Tell us about yourself (i.e. background, education, career experience, interests).

I am an incoming 10th grader at Sierra High School and I love achieving academic goals. I am ranked 2 out of 411 students in my class. I have joined many clubs in my Freshman year and for this upcoming year, I have obtained some roles such as Public Commissioner and Secretary. I am a proud Filipino and love to embrace my culture. I am also a Christian and I love helping others just like what Jesus did. I also played volleyball and joined my school team, gaining the "Coach's Award" and having the most digs and reception than my team.

Question applies to Youth Advisory Commission

How did you hear about the Youth Advisory Commission vacancy?

I personally heard about this through a flyer I saw at my school and my friend Nihar.

Question applies to Youth Advisory Commission

Have you volunteered for any youth or teen programs? Please list and give examples of service provided.

I served on the EIA: High School Trafficking Social Media Team. I presented at two major conferences: the SJCOE Safe School Summit and EIA Official Summit. My group and I talked about various different ways to stay safe from human trafficking and educated adults on this information. Manteca Youth Focus- •Served as Miss Teen Manteca for one year •Volunteered at events like the Pumpkin fair, Watermelon Street Faire, Love Manteca, Prince and Princess Programs, etc. • Conducted drive that donated 70 Students Squishmallows for Hope Family Shelter kids on Christmas

Question applies to Youth Advisory Commission

Are you currently a member of a local community organization? if so, please list.

I love volunteering and being involved in my community I. Currently, I am Miss Teen Manteca, Teen Miss Asparagus Festival, and class president at Sierra high school. I work to help plan Lobo gold (an event celebrating academic success at Sierra) and help organize different parts of our academic rally.

Question applies to Youth Advisory Commission

What benefits do you believe you will obtain from being on the Youth Advisory Commission?

Being on the Youth Advisory Commission will help me connect adults and kids in the community through my experience. I want to help more kids get involved and feel like their voices matter. This role will let me be a bridge between generations and bring fresh ideas to the table.

Question applies to Youth Advisory Commission

What will you bring to the Youth Advisory Commission to better the youth and teens in the City of Manteca?

I want to bring a new set of ideas to the table. Something big that is on my heart is creating a business conference for kids. Except, the conference will have amazing Leaders from our community. Anywhere from political figures, CEOs, college students and more. I want to implement this idea because I know the kids are always looking to drive themselves into the right direction for the future. An event like this will help them to connect to people they aspire to be, and get advice from them.

Question applies to Youth Advisory Commission

How did you hear about the Youth Advisory Commission vacancy?

When I first applied, in 2022, I heard about the Youth Advisory Commission from my mother, who was an alternate on the Parks and Recreation Commission, I am now reapplying for my position.

Question applies to Youth Advisory Commission

Have you volunteered for any youth or teen programs? Please list and give examples of service provided.

Boy Scouts of America - Troop 828 - Senior Patrol Leader, teaching young children about the outdoors and leadership skills. Manteca Youth Focus - Teen Manteca City Ambassador - volunteering at many City events throughout the year. FEMA Region 9 Youth Preparedness Council - prepared an emergency preparedness project to spread awareness with a team from all over the western region of the United States. East Union Army JROTC - Battalion Operations Officer - helped organize and volunteer at many troop packing service events and color guard support at veteran events.

Question applies to Youth Advisory Commission

Are you currently a member of a local community organization? if so, please list.

I am the Youth Ambassador of the Stockton Astronomical Society. I am the Teen Manteca City Ambassador, part of Manteca Youth Focus I am the Senior Patrol Leader of Boy Scout Troop 828 I am the Battalion Operations Officer of the East Union High School Army JROTC program

Question applies to Youth Advisory Commission

What benefits do you believe you will obtain from being on the Youth Advisory Commission?

I believe I will benefit from working to help the youth of the City. "To help other people at all times" is my code of honor, and I believe this Commission will benefit me in fulfilling that. This commission has the potential to be one of the most important in the City, and I believe I and all youth will benefit from new ideas and structure being on the Youth Advisory Commission.

Question applies to Youth Advisory Commission

What will you bring to the Youth Advisory Commission to better the youth and teens in the City of Manteca?

To better the youth and teens in the City of Manteca, I will bring new and unique ideas. One idea that I will advocate for is the reworking of what the Youth Advisory Commission does to where the Commission will be able to truly advise the Mayor and City Council "on issues including youth recreational activities, gang prevention, graffiti prevention and removal, drug and alcohol abuse prevention in conjunction with other community-based organizations such as Partners in Prevention, and other issues requested by the City Council" and have meetings where we fulfill a quorum, and not just volunteer at the Recreation and Community Services events. One way to implement this would be to provide a monthly report to the City Council on the state of the youth of the City, taking information from the high schools, and providing ideas and programs on how to improve. This would help fulfill the entire Purpose of the Commission as listed in the Bylaws.

Interests & Experience

Tell us about yourself (i.e. background, education, career experience, interests).

I am currently a senior at Sierra High School in Manteca. I have a strong interest in data analysis, government planning, and problem-solving, and I'm preparing for college with a focus on Business Management in the state of California. At school, I stay involved in clubs such as Key Club, which gives opportunities to students to volunteer in our city. I am also a part of Her Impact, a club focused on empowering young girls to be their best. I enjoy opportunities where I can work with others, be creative, and contribute to making positive changes in my community.

List any experiences you have serving on other Boards & Commissions in the City of Manteca or elsewhere.

I do not have any experience serving on a Manteca Commission board. However, I do have experience representing students in various clubs at Sierra High. These include Key Club, which brings students together for volunteer work, and Her Impact, which empowers female youth.

What benefits do you believe you will obtain from being on the Youth Advisory Commission?

I believe serving on the Youth Advisory Commission will allow me to develop leadership, communication, and teamwork skills while gaining a deeper understanding of how local government works. It will also help me understand what other students think of our city.

What will you bring to the Youth Advisory Commission to better the youth and teens in the City of Manteca?

I will bring leadership experience, creativity, and commitment to representing the voices of youth in Manteca. Through my involvement in clubs such as Key Club and Her Impact, I have learned how to collaborate, organize, and motivate others toward a shared goal. I can offer new ideas for programs and activities that support teens, especially in areas like volunteering, leadership development, and empowerment. Most importantly, I will bring a student perspective and a willingness to listen to others so that all youth in our city feel heard and supported.

Interests & Experiences

Tell us about yourself (i.e. background, education, career experience, interests).

Born in Turlock, my family and I moved from Delhi, California to Manteca in 2012. Since then, I have come to cherish the community that I call home, attending Veritas Elementary School prior to coming into Sierra High. I hope to work towards one day practicing law or otherwise serving our nation's interests abroad as a foreign service officer. While also possessing a thumb for writing, I am most keen in history through all avenues in which it may present itself.

List any experiences you have serving on other Boards & Commissions in the City of Manteca or elsewhere.

I have previously served on the now-defunct Equity and Access Committee on Community Engagement for the Manteca Unified School District. Currently, I am the Outreach Director on the board for California High School Republicans. Although not a director myself, I work closely with the Manteca Historical Society's Board of Directors in my capacity as the museum's newsletter editor.

Question applies to Youth Advisory Commission

How did you hear about the Youth Advisory Commission vacancy?

I was pleased to hear about the Youth Advisory Commission and its vacancies after speaking with our Assistant City Clerk, Mr. Marco Martinez, following the City Council's December 17th meeting.

Question applies to Youth Advisory Commission

Have you volunteered for any youth or teen programs? Please list and give examples of service provided.

Through my Agriculture Leadership class at school, I have helped plan many of Manteca-Sierra FFA's activities and events, both in and outside the classroom. Working with my peers, we strived to offer FFA members meaningful and plentiful opportunities to engage and participate in the chapter. During this past election season, on the other hand, I remained busy with California High School Republicans. These past few months were full of phonebanking and doorknocking for legislative candidates up and down the state, in addition to tabling at this year's pumpkin fair with the county's California Republican Assembly chapter and Central Valley Impact Republicans, while also working for Jim Shoemaker's bid for state senate and Mayor Kevin Lincoln's congressional campaign, respectively. A particular bright spot as of late was volunteering at the Great Valley Bookfest this October, where I helped aid in setting up for the day prior to helping guide patrons, tidying books, and cleaning up for the Friends of Manteca Library's Book Sale area. Aside from involvement in numerous athletic programs many years prior in the likes of the Manteca Chargers football team, Manteca Area Soccer League, and the city Recreation department's very own summer swimming classes, it was a pleasure last year participating in Sierra High's Sikh Honors and Service Society. Attending school board meetings, educating our peers on the ails of illicit drugs (e.g. fentanyl), and volunteering at community health clinics, it was commonplace to see the club tabling at area temples, instilling students with a sense of service and integrity through faith.

Question applies to Youth Advisory Commission

Are you currently a member of a local community organization? if so, please list.

Though with varying levels of involvement, I am proud to be apart of organizations such as the Manteca Historical Society and Museum, the Friends of East Union Cemetery, and the congregation at the Manteca Sikh Temple. I am also a dues-paying member of the San Joaquin Valley Wildlife Society, Manteca Mural Society, and Save the California Delta Alliance.

Question applies to Youth Advisory Commission

What benefits do you believe you will obtain from being on the Youth Advisory Commission?

Through my time on the Youth Advisory Commission, I hope to gain more experience in leading and working with others to deliver results and get things done. In addition, it would be instrumental in fostering a sense of purpose and civic engagement key in allowing me to become more familiar with our government and how it serves our community, in turn bettering the lives of our youngest residents.

Question applies to Youth Advisory Commission

What will you bring to the Youth Advisory Commission to better the youth and teens in the City of Manteca?

It is my intent to bring forth the ideas and beliefs necessary in improving the lives of Manteca's youth. In particular, my strongest focus is the necessity to educate our teenage children on the dangers of drinking, smoking/vaping, and the illicit use of marijuana, tobacco, and the like. It should be our utmost priority to stamp out the unhealthy and immoral behaviors leading young people into a lifetime of crime and addiction. I possess the will, determination, and strive for excellence needed in achieving the goals and priorities of the commission; a plentiful score coupled with the recreational needs of our school-age children.
