CITY CLERKS OFFICE

Tim Ogden, City Manager
City of Manteca
1001 West Center Street
Manteca, Ca 95337

Dear Mr. Ogden:

In reply to your May 1, 2019, letter and in follow up to our meeting on May 15, 2019, at your offices with you, San Joaquin Council of Government (SJCOG) staff, and City public works staff:

- California Department of Transportation (Caltrans) has previously issued the Right of Way Certification and the City issued the Notice to Owner (NTO) informing Pacific Gas & Electric (PG&E) of their liability on April 23, 2019. As we understand, the City will work with PG&E to relocate the affected utilities.
- This project is 100 percent locally funded through construction and does not have any federal or State funding, so Caltrans does not have further audit responsibilities for the Right of Way activities.

As discussed, Caltrans looks forward to seeing the construction begin on this important interchange improvement project on State Route 120, and if there are any questions please call me at (209) 948-7943 or call Grace Magsayo, Deputy District Director, at (209) 942-6192.

Sincerely,

A handwritten signature in black ink that reads "Dan McElhinney".

DAN McELHINNEY, P.E.
District 10 Director
