City Council Agenda

Memo to: Manteca City Council
From: Toni Lundgren, Acting Assistant City Manager
Prepared by: Johanna Ferriera, Senior Management Analyst
Date: September 7, 2021
Subject: Inner City Action Amendment

Adopt a resolution approving a contract amendment with Inner City Action for the operation of the Homeless Emergency Center through October 31, 2021, and the inclusion of a one-month downtown assistance pilot program for an amount not to exceed \$43,700, and authorizing the City Manager or designee to sign the contract amendment.

Background:

On May 18, 2021 City Council approved an agreement with Inner City Action to operate the Homeless Emergency Center (Center) at 555 Industrial Park Drive through September 30, 2021. In order to provide continued service through March of 2022, staff recently released a Request for Proposals (RFP) to all local homeless service providers. Staff is recommending an extension to the current Inner City Action contract through October, 31, 2021 in order to provide sufficient time to receive proposals and potentially transition to a new shelter provider.

In addition to extending Inner City Action's agreement, an expanded scope of work is included in the amendment to provide a one-month pilot program to assist with downtown clean up, homeless outreach, beautification, and business support. The program will operation six (6) hours a day, Tuesday through Saturday to supplement City efforts in the downtown area.

Fiscal Impact:

Operations costs for the Center are included in the current year budget. The City has received \$400,000 in ESG-CV funding to finance the cost of Center operations.

Total Amendment = \$43,700

- Center Operations (October 1 - 31) = \$40,200
- Downtown Assistance Pilot Program = \$3,500
