City of Manteca

COMMUNITY BUDGET ENGAGEMENT INITIATIVE

August 18, 2026

Presented by: Lana McBroom, Budget Manager

1

Why We're Asking

Hear priorities early

Bring community perspectives into planning before FY28 recommendations are developed.

Shape useful workshops

Focus upcoming workshops on the topics and questions the community wants to understand.

Expand best practices

2

What We Hope To Learn

Services and Priorities

What matters most today and where future resources could make a difference.

Budget understanding

What is unclear, what people want to learn, and how they envision Manteca's future.

4 How Input Will Be Used

WHAT HAPPENS NEXT

RESPOND

Community members complete the survey through August 31.

REVIEW

The Budget Team summarizes themes and uses them to shape upcoming workshops.

INFORM

Results help guide FY28 priorities and future Council budget discussions.

Survey results are one source of community input—not a final budget decision.

Final priorities and appropriations remain subject to available resources, legal requirements, and City Council action.
