My name is Michael. I am 27 years old. I was at a new low in my life with no hope of overcoming sin. All that I was in was due to poor decisions. I was tired of the way I was living but did not have enough power to get help by my own strength.

God knew exactly where I needed to be and He placed me in the FIT Ministry Program. God took me through the deepest, darkest hole I have ever been in and gave me a new life. Jesus took the worry and fear that held me captive for so long. I have a new lease on life, and I give all the glory to God. With God, anything is possible!

My name is Jon. I arrived at the FIT Ministry Ranch as the result of a court order. I have been given time to expand on my knowledge of the Lord, and have greatly added to my years of prior religious study, getting myself ready to return to society a better person who is more capable of carrying out God's wishes and plans.

I have learned that as you follow the path He has prepared for you, at times it is difficult to see any difference or improvement. Some changes are very subtle, but they are there. So my advice would be; don't expect everything to occur at once, some changes are slow and good changes take time.

Greetings dear friend,

Thank you for your interest in the F.I.T. Ministry. We help people from all walks of life. There are men who have come to our ministry from affluent backgrounds and men who were homeless. Some were ordered by the courts. Others were referred by a church, pastor, family member or friend. No matter the background, I truly believe there are many who want to change their lives and recover from the snare of the devil and his devices.

Our mission is to train and empower men to live a victorious Christian life. We will help them attain permanent victory from addictive and destructive behavior through principles and structure found in the Bible.

If YOU are serious about living your life for the glory of God and if you are willing to let God do the work, we are here for you. A change of character takes determination and the wonderful grace of God.

You will learn discipline and God will most certainly do His part. But you must have strong desire to complete the 8 to 12-month program. And though you will certainly want to quit at times before you graduate, my advice to you is simple: "Do not quit."

If God is leading you to this ministry, we will join with you in a commitment to rebuild a life of true freedom that is found only in Jesus Christ. **Pastor Parry L. Dalzell, Sr**

Our Program •

The FIT Ministry Program begins first and foremost with the Word of God, for it is the basis and source of all truth. All teaching and activity is based on doctrines and guidance found in the Bible. This includes Bible memorization, study and daily devotions. **John 8:32 - "And ye shall know the truth, and the truth shall make you free."**

The men have an active and faithful involvement in carefully-selected areas of ministry at Central Valley Baptist Church of Manteca California, under the leadership of Pastor Parry Dalzell, Jr. Regular church attendance is a requirement for the completion of the FIT Ministry Program.

Daily activities include devotions, chores, work (landscaping and construction), church attendance, property maintenance, classes, and occasional recreation. The schedule is meant for the overcoming of mental obstacles and for recovery. A personal relationship with Jesus Christ is the foundation of a clean and productive life.

Within the program of the Ministry are layers of extensive accountability that are applied to devotions, work, church attendance, service, local ministry and many other areas. Each week, the men attend classroom sessions focused on the teaching of Biblical principles to combat addictions. In these classes, there is an emphasis for the men to learn, embrace and then apply God's truth to everything they say and do.

THE TRUE SOURCE OF FREEDOM

The Word of God is the truth
that sets men free!

HELP SUPPORT US TODAY BY MAKING A DONATION.

The addictions ministry is one that is not often prioritized, especially in light of other great needs that are introduced to our churches and communities.

The FIT Ministry is sustained and supported in part by contributions and gifts donated by faithful people and churches through the year.

Unlike some rescue missions and treatment centers that provide only a short-term offsite intervention, we provide a residence for men who are truly committed to a wholesome lifestyle; a setting that will increase the likelihood of successful and long-term sobriety.

Most important is our faith in Jesus Christ and obedience to the Word of God, for this brings eternal salvation!

**Please, consider making an investment
in restoring broken lives today!**
