18. Hazardous Materials.

a. Definition. As used herein, the term "Hazardous Materials" means any hazardous or toxic substance, material or waste that is or becomes regulated by any local governmental authority, the State of California or the United States Government. Hazardous Materials includes, without limitation, petroleum products, asbestos, PCBs, and any material or substance which is (i) defined as hazardous or extremely hazardous pursuant to Title 22 of the California Code of Regulations, Division 4.5, Chapter 11, Article 4, Sections 66261.30 et seq.; (ii) defined as a "hazardous waste" pursuant to Section (14) of the federal Resource Conservation and Recovery Act, 42 U.S.C. Sections 6901 et seq.; or (iii) defined as a "hazardous substance" pursuant to Section 10 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Sections 9601 et seq. As used herein, the term "Hazardous Materials Laws" shall mean any statute, law, ordinance, or regulation of any governmental body or agency (including the U.S. Environmental Protection Agency, the California Regional Water Quality Control Board, and the California Department of Health Services) which regulates the use, storage, release or disposal of any Hazardous Materials.

Requests for additional SRO's or for staffing outside of these hours such as school events, sporting events, dances, etc., shall be made by the District through the submission of an Outside Service Request Form, as described and depicted in **Exhibit G**" attached hereto. District will strive to provide ten (10) days' notice prior to date such staffing is needed by the District.

b. SRO Purpose. The City recognizes the primary role and assignment for the SROs is to provide services to the District as outlined in this Agreement. The City's Police Department will endeavor to ensure those officers assigned as SROs will not be routinely used to provide other law enforcement services not directly linked to the SRO program. However, both the Parties recognize and acknowledge the primary function of each officer assigned as an SRO is that of a Police Officer. As each SRO generally wears a police uniform and drives a marked police vehicle, they may often be flagged down and/or expected to take law enforcement action by the public. The City also recognizes in many instances when an SRO may not be available to respond to a request for a call for service from the District, a Police Officer normally assigned to patrol or not routinely assigned to function as an SRO may respond. The Police Department agrees to continue to ensure calls for service for the District will be handled by an officer not assigned as an SRO to maintain the peace, ensure the protection of life and/or property, or when delaying the call for service for an SRO would otherwise be unacceptable or impractical based on the circumstances.

c. Control of SROs. The SROs shall be employees of the City and shall be subject to the administration, supervision, and control of the City. The SROs shall be subject to all personnel policies and practices of the Police Department, except as such policies or practices may be modified by the terms and conditions of this Agreement. The City's Police Department, in its sole discretion, shall have the power and authority to hire, discharge, and discipline SROs. If a District principal is dissatisfied with an SRO who has been assigned to that principal's school, then that principal may request that, at the Chief of Police's discretion, assign a different officer as the SRO for that school.

ATTACHMENT 1

d. Deployment. One SRO shall be assigned to each of the three primary high schools within the City of Manteca (Manteca High, East Union High & Sierra High). These SROs will provide assistance and support to the feeder schools of their assigned high school.

e. Duty Hours. SRO duty hours shall be determined by the provisions of the labor agreement between the Police Department and the District. Whenever possible, it is the intent of the Parties that the SROs' duty hours shall conform to the school day. The general operation of a school day consists of Monday through Friday, 6:00 a.m. to 4:00 p.m. It is the understood and agreed that the time spent by the SROs attending municipal court, juvenile court, and/or criminal cases arising from and/or out of their employment as an SRO shall be considered as hours worked under this Agreement.

f. Absence. In the event an SRO is absent from work, the SRO shall notify his or her supervisor in the City's Police Department and the principal of the school to which the SRO is assigned. In the event of an extended absence of one of the SRO's, the City will make every attempt based on staffing levels to backfill or replace the SRO as soon as possible. Extended absence will be defined as anything greater than ten (10) consecutive school days.

g. Duties. The SROs duties will include, but not limited to, the following:

(i) To be an extension of the principal's office for assignments consistent with this Agreement.

(vii) To make appearances before site councils, parent groups, and other groups associated with the campus and as a speaker on a variety of requested topics, particularly drug and alcohol abuse.

ATTACHMENT 1

the SRO will resolve the problem to preserve the school climate. As to school code violations, the SRO will take the student to the principal's or designee's office for discipline to be meted out by school officials.

(ix) IN ALL OTHER CASES, disciplining students is a School District responsibility, and the SRO will take students who violate the code of conduct to the principal where school discipline can be meted out. It will be the responsibility of the SRO to report all crimes originating on campus. Information on cases that are worked off-campus by the Police Department or other agencies involving students on a campus served by an SRO will be provided to the SRO, but the SRO will not normally be actively involved in off-campus investigation(s). (xv) The SROs will wear approved department uniform, formal business attire or business casual with appropriate logos and name badges depending on the time of school year, the type of school activity or program, and the requests of the school and/or police department. The Chief of Police and the principal shall jointly set expectations and resolve any disputes in this area.

(xvi) The SROs will wear their department authorized duty weapons in accordance with department policy.

h. Chain of Command.

ATTACHMENT 1

(i) As employees of the City's Police Department, SROs will be subject to the chain of command of the Police Department, SROs will be subject to the chain of command of the Police Department.

(A) When the students are victims or witnesses of a crime, under arrest, truant or some other emergency circumstances exist; and

(B) When students are suspended and/or sent home from school pursuant to school disciplinary actions, if the student's parent or guardian has refused or is unable to pick up the child within a reasonable time period and the student is disruptive/disorderly and his/her continued presence on campus is a threat to the safety and welfare of other student's school personnel.

(C) If some information in a student's record is needed in an emergency to protect the health or safety of the student or other individuals, school officials shall disclose to the SRO that information which is needed to respond to the emergency situation based on the seriousness of the threat to someone's health or safety; the need of the information to meet the emergency situation and the extent which time is of the essence.

(ii) If confidential student record information is needed by an SRO, but no emergency situation exists, the information may be released only as allowed by law.

20. Notices.

a. The City Contact Person. The City shall provide (i) the name, address, phone number, email address, and business hours of an individual who will act as the contact person on behalf of the City for matters concerning this Agreement, and (ii) the name, address, phone number, and email address of an individual who will act as the contact person on behalf of the City and who will be available after hours and on weekends. Each contact person must have the authority to act and make decisions on behalf of the City related to use of each Shared Facility and related to any emergency matters. The initial City contact person is: Parks and Recreation Director and Police Chief or their designees. District acknowledges that some decisions regarding this Agreement must be made by the City Council at a duly called and noticed meeting.

b. District Contact Person. District shall provide (i) the name, address, phone number, email address, and business hours of an individual who will act as the contact person on behalf of District for matters concerning this Agreement, and (ii) the name, address, phone number, and email address of an individual who will act as the contact person on behalf of District and who will be available after hours and on weekends. Each contact person must have the authority to act and make decisions on behalf of District related to use of each Shared Facility and related to any emergency matters. The information about the contact person shall be

updated as necessary by written notice to the City. The initial District contact person is: Director of Community Outreach and or designee. The City acknowledges that some decisions regarding this Agreement must be made by District's Board of Trustees at a duly called and noticed meeting.

21. Events of Default. Each of the following events shall be deemed a default by a Party of its obligations under this Agreement (each an "Event of Default"): (i) the Party fails, within the time required, to pay an undisputed or unexcused amount due to the other Party; or (ii) the Party fails to perform or observe any covenant, condition, or agreement to be performed or observed by such Party under this Agreement, and such failure materially and adversely affects the other Party's rights.

22. Notice of Default and Opportunity to Cure. If a Party is alleged to be responsible for an Event of Default ("Defaulting Party"), the other Party ("Non-Defaulting Party") may provide written notice thereof to the Defaulting Party, specifying in reasonable detail the nature and extent of the alleged Event of Default ("Notice of Default"). If the Defaulting Party has not cured the Event of Default within twenty (20) calendar days after receipt of the Notice of Default in the case of a monetary default (i.e., failure to pay money or secure the payment of money), or within thirty (30) calendar days after receipt of the Notice of Default in the case of a non-monetary default, the Non-Defaulting Party, in its discretion, may initiate the dispute resolution process described in this Agreement. Giving a Notice of Default and allowing the period for cure of the Event of Default under this section shall be a condition precedent to the Non-Defaulting Party exercising any available remedy in response to the Event of Default. Nothing shall be construed to prohibit the Defaulting Party from disputing that an Event of Default has occurred. Neither giving any Notice of Default, nor the initiation by the Non-Defaulting Party of any dispute resolution, legal, or equitable action, or other proceeding in connection with an Event of Default, shall by itself operate to terminate this Agreement.

23. Insurance.

a. **Liability Insurance.** Each Party shall obtain and keep in place a policy or policies of general commercial liability insurance (or acceptable self-insurance) with respect to its use of each Shared Facility, written on an occurrence basis, that provides coverage for damage to property and injury to any person (including death) that arises from or incurs in connection with that Party's activities under this Agreement, including, without limitation, the presence on or use of any property owned by the other Party. This liability policy shall be deemed primary and provide coverage for any property damage, bodily injury, personal injury and/or death which occurs or is occasioned due in whole or in part to negligence by the Licensee in conjunction with activity authorized by this Agreement. Each Party's liability policy shall name the other Party as an additional insured and shall include a cross-liability endorsement and waiver of the insurer's rights of subrogation against the other Party. The policy limits shall be at least in an amount no less than two million dollars (\$2,000,000) per occurrence and four million dollars (\$4,000,000) in annual aggregate.

b. **General Insurance Requirements.** Each policy shall be issued by an insurer licensed to do business in the State of California and having an A.M. Best Company Rating of not less than an "A" and Financial Site Category of not less than "IX". Notwithstanding the foregoing, either Party may maintain the insurance coverage required under this Agreement through a joint-powers insurance cooperative in which the Party is a member.

ATTACHMENT 1

c. Proof of Insurance. Within fifteen (15) days after the Effective Date, the Parties shall furnish to each other a certificate of insurance for each policy of insurance required under this section (each a "Certificate of Insurance") stating that the required insurance coverage is in full force and effect and naming the other Party as an additional insured. Within sixty (60) days of the Effective Date, each Party shall provide to the other Party copies of all policies of insurance and endorsements required under this section, which the receiving Party may review for compliance with this section. A Party that determines the other Party's insurance does not satisfy the requirements of this section shall provide written notice of the deficiency to the other Party, which shall have thirty (30) days to cure the deficiency. No failure by a Party to review, fully review, or adequately review any policy received from the other Party, or to provide any notice of deficiency regarding any such policy, shall be deemed or construed to constitute acceptance or a waiver of any failure by the other Party to comply with the requirements of this section.

d. Continuity of Coverage. Each Party, during the Term, must maintain in full force and effect, without any lapse in coverage, all policies of insurance that the Party must maintain under this section, whether through the original or any renewal or replacement policies. The Party whose insurance policy is being cancelled, for any reason, shall also notify the other Party in writing within two business days after learning of such cancellation.

e. Waiver and Release of Claims. Upon receipt by a Party of insurance proceeds attributable to any claim or liability for which the other Party is responsible, the receiving Party shall be deemed to have waived and released the other Party from such claim or liability, but only to the extent that such claim or liability is satisfied or paid by the net amount remaining after deducting the receiving Party's reasonable costs of obtaining such proceeds, including, without limitation, any deductibles or reserves expended by the receiving Party.

f. Motor Vehicle Insurance. Each Party shall obtain and maintain under this section a policy or policies of liability insurance, written on an occurrence basis, providing coverage for all motor vehicles owned, leased, rented, or used by a Party in undertaking any activities under this Agreement ("Vehicle Policy"). Each Party's Vehicle Policy shall name the other Party as an additional insured and shall include a cross-liability endorsement and a standard waiver of the insurer's rights of subrogation against the other Party. Unless modified by the Insurance section of this Agreement, in no event shall a Party's Vehicle Policy provide coverage for damage to property and injury to any person (including death) in an amount no less than two million dollars (\$2,000,000) per occurrence and four million dollars (\$4,000,000) annual aggregate.

g. Workers' Compensation Insurance. Each Party shall obtain and maintain under this section a policy or policies of workers' compensation insurance in compliance with Section 3700 et seq. of the Labor Code and all other applicable requirements, including, without limitation, any laws as may be enacted or amended from time to time. Each Party's workers' compensation insurance policy shall include a standard waiver of the insurer's rights of subrogation against the other Party.

h. Minimum Requirements. The requirements for insurance coverage in this section are to be deemed and construed as the minimum requirements for the insurance to be maintained by a Party. Notwithstanding anything to the contrary, each Party may maintain such additional insurance coverage as such Party determines in its reasonable business judgment is required to adequately protect the interests of the Parties in connection with this Agreement.

24. Indemnification and Liability.

a. Reciprocal Indemnification. The City expressly agrees to indemnify, protect, defend, and hold District, its Board of Trustees, employees, agents, students, and/or any other District invitees free and harmless from all liability from whatever source for any and all injuries, damages, suits, actions, claims, liens, losses and/or demands arising from or as a result of the City's use of the District's Shared Facilities and/or exercise of its rights and obligations under this Agreement. This indemnity will not extend to claims to the extent arising from the negligence (in any form), recklessness, or willful misconduct of District, its Board of Trustees, employees, agents, students, or any other District invitees.

b. District expressly agrees to indemnify, defend, protect, and hold the City, its employees, agents, and volunteers free and harmless from all liability from whatever source for any and all injuries, damages, suits, actions, claims, liens, losses and/or demands arising from or as a result of District's use of the City's Shared Facilities and/or exercise of its rights and obligations under this Agreement. This indemnity does not extend to claims to the extent arising from the negligence (in any form), recklessness, or willful misconduct of the City, its employees, agents, or volunteers.

These indemnity provisions shall extend to claims accruing after this Agreement is terminated (for activities/actions occurring during the Term) as well as while it is in force.

c. Liability of the City. The City shall be solely responsible and liable for the welfare and control of all City employees, agents, and invitees at all times they are present on any of the District Facilities, or adjacent areas, because of, or in connection with, this Agreement or otherwise for purposes related to the City's activities under this Agreement.

d. Liability of District. District shall be solely responsible and liable for the welfare and control of all District Board of Trustees, employees, agents, students, and/or any other District invitees at all times they are present on any of the City Facilities, or adjacent areas, because of, or in connection with, this Agreement or otherwise for purposes related to District's activities under this Agreement.

e. Joint Defense. The Parties may agree in writing to a joint defense of any claim, action, or proceeding arising out of the joint acts or omissions of the Parties. Any such agreement may provide that the Parties may appoint agreed-upon legal counsel to defend such claim, action or proceeding. The Parties may equally bear the cost of any such joint defense and any amount paid by the Parties in settlement of, or as a result of a court judgment, arbitration or mediation of, the claim, action or proceeding. The Parties may equally share in any amount awarded to or received by the Parties in settlement of or as a result of a court judgment, arbitration or mediation of, the claim, action or proceeding. Neither Party may bind the other Party to any settlement of a claim, action, or proceeding without the express written consent of the other Party.

f. Comparative Fault. In the event any settlement, court judgment, or arbitration, or mediation award allocates or determines the comparative fault of the Parties, either Party shall be entitled to reimbursement from the other Party, with respect to defense costs, settlement payments, judgments and awards, consistent with such comparative fault to the extent such settlement, judgment, award, payment or costs are not paid or reimbursed through insurance coverage that a Party is required to maintain pursuant to this Agreement.

ATTACHMENT 1

g. Insurance Not a Limitation on Liability. A Party's liability or responsibility under this Agreement shall not be limited by insurance coverage maintained by either Party.

h. Survival of Terms. With respect to any acts, omissions, and/or incidents occurring prior to termination of this Agreement, the requirement that a Party indemnify, defend, and/or hold the other Party harmless, or pay any amounts owing under this Agreement, shall survive.

25. Conflicts/Dispute Resolution.

a. Communication to Prevent Problems from Becoming Disputes. In recognition of the need to resolve problems quickly, each Party shall use its best efforts to respond to all communications (whether written, or oral, by mail or electronic) within the response time indicated in the communication, but in no event later than twenty (20) days following dispatch of the communication by the other Party. The Parties shall work cooperatively and in good faith to promptly resolve the issues/conflicts identified in the communication, which resolution shall be accomplished in the shortest time reasonably possible, but in no event later than forty-five (45) days following the issuance of the original communication.

b. Breach of the Agreement. Failure to comply with the terms of this Agreement is a breach. The following are examples of breaches of this Agreement:

(i) Use of a Shared Facility for a purpose or at a time not authorized by this Agreement.

(ii) Failure to discontinue, or recommencement of, an objectionable activity in violation of the provisions of this Agreement.

(iii) Failing to pay any expenses as required by this Agreement.

(iv) Failing to make a Shared Facility available on the dates and at the times required by this Agreement.

(v) Failure by a Party to fulfill any nonmonetary obligation where such failure continues beyond any applicable notice-and-cure period.

c. Mediation Prior to Litigation. Before initiating any litigation to enforce this Agreement, the Parties will first make a reasonable attempt to mediate the dispute through nonbinding mediation.

d. Attorney's Fees. Should it be necessary to file an action at law or in equity to interpret and/or enforce the provisions of this Agreement, each Party shall bear their own attorney's fees and costs.

26. Miscellaneous.

a. No Assignment Without Consent. Neither Party may assign any rights, duties, obligations, or privileges under this Agreement without the express written consent of both Parties.

ATTACHMENT 1

b. Waiver of Rights and Obligations. No waiver of any right or obligation under this Agreement is effective unless executed in writing by the Party relinquishing the right or excusing the obligation. Any such waiver shall be limited to the specific right or obligation set out in the written waiver and shall not be a waiver of any other right or obligation under this Agreement.

c. Non-Discrimination. No Party shall employ any discriminatory practices in its performance hereunder, including its employment practices, on the basis of sex, race, color, religion, national origin, ancestry, age, sexual orientation, or physical and mental disability.

d. Entire Agreement. All Exhibits attached hereto are incorporated in this Agreement by this reference. The written expression of this Agreement, including the recitals and the Exhibits, contains the entire understanding of the Parties with respect to this Agreement. No other statements, promises, or understandings of any kind not contained in this Agreement were made to or by either Party.

e. Interpretation. In interpreting this Agreement, it shall be deemed to have been prepared by the Parties jointly and no ambiguity shall be resolved against either Party on the premise that it or its attorneys were responsible for drafting this Agreement or any of its provisions.

f. California Law. This Agreement shall be governed by and the rights, duties, and obligations of the Parties and shall be determined and enforced in accordance with the laws of the State of California. The Parties further agree that any action or proceeding brought to enforce the terms and conditions of this Agreement shall be maintained in the county in which District's administrative offices are located.

g. Waiver. Failure by a Party to enforce any term, condition, restriction, or provision of this Agreement, in any certain instance or on any particular occasion, shall not be deemed a waiver of such enforcement right, with respect to that or any future breach of the same or any other term, condition, restriction or provision.

h. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, legal representatives, successors, and assigns.

i. Counterparts. This Agreement and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.

j. Captions. The captions contained in this Agreement are for convenience only and shall not in any way affect the meaning or interpretation hereof nor serve as evidence of the interpretation hereof, or of the intention of the Parties.

k. Severability. If any provision of this Agreement shall become illegal, null or void or against public policy, for any reason, or shall be held by a court of competent jurisdiction to be illegal, null or void or against public policy, the remaining provisions shall not be affected, provided that the economic and legal substance of the transactions contemplated herein are not affected in any manner materially adverse to any Party. In the event of any such determination, holding, or finding, the Parties agree to negotiate in good faith to modify this Agreement to fulfill as closely as possible the original intent and purposes

ATTACHMENT 1

hereof. To the extent permitted by law, the Parties hereby, to the same extent, waive any provisions of law that render any provision of this Agreement prohibited or unenforceable in any respect.

l. Modification. All modifications to this Agreement must be in writing and signed by the Parties.

m. Representation of Authority. Each Party warrants and represents that all of the actions, steps and/or resolutions necessary to empower the signer to make and enter into this Agreement on behalf of each of the Parties has been fully and faithfully taken so as to authorize and bind each of the respective Parties to this Agreement.

n. No Third Party Beneficiaries. The only parties to this Agreement are the City and District. This Agreement does not involve any third party beneficiaries, and it is not intended and will not be construed to benefit or be enforceable by any other person or entity.

o. No Joint Venture. Neither Party is authorized to assume or create any obligation on behalf of, in the name of, or binding upon the other Party, nor shall this Agreement in any way create, give rise to, or be deemed a joint venture or partnership between the Parties.

p. Independent Contractor Status. This Agreement is by and between two independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, or association.

q. Incorporation of Recitals and Exhibits. The Recitals and each Exhibit attached hereto are hereby incorporated herein by reference.

r. Time Is of the Essence. Time is of the essence with respect to the Parties' obligations herein.

s. Further Actions. Each Party hereto shall execute, acknowledge, and deliver such additional documents, and take such further action(s), as may be reasonably required from time to time to carry out each of the provisions, and the intent, of this Agreement.

t. Force Majeure. In addition to specific provisions of this Agreement, performance by a Party hereunder shall not be in default, and all performance or other dates specified in this Agreement shall be extended, where the Party seeking the extension has acted diligently and delays or defaults are due to events beyond the reasonable control of the Party such as but not limited to: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; limitation of supplies; epidemics; quarantine restrictions; freight embargoes; lack of transportation; litigation; unusually severe weather; or any other causes beyond the control of or without the fault of the Party claiming an extension of time to perform. Notwithstanding anything to the contrary in this Agreement, an extension of time for any such cause shall be for the period of the forced delay and shall commence to run from the time of the commencement of the cause, if notice by the Party claiming such extension is sent to the other Party within thirty (30) days of the commencement of the cause.

IN WITNESS OF THE FOREGOING, the undersigned execute this Agreement on behalf of the Parties.

A separate generator is required; City outlets handle no more than 20 amps. City will not be liable if a circuit breaker trips and causes damage to equipment.
	CANCELLATION
<i>Initial</i>	If cancellation by renter is made 90 or more calendar days before the scheduled event, the renter will be given a full refund. If event is cancelled by renter 22-89 calendar days prior to the event, renter will be assessed a service charge of 50% of the total facility rental fee. 	CLEAN-UP/DECORATIONS
<i>Initial</i>	All streamers, balloons, signage, and other decorations must be removed from the facility and properly disposed of immediately after the event. All trash should be placed in trash receptacles or hauled off by renter for proper disposal. If these items are not removed, clean-up fees will be withheld from deposit. For large events, renter may be required to contact the Solid Waste Department at (209) 456-8440 to arrange for additional trash receptacles.
	DAMAGES
<i>Initial</i>	Renter agrees to reimburse the City for all costs incurred to repair damages (including, but not limited to: facility, turf, furnishings, fixtures, grounds, and/or additional cleaning required outside the normal scope for said facility) that occurred in connection with the renter's event and was caused by the renter, sponsoring organization(s), and/or attendees. Reimbursement for expenses above the amount of the paid deposit will be invoiced to the renter. Failure to comply with the conditions as established in this permit may result in forfeiture of the deposit, and any cancellation of the event less than seven days prior to the scheduled event will result in forfeiture of the initial deposit and rental fees. Additional deposits may be required for specific requests including bounce houses, stages, portable toilets, concessions, or other items that may cause turf or facility impact. These deposits will be determined based on application use and must be paid prior to permit approval. All required information for permit approval must be properly submitted no less than one week prior to event or event may be cancelled.

All required information for permit approval must be properly submitted at least one week prior to event or event may be cancelled. Renter has exclusive use only of the area that has been reserved.
