**Interests & Experience**

Tell us about yourself (i.e. background, education, career experience, interests).

I've lived in Manteca for 32 years and have worked for Chase Chevrolet in Stockton, Ca. as an Inventory Manager for 22 years. My main responsibilities are to strategically forecast projected sales and inventory needs based on fluctuating market trends. I'm a wife and proud mother of two grown children who both serve with the Lathrop-Manteca Fire District. My greatest interests are spending time with my family, supporting my city and enjoying time with friends.

List any experiences you have serving on other Boards & Commissions in the City of Manteca or elsewhere.

I served on an advisory board for 2 years with the American Red Cross San Joaquin Chapter. My role was to add input on fundraising planning and how certain monies were spent. I also volunteered at emergency shelters during my time, offering support for fire evacuations.
