporary suspension. If City gives such notice of temporary suspension, Consultant shall immediately suspend its activities under this Contract.

C. Notwithstanding any provisions of this Contract, Consultant shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of this Contract by Consultant, and the City may withhold any payments due to Consultant until such time as the exact amount of damages, if any, due the City from Consultant is determined.

D. In the event of termination, the Consultant shall be compensated as provided for in this Contract, except as provided in Section 4C. Upon termination, the City shall be entitled to all work, including but not limited to, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date in accordance with Section 7 hereof.

5. AMENDMENTS, CHANGES OR MODIFICATIONS:

Amendments, changes or modifications in the terms of this Contract may be made at any time by mutual written agreement between the parties hereto and shall be signed by the persons authorized to bind the parties hereto.

6. EXTENSIONS OF TIME:

Consultant may, for good cause, request extensions of time to perform the services required hereunder. Such extensions shall be authorized in advance by the City in writing and shall be incorporated in written amendments to this Contract in the manner provided in Section 5.

7. PROPERTY OF CITY:

A. It is mutually agreed that all materials prepared by the Consultant under this Contract ("Work Product") shall become the property of the City, and the Consultant shall have no property right therein whatsoever. Immediately upon termination, the City shall be entitled to, and the Consultant shall deliver to the City, all data, drawings, specifications, reports, estimates, summaries and other such materials as may have been prepared or accumulated to date by the Consultant in performing this Contract which is not Consultant's privileged information, as defined by law, or Consultant's personnel information, along with all other property belonging exclusively to the City which is in the Consultant's possession.

B. Additionally, it is agreed that the parties intend this to be a contract for services and each considers the Work Product be rendered by Consultant hereunder (the "Work") to be a work made for hire. Consultant acknowledges and agrees that the Work Product (and all rights therein, including, without limitation, copyright) belongs to and shall be the sole and exclusive property of the City. SDI's understanding is that the City has established a Fiscal Year 2025-26 budget of \$75,000 to be utilized for as-needed IT support services.

We look forward to continuing our partnership with the City. Please let me know if you have any questions regarding our proposal.

Sincerely,
