Interests & Experience

Tell us about yourself (i.e. background, education, career experience, interests).

My name is Sammy and I am a 15-year-old 10th grade student at Sierra High School. I have two loving parents and an older brother. At school, I take rigorous classes and I'm on track to be one of the top students in my class by the time I graduate, though my goal is to be the valedictorian. This past football season, I played on the JV football team for Sierra and plan going to varsity next season. Furthermore, I volunteer at many annual events run by many different organizations that work tirelessly to serve the community, such as Rotary, Kiwanis, Flags Over Manteca, among others. My interests include football and weightlifting, along with overall self-care. For me, my personality goes hand-in-hand with my interests and my academics because I am competitive both on the field and in the classroom. Despite my competitiveness, my countless hours spent practicing and playing with my team taught me how to work together with others.

List any experiences you have serving on other Boards & Commissions in the City of Manteca or elsewhere.

I have not yet served on any other boards or commissions. This commission will be my gateway into serving my community. I plan on serving my community now and in the future.

Though I have served my community by volunteering for many events hosted by several organizations and programs in Manteca, I have not yet served for any programs geared towards youth or teens. I have been on pancake duty at Manteca Rotary's Annual Super Bowl Omelet Pancake Breakfasts since 2020, when I was 9 years old. I have also put flags out on the sidewalks during federal holidays as part of Flags Over Manteca since 2022. I have guided vendors to their spots at both the Watermelon and Pumpkin Street Fairs as part of Sikhs of Manteca since 2022 as well. Just this past year, I volunteered with the Police Chief's Foundation's Healthy Room Project, where we remodeled the bedrooms of less fortunate children in Manteca.

Are you currently a member of a local community organization? if so, please list.

I am not currently a member of a local community organization.
